Australian Government
Australian Taxation Office

SCHEDULE 3 – A

Pay as you go (PAYG) withholding
Fortnightly tax table
Incorporating Medicare levy with and without leave loading

For payments made on or after 1 JULY 2005

This document is a withholding schedule made by the Commissioner of Taxation in accordance with sections 15-25 and 15-30 of Schedule 1 to the *Taxation Administration Act 1953*. It applies to withholding payments covered by Subdivisions 12-B (except sections 12-50 and 12-55) and 12-D of Schedule 1.

Who should use this table?

Use this table if you make the following payments to payees on a fortnightly basis:

- salary, wages, allowances and leave loading paid to employees
- director's fees
- salary and allowances paid to office holders (including Members of Parliament, statutory office holders, defence force members and police officers)
- payments to labour hire workers
- payments to religious practitioners
- Commonwealth education or training payments, and
- compensation, sickness or accident pay that is calculated at a periodical rate and made because a person is unable to work (unless the payment is made under an insurance policy to the policy owner).

Also use this table for payments made to payees who are foreign residents. See page 2 for more information.

Some payees (shearers, fruit and vegetable harvesters, performing artists and those engaged on a daily basis) may be subject to a different rate of withholding. There are also special arrangements for the withholding rate for payments under voluntary agreements.

Using formulas

Withholding amounts shown in this table can be expressed in a mathematical form. If you have developed your own payroll software package you will need to use the *PAYG statement of formulas for calculating amounts to be withheld* (NAT 1004). A copy of this schedule is available from **www.ato.gov.au**

When there are 27 pay periods in a financial year

In some years you may pay your payees 27 times instead of the usual 26. As this tax table is based on 26 pays, the extra pay may result in insufficient amounts being withheld. You are asked to tell your payees when this occurs. Those payees who are concerned about a shortfall, may request you to withhold the additional amounts shown in the table below:

Fortnightly earnings $	Additional withholding $
840 to 2,399	5
2,400 to 3,599	16
3,600 and over	22

Tax file number (TFN) declarations

The amount to be withheld from payments you make to your payees is primarily determined by the answers given by the payee on a *Tax file number declaration*. A *Tax file number declaration* applies to payments made after the declaration is provided to the payer. A later declaration provided by a payee overrides an earlier declaration.

If a payee does not give you a valid *Tax file number declaration* within **14 days** of commencing a payer/payee relationship, you must fill in a *Tax file number declaration* with all available details of the payee and send it to the Tax Office.

If you have *Employment declarations* that were valid at 30 June 2000 they will continue to be valid under PAYG.

No TFN provided

If you make a payment to a payee and the payee **has not**:

- quoted their TFN
- claimed an exemption from quoting, or
- advised that they have applied for a TFN or have made an enquiry with the Tax Office

you must withhold an amount equal to 48.5% of the payment, ignoring any cents.

If a payee states at question 1 of the *Tax file number declaration* that they have lodged a *Tax file number application or enquiry* with the Tax Office, the payee has **28 days** to give you their TFN. At the end of this time, if the payee has not given you their TFN, unless the Tax Office tells you not to, you must withhold 48.5% from the total amount of all payments made to the payee, ignoring any cents.

! Do not allow any family tax benefit (FTB), tax offsets or Medicare levy adjustment. Do not add amounts for HECS, HELP or SFSS.

Withholding declarations

A valid *Tax file number declaration* (or *Employment declaration*) must be in place before a payee can authorise you to vary their rate of withholding by providing a *Withholding declaration*.

A payee may use the *Withholding declaration* to advise their entitlement to the family tax benefit (FTB) or a tax offset, which they choose to claim through a reduced rate of withholding. See page 2 for more information. Withholding declarations can also be used by payees to advise you of changes to their situation since providing a valid *Tax file number declaration,* which may affect the amount to be withheld from their payments.

Changes which may affect the payee's withholding rate include:

- becoming or ceasing to be an Australian resident for tax purposes
- claiming or discontinuing a claim for the tax-free threshold
- advising a HECS or HELP debt, or Financial Supplement debt, or changes to them
- entitlement to a senior Australians tax offset, and
- upward variation to increase the rate or amount to be withheld.

A *Withholding declaration* takes effect from the first payment you make after the payee has provided the declaration. A later declaration provided by a payee overrides an earlier declaration.

Medicare levy adjustment

To claim the Medicare levy adjustment available to some low income earners with dependants, a payee must lodge a *Medicare levy variation declaration* along with their *Tax file number declaration.*

For instructions on how to work out the Medicare levy adjustment, use the *PAYG withholding – Medicare levy adjustment fortnightly tax table* (NAT 1011).

Some payees may be liable for an increased rate of Medicare levy or the Medicare levy surcharge on reportable fringe benefits. These payees can lodge a *Medicare levy variation declaration*, requiring you to increase the amount to be withheld from payments you make to them.

Allowances

Generally, allowances are added to normal earnings and the amount to be withheld is calculated on the total amount of earnings and allowances.

Refer to *PAYG bulletin no 1 – Taxing of allowances for the 2000/01 and future income years*.

Foreign residents

Foreign resident tax rates apply where a payee has answered No to the question 'Are you an Australian resident for tax purposes?' on their *Tax file number declaration*. There are two ways to withhold from earnings for a foreign resident:

- If the payee has not given you a valid TFN, you need to withhold 47 cents for each $1 of earnings, ignoring any cents.
- If the payee has given you a valid TFN, withhold amount calculated from **Foreign resident tax rates** below, rounding any cents to the nearest dollar.

Foreign resident payees **cannot** claim FTB or any tax offset. If a foreign resident payee has claimed FTB or any tax offsets on the *Tax file number declaration*, do not make any adjustment to the fortnightly amount to be withheld.

Foreign resident tax rates

Fortnightly earnings	Fortnightly rate
$0-$831	29 cents for each dollar of earnings
$832-$2,423	$241 plus 30 cents for each $1 of earnings over $831
$2,424-$3,654	$719 plus 42 cents for each $1 of earnings over $2,423
$3,655 and over	$1,235 plus 47 cents for each $1 of earnings over $3,654

HECS, HELP and SFSS debts

Individuals with an accumulated Higher Education Contribution Scheme (HECS), Higher Education Loan Programme (HELP) or Student Financial Supplement Scheme (SFSS) debt may be required to have additional amounts withheld from payments you make to them.
A payee with a HECS or HELP debt, or Financial Supplement debt, will notify you of those details on their *Tax file number declaration* or *Withholding declaration*.

Use *PAYG withholding – HELP fortnightly tax table* (NAT 2185) to calculate additional withholding amounts for HECS or HELP debts. Use *PAYG withholding – SFSS fortnightly tax table* (NAT 3307) to calculate additional withholding amounts for Financial Supplement debts.

Do not add amounts for HECS, HELP or SFSS when no tax file number has been provided.

Holiday pay, long service leave and eligible termination payments

Payees who continue working for you

For withholding purposes you must include holiday pay (including any leave loading) and long service leave payments as part of normal earnings except when they are paid on termination of employment. Payment for leave loading is subject to withholding if it exceeds the current threshold of **$320**. Only that part of the payment which exceeds this threshold should be subject to withholding, unless your payee asks you to withhold from the full amount.

Refer to *PAYG withholding – calculation sheet – Index No 6209 – holiday and long service leave payments for continuing employment.*

Payees who cease working for you

Lump sum payments made when a payee ceases working for you are subject to a different rate of withholding.
If a payee has unused annual leave, leave loading or long service leave, and they are resigning, see *PAYG withholding – unused leave payments on termination of employment tax table* (NAT 3351).

If they are leaving for other reasons the payments made may be eligible termination payments and you should refer to *PAYG withholding – eligible termination payments tax table* (NAT 3349).

Do not withhold any amount for HECS, HELP or Financial Supplement debts from lump sum termination payments.

Family tax benefit (FTB) and tax offsets

Payees who choose to claim their entitlement to FTB or a tax offset (dependent spouse, zone or special) through a reduced rate of withholding must provide you with a *Withholding declaration*.

Use the **Ready reckoner for family tax benefit and tax offsets** on page 3 to convert the payee's annual FTB and/or tax offset entitlement into a fortnightly value. Deduct this amount from the fortnightly rate of withholding shown in column 2 or 3 of the table.

Do not allow any FTB or tax offsets if using column 4, or foreign resident rates, or when no tax file number has been provided.

Example

A payee has fortnightly earnings of $987.99 and if using column 2 the amount to be withheld is $158.

The payee claims FTB or a tax offset entitlement of $1,000 on their *Withholding declaration*.

Use the **Ready reckoner for family tax benefit and tax offsets** on page 3 to find the fortnightly value of $38. The total amount to be withheld is worked out as follows:

Amount to be withheld on $987.99	$158.00
Deduct fortnightly value	$38.00
Total amount to be withheld is	**$120.00**

How to work out withholding amounts

1. Add any allowances and irregular payments that are to be included in this fortnight's pay to the normal fortnightly earnings, ignoring any cents.
2. Find the payee's total fortnightly earnings in column 1. If the exact amount is not shown, use the nearest lower figure.
3. Use the appropriate column to find the correct amount to be withheld. If the payee is:
   - claiming the tax-free threshold and is entitled to a leave loading, use **column 2**
   - claiming the tax-free threshold and is not entitled to a leave loading, use **column 3**, or
   - not claiming the tax-free threshold, whether or not entitled to a leave loading, use **column 4**.
4. Payees may anticipate their end-of-year entitlement to the FTB and/or tax offset as a reduced rate of withholding by providing a *Withholding declaration*. Use the **Ready reckoner for family tax benefit and tax offsets** shown below to convert the payee's estimate of their full-year entitlement into a fortnightly value. Then subtract this value from the withholding amount found in step 3.
5. If the payee is entitled to make an adjustment for the Medicare levy, subtract the value of the adjustment, determined from the *PAYG withholding – Medicare levy adjustment fortnightly tax table* (NAT 1011) from the amount found in step 4.
6. If the payee has advised you of a HECS, HELP or Financial Supplement debt, add the amount determined from the *PAYG withholding – HELP fortnightly tax table* (NAT 2185) or *PAYG withholding – SFSS fortnightly tax table* (NAT 3307) to the amount you calculated in step 5.

If you use column 4, or foreign resident tax rates, or no TFN has been provided, do not allow any FTB, tax offsets or Medicare levy adjustment.

Example

A payee has fortnightly earnings of $987.99.

To work out the correct amount to withhold, use column 1 and find $986.

If the payee is:

- claiming the tax-free threshold and is entitled to a leave loading, use column 2 to find the correct amount to withhold – $158.
- claiming the tax-free threshold and is not entitled to a leave loading, use column 3 to find the correct amount to withhold – $154.
- not claiming the tax-free threshold, whether or not entitled to a leave loading, use column 4 to find the correct amount to withhold – $282.

Resident income tax rates from 1 July 2005 (not including Medicare levy)

Taxable income range $	Tax rate %
0 to 6,000	0
6,001 to 21,600	15
21,601 to 63,000	30
63,001 to 95,000	42
Greater than 95,000	47

PAYG withholding publications

All PAYG withholding tax tables and other PAYG publications can be accessed quickly and easily from **www.ato.gov.au**

Copies of weekly and fortnightly tax tables are available from most newsagents. Newsagents also hold copies of the *Tax file number declaration* and the *Withholding declaration.*

Ready reckoner for family tax benefit and tax offsets

Amount claimed $	Fortnightly value $	Amount claimed $	Fortnightly value $	Amount claimed $	Fortnightly value $	Amount claimed $	Fortnightly value $	Amount claimed $	Fortnightly value $
1	—	**20**	1.00	**200**	8.00	**1000**	38.00	**1700**	65.00
2	—	**30**	1.00	**300**	11.00	**1100**	42.00	**1800**	68.00
3	—	**40**	2.00	**338**	13.00	**1173**	45.00	**1900**	72.00
4	—	**50**	2.00	**400**	15.00	**1200**	46.00	**2000**	76.00
5	—	**57**	2.00	**500**	19.00	**1300**	49.00	**2500**	95.00
6	—	**60**	2.00	**600**	23.00	**1400**	53.00	**3000**	114.00
7	—	**70**	3.00	**700**	27.00	**1448**	55.00		
8	—	**80**	3.00	**725**	28.00	**1500**	57.00		
9	—	**90**	3.00	**800**	30.00	**1600**	61.00		
10	—	**100**	4.00	**900**	34.00	**1610**	61.00		

If the exact FTB and/or tax offset amount claimed is not shown in the ready reckoner add the values for an appropriate combination
Example: Tax offsets of $422 claimed. Add values of $400, $20 and $2 = $15.00 + $1.00 + $0.00 = $16.00
Therefore, reduce the amount to be withheld by $16.00

NOTE: Where payee earns more than $3,840, the fortnightly withholding amount is calculated as follows:

— Where the tax-free threshold is claimed with leave loading: $1,238 plus 48.50 cents for each $1 of earnings in excess of $3,840, rounding to the nearest dollar.

— Where the tax-free threshold is claimed and no leave loading: $1,232 plus 48.50 cents for each $1 of earnings in excess of $3,840, rounding to the nearest dollar.

— Where the tax-free threshold is NOT claimed: $1,468 plus 48.50 cents for each $1 of earnings in excess of $3,840, rounding to the nearest dollar.
