

## Registered agent lodgment program available now

Access the lodgment program and find important tips to help your practice manage lodgments.

**Published** 1 July 2025

The **Registered agent lodgment program 2025-26** is available on our website now.

You'll find due dates listed by month, tax return and obligation type and learn how overdue prior year returns, or a lodgment prosecution can affect your clients' due dates.

The due dates for your clients' tax returns will be available in ATO online services by the end of July.

### Tips for managing lodgments

We provide the lodgment program to help you manage your workload; however, good planning and lodging progressively are still essential.

We also recommend you:

- engage your clients early to obtain the information you need to lodge
- know how to ensure clients are covered by your lodgment program
- review your client list to add new clients and remove those who no longer use your services
- regularly check your clients' lodgment due dates as they may change if your clients' circumstances change
- notify us if lodgment is not required or if further returns are not necessary.

If you or your practice are experiencing challenges beyond your control, we have a range of **support options** to help you get back on track.
