## **Benefits of the register**

Join our employment register to be considered for job opportunities across Australia as they become available.

We offer a place where you belong, a say in how you make a difference, and the chance to grow a successful career.

You can tell us whether you are interested in casual, non-ongoing (temporary) or ongoing (permanent) job opportunities.

We'll share your application with business areas to see if your skills and experiences align with what they are looking for as jobs become available. If they do, the business area will contact you to tell you about the potential opportunity.

If you register your interest for non-ongoing (temporary) opportunities, these may be offered for an initial period of up to 12 months, with potential to extend to a total period of up to 18 months.

If you register your interest in ongoing (permanent) employment, we may contact you when ongoing vacancies are advertised. You'll need to submit a separate application to apply for jobs advertised as ongoing.

## **Already work in the APS?**

If you're interested in a transfer to the ATO you should also register now.

## Register now

You can log into your existing ATO careers account, or create an account. We'll also ask you to use or register for Multi-factor Authentication to protect your information.
