Fringe benefits tax – car calculator

The fringe benefits tax (FBT) car calculator helps employers calculate the FBT payable of a car fringe benefit.

Last updated 22 February 2022

The Fringe benefits tax (FBT) car calculator is designed to help **employers** calculate the taxable value and FBT payable of a car fringe benefit using either the statutory formula method or the operating cost method.

Our commitment to you

We are committed to providing you with accurate, consistent and clear information to help you understand your rights and entitlements and meet your obligations.

If you follow our information and it turns out to be incorrect, or it is misleading and you make a mistake as a result, we will take that into account when determining what action, if any, we should take.

Some of the information on this website applies to a specific financial year. This is clearly marked. Make sure you have the information for the right year before making decisions based on that information.

If you feel that our information does not fully cover your circumstances, or you are unsure how it applies to you, contact us or seek professional advice.
