[PAYG withholding publications](#)

Use this tax table for payments made from 1 July 2022 to 30 June 2023.

You can use the [Study and training support loans component lookup tool \(XLSX 24KB\)](#)  to quickly work out the weekly PAYG withholding component.

Using this tax table

You should use this tax table if you make weekly payments and your employee has:

- given you a Tax file number declaration or Withholding declaration
- answered **yes** to the question on whether they have a
 - Higher Education Loan Program (HELP) debt

- VET Student Loan (VSL) debt
 - Financial Supplement (FS) debt
 - Student Start-up Loan (SSL) debt (includes ABSTUDY SSL debts)
or
 - Trade Support Loan (TSL) debt
-
- weekly income of \$930 or more if they have claimed the tax-free threshold
 - weekly income of \$580 or more if they have not claimed the tax-free threshold
 - not completed a **Medicare levy variation declaration** claiming a reduction or exemption in the Medicare levy for having a spouse or dependants and low family income.

You must withhold the study and training support loans component from all of your employee's earnings, including taxable allowances, bonuses and commissions.

Do not withhold any amount for study and training support loans from lump sum termination payments.

You can also download and print the [Study and training support loans weekly tax table \(NAT 2173, PDF 788KB\)](#) .

Working out the withholding amount

To work out the amount you need to withhold:

1. Use the **Weekly tax table** to calculate the weekly withholding amount for your employee's earnings, allowing for any tax offsets claimed.
2. Use this study and training support loans weekly tax table to calculate the study and training support loans component to withhold.
3. Add the study and training support loans component to the withholding amount.
4. Withhold this amount from your employee's earnings.

Finding the study and training support loans weekly component

Input your employee's weekly earnings (ignoring any cents) into the green cell in column 1 **Weekly earnings** in the [Study and training support loans component lookup tool \(XLSX 24KB\)](#) .

Then use the appropriate column to find the study and training support loans component:

- use column 2 if your employee is either
 - claiming the tax-free threshold
 - a foreign resident
- use column 3 if your employee is not claiming the tax-free threshold.

Example – using the lookup tool

The employee has claimed the tax-free threshold and has weekly earnings of \$1,333.57.

Ignoring cents, input \$1,333 into column 1 in the [Study and training support loans component lookup tool \(XLSX 24KB\)](#) .

The study and training support loan's weekly component in column 2 is \$47.

Using a formula

The withholding amounts shown in this table can be expressed in a mathematical form. If you have developed your own payroll software package use the [Statement of formulas for calculating study and training support loans components](#).
