If you're planning on attending the SMSF Association conference, make a point of visiting us at our booth. You can test your SMSF knowledge with our quiz and talk to our staff about starting, running or winding up an SMSF – we have information to help you stay on top of your obligations at every stage of your funds lifecycle.

You can also join one of our sessions on Wednesday 18 February:

- Ben Kelly, Deputy Commissioner - Superannuation and Employer Obligations, will be joined by Leah Sciacca, Senior Executive Leader, Financial Advice and Investment Management, ASIC to provide a regulators update. This session will cover the latest regulatory updates and compliance priorities affecting the sector.
- Kellie Grant, Director - SMSF Auditors, will be joined by Peter Ridgley, Senior Executive Leader, Enforcement Inquiries and Compliance, ASIC in a Q&A session on expectations, priorities, and how the profession and regulators can work together to sustain a strong and credible SMSF audit framework. The session will also explore what's coming next and how the SMSF profession should prepare.
