

Notification of continuation of a multiple entry consolidated (MEC) group with a new provisional head company

A MEC group is a group of Australian entities that is wholly foreign-owned and does not have a common Australian resident head company.

! If a member of the MEC group has petroleum resource rent tax (PRRT) obligations (for onshore petroleum project interests), you can choose to consolidate for PRRT purposes, if the group is not already consolidated for those purposes.

For more information on consolidated groups and petroleum resource rent tax obligations, you can visit our website at:
