How to complete the Change of details form

SECTION A: ENTITY INFORMATION

The terms 'entity' and 'entities' are used to refer to the superannuation fund or trust that is changing its details.

You must complete all questions in this section.

SECTION B: DO YOU WANT TO CHANGE THE ENTITY TYPE?

Question 4

What is the new entity type?

Place an **X** in one box only to indicate if the entity is choosing to become:

- an SMSF regulated under the SIS Act by the ATO, or
- superannuation fund, other than an SMSF, regulated under the SIS Act by the Australian Prudential Regulation Authority (APRA).

ATO regulated self-managed superannuation fund

This is a superannuation fund that is regulated by us.

Single member funds

A superannuation fund with only one member is an SMSF if:

- the trustee of the fund is a body corporate and the member is
 - the sole director of the body corporate
 - one of only two directors of the body corporate, and the member and the other director are relatives, or
 - one of only two directors of the body corporate and not an employee of the other director
- the trustee of the fund is comprised of individuals and the member is
 - one of only two trustees, one of whom is the member and the other is a relative of the member, or
 - one of only two trustees, and not an employee of the other trustee
- no trustee of the fund receives any remuneration from the fund, or from any person, for any duties or services performed by the trustee in relation to the fund
- if the fund trustee is a body corporate, no director of the body corporate receives any remuneration from the fund or from any person (including the body corporate) for any duties or services performed by the director in relation to the fund.

Funds with two to six members

An SMSF, that is not a single member fund, is one where:

- the fund has two to six members
- if the trustees of the fund are individuals, each individual trustee is a member
- if the trustee of the fund is a body corporate, each director of the body corporate is a member
- each member is a trustee of the fund or a director of the corporate trustee of the fund
- no member is an employee of another member, unless the members concerned are relatives

- no trustee of the fund receives any remuneration from the fund, or from any person, for any duties or services performed by the trustee in relation to the fund
- if the fund trustee is a body corporate, no director of the body corporate receives any remuneration from the fund or from any person (including the body corporate) for any duties or services performed by the director in relation to the fund.

! **Important:** State and Territory laws can restrict the number of trustees a trust can have. An SMSF is a type of trust. If your SMSF has more than four trustees, you should seek professional advice to understand if your SMSF is impacted by these restrictions. To avoid this issue, SMSFs can have a corporate trustee and each member is a Director of that corporate trustee.

There are some exceptions to these general rules. For full details of the definition, refer to Section 17A of the *Superannuation Industry (Supervision) Act 1993* (SIS Act).

Trustee declaration

New trustees and directors of corporate trustees of an SMSF must sign a declaration stating that they understand their duties and obligations.

- !** The declaration must be:
- signed within 21 days of you becoming a trustee (or director of the corporate trustee) of an SMSF, and
 - retained for at least 10 years, or longer if it is relevant.

Do not send the declaration to us. It must be retained by the fund's trustees.

- ➔** You can obtain a copy of the *Trustee declaration* (NAT 71089) from ato.gov.au/trustee-declaration. You can also order directly:

- via ato.gov.au/onlineordering
- by phoning our automated publications service on **1300 720 092** 24 hours a day, 7 days a week.

For more information about the declaration and your responsibilities:

- visit ato.gov.au/super
- phone **13 10 20**.

- !** If the change you are making (other than adding more than six members) means the fund no longer satisfies the definition of an SMSF, and you want your fund to continue to be regulated as an SMSF, your fund will need to restructure. For more information, phone us on **13 10 20** between 8.00am and 6.00pm, Monday to Friday.

An APRA regulated superannuation fund

This is a superannuation fund that is regulated by APRA and therefore must have an APRA licensed trustee. APRA covers all regulated superannuation funds that are not SMSFs.

SECTION C: ARE YOU ELECTING TO BECOME AN APRA FUND OR CHANGING YOUR APRA FUND TYPE?

Question 5 What is the new APRA fund type?

Public offer fund

This type of superannuation fund can be joined by members of the public. It is a regulated fund consisting of pooled superannuation sold commercially, for example, through life companies, bank subsidiaries or financial planners. This category includes master trusts (where a large number of unconnected individuals or companies operate their superannuation arrangements under a single common trust deed) and personal superannuation products.

Non-public offer fund

This is a superannuation fund with more than six members and with membership limited to employees of an employer or group of employers.

Public sector fund

This is a superannuation fund that forms part of a public sector scheme.

Public sector superannuation scheme

This is a superannuation scheme that is established by or under:

- a law of the Commonwealth, state or territory
- the authority of the Commonwealth, state or territory, or
- the authority of a municipal corporation, a local governing body or public authority constituted under a Commonwealth, state or territory law.

Small APRA fund

This is a superannuation fund with six or less members that has a licensed trustee under Part 2A of the SIS Act.

Approved deposit fund

An approved deposit fund is an indefinitely continuing fund maintained by an RSE licensee that is a constitutional corporation for the purpose of receiving, holding and investing certain types of rollover funds until such funds are withdrawn. Withdrawal of funds usually requires certain conditions to be met. For example, a member retiring and reaching their preservation age, reaching age 65 or dying.

Pooled superannuation trust

A pooled superannuation trust is a unit trust which is used only for investing assets of regulated superannuation funds, approved deposit funds and other pooled superannuation trusts.

SECTION D: DO YOU WANT TO CHANGE THE ENTITY'S STRUCTURE?

Question 6

What is the entity's new structure?

The following descriptions can help you identify the entity structure.

Accumulation fund

An accumulation fund is any regulated fund that is not a defined benefit fund. This type of fund calculates a benefit to the member based on the total amount of contributions received for the member plus earnings, less expenses and tax.

Defined benefit fund

This type of regulated superannuation fund has at least one defined benefit member, and some or all of the contributions paid into the fund are accumulated on an aggregated basis (they are not made in respect of an individual member). The benefit a fund member receives will depend on factors such as:

- the member's salary or wage
- how long they have worked for their employer
- how much they have contributed to the fund, and
- whether their entitlement is related to retirement, redundancy, resignation or invalidity.

 If the entity has defined benefit members and is an APRA regulated superannuation fund, indicate the number of defined benefit members in the entity. A superannuation entity cannot register as a defined benefit fund if it has less than 50 members and was established after 12 May 2004.

Both accumulation and defined benefit fund

This is a fund that offers accumulation accounts and defined benefit accounts to all members.

SECTION E: DO YOU WANT TO CHANGE THE ENTITY'S RESIDENCY STATUS?

(That is, the entity became or ceased to be an Australian superannuation fund for tax purposes.)

Question 7

What is the new residency status of the entity?

A superannuation fund is an Australian superannuation fund for the income year if at a time during that income year:

- the fund was established in Australia or any asset of the fund is situated in Australia, and
- the central management and control of the fund is ordinarily in Australia, and
- either, the fund
 - has no 'active member', or
 - at least 50% of the following is attributable to superannuation interests held by 'active members' who are Australian residents
 - › the total market value of the fund's asset, relating to superannuation interests held by 'active members', or
 - › the sum of the amounts that would be payable to or in respect of 'active members' if they voluntarily ceased to be members.

The central management and control of a superannuation fund is ordinarily in Australia at a time even if that central management and control is temporarily outside Australia for a period not exceeding two years.

EXAMPLE

A married couple are trustees of their SMSF that was established in 2001. In July 2007 the husband accepts a two year employment posting overseas. His wife joins him during that time. They make no contributions to the fund after leaving Australia. In these circumstances it is accepted that the central management and control of the SMSF is ordinarily in Australia and the SMSF will be treated as an Australian superannuation fund.

An entity that is not an Australian superannuation fund is a foreign superannuation fund.

Active members

An active member of the fund is, at the relevant time, a member who is:

- a contributor to the fund at that time, or
- an individual on whose behalf contributions to the fund have been made, except where the individual is a
 - foreign resident, and
 - is not a contributor at that time, and
 - the contributions that were made on the individual's behalf after they became a foreign resident were only in respect of a period when the individual was an Australian resident.

SECTION H: DO YOU WANT TO UPDATE THE ENTITY'S ADDRESS DETAILS?

Question 12

What is the entity's new postal address for service of notices and correspondence?

This is the address where government departments and agencies will send notices and correspondence. This is also the address which will be made publicly available on Super Fund Lookup.

Question 13

What is the entity's new email address for service of notices and correspondence?

This is the email address where government departments and agencies may send you notices and correspondence. Where possible, we would like to do business with you online.

SECTION I: DO YOU WANT TO UPDATE THE ENTITY'S CONTACT PERSON?

Question 15

Who is the new authorised contact person for the entity?

The person nominated as a contact must be able to deal with any issues that may arise regarding the ABN of the entity, its business accounts and matters relating to the SIS Act. This person must be authorised to make alterations or updates on behalf of the entity.

- For more information about what an authorised person can do on behalf of the entity, go to ato.gov.au/primarycontact

SECTION J: DO YOU WANT TO UPDATE THE ENTITY'S ASSOCIATE DETAILS?

All individuals associated with the entity should provide their TFN. If an individual trustee, director or member chooses not to disclose their TFN, they must provide their full name, residential address, gender and date of birth on a separate piece of paper and include with this application.

Corporate trustees

If the fund has a corporate trustee, all directors should select both '*Director of the corporate trustee*' and '*Member of self-managed superannuation fund*' in the check boxes provided.

Single member funds

Where a member is one of only two directors and the other director is a relative or not an employee, the relevant member of the fund should select both '*Director of the corporate trustee*' and '*Member of self-managed superannuation fund*' in the check boxes provided. The other director should select '*Director of the corporate trustee*' in the check box provided.

Individual trustees

If an entity does not have a corporate trustee, it must provide details of its individual trustees. Individual trustees should select '*Individual trustee*' and '*Member of self-managed superannuation fund*' in the check boxes provided.

Single member funds

Where a member is one of only two individual trustees and the other is a relative or not an employee of the other trustee, the relevant member of the fund should select both '*Individual trustee*' and '*Member of self-managed superannuation fund*' in the check boxes provided. The other individual should select '*Individual trustee*' in the check box provided.

Legal personal representatives

Where a corporate trustee director is acting as a legal personal representative for a member, the corporate trustee director should select '*Director of corporate trustee*' and '*Legal personal representative*' in the check boxes provided.

If an individual is acting as a legal personal representative for a member, the individual should select '*Individual trustee*' and '*Legal personal representative*' in the check boxes provided.

SECTION K: ELECTRONIC SERVICE ADDRESS (ESA)

Question 27

What is the entity's new electronic service address (ESA)?

Complete this section if you want to provide an ESA or the ESA you supplied previously has changed.

If your SMSF receives employer contributions (other than from an employer that is a related-party) you must provide a registered ESA.

When employers make super contribution payments, electronic remittances will be sent to your ESA. We will also use this ESA to communicate with your SMSF about ATO super payments.

An email address is not an electronic service address.

An ESA can be obtained from a registered ESA provider. A list of registered providers is available at ato.gov.au/esaprovider

SECTION L: NOTICE OF ELECTION

Question 28

Is the entity electing to be regulated under the Superannuation Industry (Supervision) Act 1993?

This section deals with the election to be regulated that superannuation entities may make under the SIS Act.

The trustee/s of the superannuation entity must complete this notice of election if the entity is to be regulated under the SIS Act and be eligible for tax concessions.

If the notice of election is not completed correctly, the election may be invalid and the superannuation entity may not be regulated or eligible for tax concessions.

The superannuation entity electing to be regulated must indicate if:

- the governing rules of the entity provide that the sole or primary purpose of the entity is the provision of old age pensions (regulation is on the basis of the pensions power under the Constitution), and/or
 - the entity trustee is a constitutional corporation pursuant to a requirement in the governing rules (regulation is on the basis of the corporation's power under the Constitution).
-  You should not complete this section if your entity is:
- an approved deposit fund
 - a pooled superannuation trust, or
 - a superannuation fund that chooses not to be regulated.

Individual trustees

If the trustee is not a corporation, each individual trustee of the entity must sign and date in the space provided.

Corporate trustees

If the trustee is a corporation, the notice must be signed in a way that is legally binding. The corporate trustee's common or official seal should be used if it is necessary to bind the body corporate (for example, if the trustee's articles of association require it).

SECTION M: SELF-MANAGED SUPERANNUATION FUND TRUSTEE DISCLOSURE

Question 32

Trustee disclosure supplementary questions.

Each of the supplementary questions must be completed on behalf of every individual or corporate trustee, legal personal representative and responsible officers of the corporate trustee, when a self-managed fund is adding or removing an associate. They must also be completed by non-regulated or APRA funds that have now become SMSFs. These questions determine the eligibility of people associated with the self-managed fund.

If an individual has received a declaration from a Regulator (APRA or the Commissioner of Taxation) waiving their disqualified person status, they must answer 'YES' to the question 'Have any of the trustees been convicted of an offence in respect of dishonest conduct in the Commonwealth or any state, territory or foreign country?'. This will enable us to confirm that the individual is no longer a disqualified person.

-  An individual that answers 'YES' to any of the disclosure questions is likely to be a disqualified person. If a trustee is, or becomes, a disqualified person, they must immediately tell us in writing. A penalty of \$5,500 may apply to individuals who do not notify us that they have become a disqualified person. Two years imprisonment can also apply to any individual who intentionally acts as a trustee when they are a disqualified person.

If you have difficulty answering these questions you should seek legal advice.

SECTION N: DECLARATION

Once you have completed this application, you are required to read and sign the declaration.

Question 33

Who is the authorised person signing this declaration?

In signing the declaration you are stating that:

- you are authorised by the entity to make this application
- the entity is entitled to an ABN
- the information provided in the application is true and correct
- where the entity is an SMSF, you are aware that all new trustees or directors of the corporate trustee appointed after 30 June 2007, must sign a trustee declaration within 21 days of them becoming a trustee or director of the corporate trustee of the fund (refer to Trustee Declaration under Type of Entity in Section A of this guide).

Authorised person

A trustee of the entity or a director or secretary of the corporate trustee is authorised to sign this application. If you are not an authorised person, ensure that you get an authorised person to sign and date the declaration.

We may impose penalties for making a false declaration.

Tax file number (TFN) disclosure

We are authorised by the *Taxation Administration Act 1953* to ask for tax file numbers. You do not have to provide a TFN. However, not providing a TFN may increase the risk of an administrative error and/or delay the processing of this form. If we cannot identify an associate from the information you provide, you may be contacted for more information.

If an individual who is a trustee, member or director chooses not to disclose their TFN, they must provide their full name, residential address, gender and date of birth on a separate sheet of paper with the form. Title the separate sheet of paper with the heading 'Individual details'.

If a corporate trustee chooses not to disclose its TFN, it must provide its business address and the date it commenced, registered or became incorporated on a separate sheet of paper. Title the separate sheet of paper with the heading 'Corporate trustee details' and include with this form. Ensure that any additional sheets of paper include the name (provided at question 2) and ABN of the entity.

If your SMSF has more than four trustees, you should seek professional advice to understand if your SMSF is impacted by these restrictions. To avoid this issue, SMSFs can have a corporate trustee and each member is a Director of that corporate trustee.
