(i) the first entity; or

(6A) The trustee of a discretionary trust may, for an income year for which the trust had a *tax loss and for which the trustee did not pay or apply any income or capital of the trust, nominate not more than 4 beneficiaries as being controllers of the trust.

Note: The trust might not have had the funds to make a distribution for that income year, which would prevent it from being controlled in that year. The trustee may wish to make the nomination to ensure that a relevant CGT asset is treated as an active asset (see section 152-40).

(6B) This section has effect as if each nominated beneficiary controlled the trust during the relevant income year in the way described in this section.

(6C) A nomination must be in writing and signed by the trustee and by each nominated beneficiary.

7 Application of amendments

The amendments made by this Schedule apply to CGT events happening after 11.45 am, by legal time in the Australian Capital Territory, on 21 September 1999.

8 Transitional: general

- (1) In this item and in item 9:
assent day means the day on which this Act receives the Royal Assent.
 - (2) The subsection 152-30(5) of the *Income Tax Assessment Act 1997* inserted by this Schedule applies to assessments for the 1999-2000, 2000-01 and 2001-02 income years as if the reference to any of the 4 income years before the income year for which relief is sought for a CGT event under Division 152 of that Act were a reference to the income year for which that relief is sought.
 - (3) The following subitems apply in relation to:
 - (a) a CGT event that happened before the assent day; and
 - (b) an entity who becomes eligible to make a choice under Division 152 of the *Income Tax Assessment Act 1997* in relation to that event because of this Schedule.
 - (4) Despite subsection 103-25(1) of the *Income Tax Assessment Act 1997*, any such choice must be made by the entity by the latest of:
 - (a) the day the entity lodges its income tax return for the income year in which the relevant CGT event happened; and
 - (b) 12 months after the assent day; and
 - (c) a later day allowed by the Commissioner of Taxation.
 - (5) The period within which the entity must acquire a replacement asset as mentioned in subsection 152-420(1) or (2) of the *Income Tax Assessment Act 1997* ends on the latest of:
 - (a) 2 years after the happening of the last CGT event in the income year for which the entity obtained the small business roll-over; and
 - (b) 12 months after the assent day; and
-

- (c) a later day allowed by the Commissioner of Taxation.
- (6) The period within which a replacement asset the entity acquires must be an active asset as mentioned in subsection 152-420(4) of the *Income Tax Assessment Act 1997* (if it is not an active asset when acquired) ends on the latest of:
 - (a) 2 years after the happening of the last CGT event in the income year for which the entity obtained the small business roll-over; and
 - (b) 12 months after the assent day; and
 - (c) a later day allowed by the Commissioner of Taxation.

9 Transitional: choice

- (1) This item applies to CGT events that happen no later than the end of the 2003-04 income year.
- (2) Subject to subitem (3), an entity can choose that Division 152 of the *Income Tax Assessment Act 1997* apply to such a CGT event as if the amendments made by this Schedule had not been made.
- (3) However, subsection 152-30(6) inserted by item 4 of this Schedule applies to those CGT events.
- (4) A choice under this item must be made by the latest of:
 - (a) the day the entity lodges its income tax return for the income year in which the relevant CGT event happened; and
 - (b) 12 months after the assent day; and
 - (c) a later day allowed by the Commissioner of Taxation.

Schedule 4—Amendment of the Energy Grants (Credits) Scheme (Consequential Amendments) Act 2003

2 Subitem 1(1) of Schedule 7

Omit “a person”, substitute “an entity”.

3 At the end of subitem 1(1) of Schedule 7

Add “as in force on 1 July 2003 (including as affected by regulations under that Act commencing on that day)”.

4 Subitem 1(2) of Schedule 7

Repeal the subitem, substitute:

(1A) This item does not apply if:

- (a) the on-road alternative fuel is liquefied natural gas or biodiesel; or
- (b) the entity purchased or imported into Australia the off-road diesel fuel before 1 July 2002 for a use mentioned in paragraph 53(4)(a) of the *Energy Grants (Credits) Scheme Act 2003* as in force on 1 July 2003.

(2) The *Energy Grants (Credits) Scheme Act 2003* and regulations under that Act apply to fuel to which this item applies in the same way as they apply to on-road diesel fuel, on-road alternative fuel or off-road diesel fuel purchased or imported into Australia on 1 July 2003.

Note: The effect of subitem (2) will be to create entitlements to energy grants that, subject to subitem (3), can be claimed under section 15 of the *Product Grants and Benefits Administration Act 2000*. However, because of the claim period requirements in that section, a claim will not be able to be made more than 3 years after the actual time of purchase or importation of the fuel concerned.

5 Subitem 1(3) of Schedule 7

Omit “a person”, substitute “an entity”.

6 Subitem 1(3) of Schedule 7

8 Recouping entitlement to certain energy grants where assessment made before commencement

(1) If:

- (a) the amendments made by this Schedule have the effect of reducing (the amount of the reduction being the *recoupment amount*) an entity’s entitlement to an energy grant (including to nil); and
- (b) before the time at which this item commenced (the *commencement time*), an assessment was made under section 17 of the *Product Grants and Benefits Administration Act 2000* of the entity’s entitlement to the energy grant;

then:

- (c) the Commissioner of Taxation is not entitled to amend the assessment under section 20 of that Act to give effect to the reduction in the entitlement; but

Note: However, the Commissioner is not prevented from amending the assessment for any other purpose.

- (d) the following entitlements of the entity:
 - (i) entitlements to grants and benefits within the meaning of the *Product Grants and Benefits Administration Act 2000* that arose before the commencement time, where an assessment was not made before that time under section 17 of that Act of the entity’s entitlement to the grant or benefit;
 - (ii) entitlements to grants and benefits, within the meaning of that Act, that, disregarding this item, arise at or after the commencement time;are reduced in accordance with the rules in subitem (2).

(2) The rules are:

- (a) the entitlements are reduced, in the order in which they arose or arise, until the total amount of the reduction equals the recoupment amount; and
- (b) if 2 or more entitlements arose or arise at the same time, they are taken for the purposes of paragraph (a) to have arisen or to arise in the order determined by the Commissioner of Taxation.

1 At the end of section 17-10

2 At the end of section 27-10

Add:

- (4) However, you cannot deduct an amount under subsection (1) or (3) to the extent that, because it becomes a component of a *net input tax credit, a reduction is made under section 103-30 (reduction of cost base etc. by net input tax credits).

3 At the end of Division 103

Add:

103-30 Reduction of cost base etc. by net input tax credits

Reduce the *cost base and *reduced cost base of a *CGT asset, and any other amount that could be involved in the calculation of an entity's *capital gain or *capital loss, by the amount of any *net input tax credit of the entity in relation to that amount.

Example: The other amount could be expenditure in the case of some CGT events (see, for example, CGT event D1).

Note: Subsection 116-20(5) deals with the effect of net GST on supplies for the purposes of capital proceeds.

4 Subsection 110-25(1) (note)

Subdivision EA—Unpaid present entitlements

109XA Payments, loans and debt forgiveness by a trustee in favour of a shareholder etc. of a private company with an unpaid present entitlement

Payments

- (1) Section 109XB applies if:
- (a) a trustee makes a payment to a shareholder or an associate of a shareholder of a private company (except a shareholder or associate that is a company) (the *actual transaction*); and
 - (b) the payment is a discharge of or a reduction in a present entitlement of the shareholder or associate that is wholly or partly attributable to an amount that is an unrealised gain; and
 - (c) the company is presently entitled to an amount from the net income of the trust estate at the time the actual transaction takes place, and the whole of that amount has not been paid to the company before the earlier of the due date for lodgment and the date of lodgment of the trustee’s return of income for the trust for the year of income of the trust in which the actual transaction takes place.

Loans

- (2) Section 109XB applies if:
- (a) a trustee makes a loan to a shareholder or an associate of a shareholder of a private company (except a shareholder or associate that is a company) (the **actual transaction**); and
 - (b) the company is presently entitled to an amount from the net income of the trust estate at the time the actual transaction takes place, and the whole of that amount has not been paid to the company before the earlier of the due date for lodgment and the date of lodgment of the trustee's return of income for the trust for the year of income of the trust in which the actual transaction takes place.

Forgiven debts

- (3) Section 109XB applies if:
- (a) all or part of a debt owed to a trustee by a shareholder or an associate of a shareholder of a private company is forgiven (except where the shareholder or associate is a company) (the **actual transaction**); and
 - (b) the company is presently entitled to an amount from the net income of the trust estate at the time the actual transaction takes place, and the whole of that amount has not been paid to the company before the earlier of the due date for lodgment and the date of lodgment of the trustee's return of income for the trust for the year of income of the trust in which the actual transaction takes place.

Amount involved in the actual transaction

- (4) The amount involved in the actual transaction is the lesser of:
- (a) the amount actually involved in the actual transaction; and
 - (b) the amount worked out using the formula:

Unpaid present entitlement – Previous transactions

where:

previous transactions means the sum of:

- (a) the amounts that, because of previous applications of section 109UB (as in force before the commencement of this section) have been taken to be loans; and

- (b) the amounts that, because of previous applications of this Subdivision, have been included in an entity's assessable income;
in relation to the unpaid present entitlement.

unpaid present entitlement means:

- (a) if the actual transaction is a payment—the amount of the present entitlement referred to in paragraph (1)(c) that remained unpaid on the earlier of the dates mentioned in that paragraph; and
- (b) if the actual transaction is a loan—the amount of the present entitlement referred to in paragraph (2)(b) that remained unpaid on the earlier of the dates mentioned in that paragraph; and
- (c) if the actual transaction is the forgiveness of a debt—the amount of the present entitlement referred to in paragraph (3)(b) that remained unpaid on the earlier of the dates mentioned in that paragraph.

The amount of the actual transaction where the entitlement is only partly attributable to an unrealised gain

- (5) For the purposes of subsection (4), where the actual transaction was a payment and that payment was only partly attributable to an amount that is an unrealised gain, the amount of the actual transaction is taken to be the amount of the payment that was attributable to the amount that is the unrealised gain.

Creation of a present entitlement is not a payment

- (6) The creation of a present entitlement to the capital or income of a trust estate is not, of itself, a payment for the purposes of this Subdivision.

Meaning of unrealised gain

- (7) In this section:

unrealised gain, in relation to a trust estate and an actual payment, means any unrealised gain, whether of a capital or income nature, but does not include an unrealised gain to the extent that it has been or would be included in the assessable income of the trust, apart from this Division, for:

- (a) a year of income before the year in which the actual payment was made; or
- (b) the year of income in which the actual payment was made; or
- (c) the year of income following the year in which the actual payment was made.

109XB Amounts included in assessable income

- (1) An amount is included, as if it were a dividend, in the assessable income of the shareholder or associate referred to in subsection 109XA(1), (2) or (3) if:
 - (a) had the actual transaction been done by a private company (the *notional company*); and
 - (b) had the shareholder or associate been a shareholder of the notional company at the time the actual transaction took place;an amount (the *Division 7A amount*) would have been included in the shareholder's or associate's assessable income because of a provision of this Division outside this Subdivision.
- (2) Subject to section 109Y, the amount that is included under subsection (1) is the Division 7A amount.

Note: There are some modifications of this Division for the purposes of working out the Division 7A amount: see section 109XC.

 - (a) must be in a form approved by the Commissioner; and
-

- (b) may be *lodged electronically; and
- (c) must be signed for the entity, or include the entity's *electronic signature if the application is lodged electronically; and
- (d) must be lodged at, or posted to, an office or facility designated by the Commissioner as a receiving centre for applications of that kind.

Note: The Commissioner could approve a form that is part of an application form for an ABN.

- (3) Section 426-5 does not prevent the Commissioner from approving a single form to be used by an entity to make applications for 2 or more kinds of endorsement.

426-20 Dealing with an application for endorsement

Requiring further information or documents

- (1) The Commissioner may require an applicant to give the Commissioner specified information, or a specified document, that the Commissioner needs in order to decide whether the applicant is entitled to endorsement.

Treating application as being refused

- (2) After the time worked out under subsection (3), the applicant may give the Commissioner written notice that the applicant wishes to treat the application as having been refused, if the Commissioner has not given the applicant before that time written notice that the Commissioner endorses or refuses to endorse the applicant.

Note: Section 426-25 requires the Commissioner to give the applicant written notice if the Commissioner endorses or refuses to endorse the applicant.

- (3) The time is the end of the 60th day after the application was made. However, if before that time the Commissioner requires the applicant under subsection (1) to give information or a document, the time is the later of the following (or either of them if they are the same):
 - (a) the end of the 28th day after the last day on which the applicant gives the Commissioner information or a document he or she has required;

- (b) the end of the 60th day after the application was made.
- (4) If the applicant gives notice under subsection (2), section 426-35 operates as if the Commissioner had refused the application on the day on which the notice is given.
- Note: Section 426-35 lets the applicant object against refusal of an application in the manner set out in Part IVC of this Act. That Part provides for review of the refusal objected against.
- (5) The notice given by the applicant:
- (a) may be *lodged electronically; and
 - (b) must be signed for the applicant, or include the applicant's *electronic signature if the application is *lodged electronically.

426-25 Notifying outcome of application for endorsement

- (1) The Commissioner must give the applicant written notice if:
- (a) the Commissioner endorses the applicant; or
 - (b) the Commissioner refuses to endorse the applicant.
- (2) The Commissioner may give the notice by way of electronic transmission. This does not limit the ways in which the Commissioner may give the notice.

426-30 Date of effect of endorsement

- (1) The endorsement has effect from a date specified by the Commissioner.
- (2) The date specified may be any date (including a date before the application for endorsement was made and a date before the applicant had an *ABN).

426-35 Review of refusal of endorsement

If the applicant is dissatisfied with the Commissioner's refusal to endorse the applicant in accordance with the application, the applicant may object against the refusal in the manner set out in Part IVC of this Act.

Note: That Part provides for review of the refusal objected against.

426-40 Checking entitlement to endorsement

- (1) The Commissioner may require an entity that is endorsed to give the Commissioner information or a document that is relevant to the entity's entitlement to endorsement. The entity must comply with the requirement.

Note 1: The conditions for an entity to be entitled to be endorsed are set out in:

- (a) subsections 176-1(2) and 176-5(2) of the *A New Tax System (Goods and Services Tax) Act 1999*; and
- (b) subsections 123C(2) and (4), 123D(2) and 123E(2) of the *Fringe Benefits Tax Assessment Act 1986*; and
- (c) sections 30-120 and 50-105 of the *Income Tax Assessment Act 1997*.

Note 2: Failure to comply with this subsection is an offence against section 8C. Also, the Commissioner may revoke the endorsement of the entity under section 426-55 if it fails to comply with this subsection.

Note 3: Section 426-50 modifies the way this subsection operates in relation to partnerships and unincorporated bodies.

- (2) The requirement:
- (a) is to be made by notice in writing to the entity; and
 - (b) may ask the entity to give the information in writing; and
 - (c) must specify:
 - (i) the information or document the entity is to give; and
 - (ii) the period within which the entity is to give the information or document.

The period specified under subparagraph (c)(ii) must end at least 28 days after the notice is given.

- (3) The Commissioner may give the notice by way of electronic transmission. This does not limit the ways in which the Commissioner may give the notice.
- (4) If the requirement is for the entity to give information in writing, the document setting out the information:
- (a) must be given to the Commissioner; and
 - (b) may be *lodged electronically; and
 - (c) must be signed for the entity, or include the entity's *electronic signature if the document is lodged electronically.

426-45 Telling Commissioner of loss of entitlement to endorsement

- (1) Before, or as soon as practicable after, an entity that is endorsed ceases to be entitled to be endorsed, the entity must give the Commissioner written notice of the cessation.

Note 1: Failure to comply with this subsection is an offence against section 8C.

Note 2: Section 426-50 modifies the way this subsection operates in relation to partnerships and unincorporated bodies.

- (2) The notice:
- (a) may be *lodged electronically; and
 - (b) must be signed for the entity, or include the entity's *electronic signature if the document is lodged electronically.
- (3) Subsection (1) does not apply to an entitlement to endorsement ceasing because the entity ceases to have an *ABN.

426-50 Partnerships and unincorporated bodies

Application to partnerships

- (1) If, apart from this subsection, section 426-40 or 426-45 would impose an obligation on a partnership, the obligation is imposed on each partner, but may be discharged by any of the partners.

Application to unincorporated bodies

- (2) If, apart from this subsection, section 426-40 or 426-45 would impose an obligation on an unincorporated association or body, the obligation is imposed on each member of the committee of management of the association or body, but may be discharged by any of the members of the committee.

Defences for partners and members of committee of management

- (3) In a prosecution of a person for an offence against section 8C of this Act because of subsection (1) or (2), it is a defence if the person proves that the person:
- (a) did not aid, abet, counsel or procure the act or omission because of which the offence is taken to have been committed; and

- (b) was not in any way, by act or omission, directly or indirectly, knowingly concerned in, or party to, the act or omission because of which the offence is taken to have been committed.

426-55 Revoking endorsement

- (1) The Commissioner may revoke the endorsement of an entity if:
 - (a) the entity is not entitled to be endorsed; or
 - (b) the Commissioner has required the entity under section 426-40 to provide information or a document that is relevant to its entitlement to endorsement and the entity has not provided the required information or document within the time specified in the requirement; or
 - (c) in the case of an entity endorsed under section 30-120 of the *Income Tax Assessment Act 1997*—the entity has contravened Subdivision 30-CA of that Act (which requires the entity to ensure that certain things are stated in any receipts it issues for certain gifts).

Note: The conditions for an entity to be entitled to be endorsed are set out in:

- (a) subsections 176-1(2) and 176-5(2) of the *A New Tax System (Goods and Services Tax) Act 1999*; and
 - (b) subsections 123C(2) and (4), 123D(2) and 123E(2) of the *Fringe Benefits Tax Assessment Act 1986*; and
 - (c) sections 30-120 and 50-105 of the *Income Tax Assessment Act 1997*.
- (2) The revocation has effect from a day specified by the Commissioner (which may be a day before the Commissioner decided to revoke the endorsement).
 - (3) However, if the Commissioner revokes the endorsement because the entity is not entitled to it, the Commissioner must not specify a day before the day on which the entity first ceased to be entitled.
 - (4) The Commissioner must give the entity written notice if the Commissioner revokes its endorsement.
 - (5) The Commissioner may give the notice by way of electronic transmission. This does not limit the ways in which the Commissioner may give the notice.

426-60 Review of revocation of endorsement

If the entity is dissatisfied with the revocation of its endorsement, the entity may object against the revocation in the manner set out in Part IVC of this Act.

Note: That Part provides for review of the revocation objected against.
