Part 4A—Child care subsidy

Division 1—Introduction

85AA Simplified outline of this Part

An individual whose child is attending a child care service may be eligible for child care subsidy (CCS) in relation to the fees charged by the service.
--

In some circumstances, the individual may be eligible for additional child care subsidy (ACCS) instead.

The child care service must be approved and the individual must meet the eligibility criteria for CCS or ACCS.

Generally, for CCS, the eligibility criteria relate to the child's relationship to the individual, the child's age and immunisation status and the individual's residency status.

For ACCS, the individual must be eligible for CCS and meet some additional criteria.

The approved provider of a child care service may be eligible for ACCS (child wellbeing) (relating to a child at risk of serious abuse or neglect) when there is no eligible individual, if the service is approved and certain additional criteria are met.

85AB Constitutional basis

- (1) Without limitation, the provisions of this Act and the Family Assistance Administration Act in relation to child care subsidy and additional child care subsidy (including provisions in relation to approved providers) rely on:
 - (a) the Commonwealth's legislative powers under paragraphs 51(xxiiiA), (xxix) and (xxxix) of the Constitution; and
 - (b) any implied legislative powers of the Commonwealth.
- (2) For the purposes of reliance on paragraph 51(xxix) of the Constitution and without limitation, the provisions of this Act and the Family Assistance Administration Act in relation to child care subsidy and additional child care subsidy (including provisions in relation to approved providers) are intended to give effect to the Convention on the Rights of the Child done at New York on 20 November 1989.

Note: The Convention on the Rights of the Child is in Australian Treaty Series 1991 No. 4 ([1991] ATS 4) and could in 2017 be viewed in the Australian Treaties Library on the AustLII website (<http://www.austlii.edu.au>).

- (4) A certificate given by an approved provider does not take effect if the certificate would have the result that, on any particular day during the first week in which the certificate takes effect, certificates given by the provider, together with any determinations made on application by the provider under section 85CE, would be

the replacement certificate may take effect more than 28 days before the replacement certificate is given but no earlier than the day the original certificate took effect.

85CD Variation and cancellation of certificates by Secretary

- (1) If:
 - (a) a certificate given by an approved provider under section 85CB in relation to a child is in effect for a week; and

- (4) The Secretary may cancel or vary a certificate even if the certificate has ceased to have effect.

85CE Determination for ACCS (child wellbeing)

- (1) An approved provider may apply to the Secretary for a determination under this section if the provider:
 - (a) considers that a child is or was at risk of serious abuse or neglect at the time an approved child care service of the provider provides or provided a session of care to the child; and
 - (b) is unable to give a certificate because of subsection 85CB(3) or (4).
-

Note: Before making the application, the provider must give notice to an appropriate State/Territory body in accordance with section 204K of the Family Assistance Administration Act.

- (2) The application must:
- (a) be made in a form and manner approved by the Secretary; and
 - (b) contain the information, and be accompanied by the documents, required by the Secretary.
- (3) The Secretary must, no later than 28 days after the day the application is made:
- (a) if satisfied that the child is or was at risk of serious abuse or neglect on a day (an *at risk day*)—make a written determination to that effect; and
 - (b) otherwise—refuse the application.

Note: Persons whose interests are affected by the decision must be notified of the decision and of their right to have it reviewed (see section 27A of the AAT Act).

- (4) If the Secretary neither makes a determination nor refuses the application by the end of the 28 days after the day the application was made, the Secretary is taken at that time to have refused the application. Subsection 27A(1) of the AAT Act does not apply to such a refusal.

Note: This means the Secretary is not required to give notice of the refusal.

41 Schedule 2

Repeal the Schedule, substitute:

Schedule 2—Amounts of child care subsidy and additional child care subsidy

Note: See Division 6 of Part 4A.

Part 1—Amount of child care subsidy

1 Amount of child care subsidy

- (1) If an individual is eligible for CCS for at least one session of care provided by an approved child care service to a child in a week, work out the amount of child care subsidy for the individual for the week, for sessions of care provided by the service to the child, using the following method statement.

Method statement

Step 1. Work out the individual's activity test result, in relation to the child, for the CCS fortnight that includes the week (see clause 11 of this Schedule).

If the activity test result is zero, the amount of child care subsidy for the individual for the week, for the sessions of care provided by the service to the child, is nil.

Otherwise, go to step 2.

Step 2. Work out whether the annual cap applies to the individual for the income year in which the CCS fortnight starts (see subclause (2)).

If the annual cap:

- (a) applies; and
- (b) has already been reached for the child for the income year (see subclause (3));

the amount of child care subsidy for the individual for the week, for the sessions of care provided by the service to the child, is nil.

Otherwise, go to step 3.

Step 3. Identify all the sessions of care:

- (a) provided by the service to the child in the week;
and
- (b) for which the individual is eligible for CCS.

Step 4. Work out the hourly rate of CCS for the individual for each of those sessions of care (see clause 2).

If the applicable percentage is 0% for each of those sessions of care, the amount of child care subsidy for the individual for the week, for those sessions, is nil.

Otherwise, go to step 5.

Step 5. Work out the activity-tested amount of CCS for those sessions of care (see clause 4).

Step 6. The amount of CCS for the individual for the week, for the sessions of care identified in step 3, is:

- (a) the activity-tested amount; or
- (b) if the annual cap applies to the individual for the income year in which the CCS fortnight that includes the week starts, and the difference between the annual cap and the total previous CCS (see subclause (3)) is less than the activity-tested amount—that difference.

Note: An individual who is receiving CCS by fee reduction might have a lower amount passed on than the amount worked out under this method statement, because of a withholding amount in relation to the payment. See sections 67EB and 201A of the Family Assistance Administration Act.

- (2) The **annual cap** of \$10,000 applies to an individual for an income year if the adjusted taxable income of the individual for the income year exceeds the amount that is the lower income threshold plus \$120,000.

Note: The \$10,000 amount is indexed under Schedule 4.

- (3) The annual cap that applies to an individual is reached for a child for an income year if the following amounts (the **total previous CCS**) together equal the annual cap:
- (a) CCS the individual is entitled to be paid for sessions of care provided to the child in CCS fortnights starting in the income year;
 - (b) if the individual is a member of a couple for the whole of the income year in which the CCS fortnight starts—CCS the other member of the couple is entitled to be paid for sessions of care provided to the same child in CCS fortnights starting in the income year.

2 Hourly rate of CCS

- (1) For the purposes of step 4 of the method statement in clause 1, the **hourly rate of CCS** for the individual, for a session of care provided by the service to the child in the week, is the individual's applicable percentage (see clause 3) of the lower of:
- (a) the hourly session fee for the individual; and
 - (b) the CCS hourly rate cap for the session;
- rounded to the nearest cent (rounding 0.5 cents upwards).

Note: If the applicable percentage for a session of care is 0% (see table item 6 of subclause 3(1)), the hourly rate of CCS for the individual for the session of care is nil.

- (2) The **hourly session fee** for an individual, for a session of care provided to a child, is the amount the individual or the individual's partner is liable to pay for the session of care:
- (a) divided by the number of hours in the session of care; and
 - (b) reduced by:
 - (i) the hourly rate of any subsidy (other than CCS or ACCS) which the individual benefits from in respect of that session; and

- (ii) the amount per hour of any reimbursement fringe benefit in respect of the session of care (see subclause (5)).
- (3) Work out the **CCS hourly rate cap** for a session of care using the following table.

CCS hourly rate cap		
Item	If the session of care is provided by:	The CCS hourly rate cap is:
1	a centre-based day care service	\$11.55
2	a family day care service	\$10.70
3	an outside school hours care service	\$10.10
4	a type of service prescribed by the Minister's rules	the dollar amount prescribed by the Minister's rules

Note: The dollar amounts referred to in the table are indexed under Schedule 4.

- (4) The Minister's rules may prescribe criteria for determining by which of the types of service mentioned in the table in subclause (3) any particular session of care is provided.
- (5) A **reimbursement fringe benefit** in respect of a session of care is the amount by which an individual or the individual's partner is reimbursed by a person in respect of the individual's or partner's liability to pay for the session of care, if the reimbursement:
- is a fringe benefit within the meaning of the *Fringe Benefits Tax Assessment Act 1986*; or
 - would be such a fringe benefit but for paragraph (g) of the definition of **fringe benefit** in subsection 136(1) of that Act.

3 Applicable percentage

- (1) An individual's **applicable percentage** for a session of care provided to a child in a CCS fortnight is determined by the following table.

Schedule 1 Main amendments

Applicable percentage		
Item	If the individual's adjusted taxable income for the income year in which the CCS fortnight starts is:	Then the applicable percentage for the individual is:
1	equal to or below the lower income threshold	85%
2	above the lower income threshold and below the second income threshold	see subclause (2)
3	equal to or above the second income threshold and below the third income threshold	50%
4	equal to or above the third income threshold and below the fourth income threshold	see subclause (3)
5	equal to or above the fourth income threshold and below the upper income threshold	20%
6	equal to or above the upper income threshold	0%

- (2) If table item 2 applies, work out the individual's **applicable percentage** for the session of care using the following formula and rounding the result to 2 decimal places:

$$85 - \left(\frac{\text{Individual's adjusted taxable income} - \text{Lower income threshold}}{3,000} \right)$$

- (3) If table item 4 applies, work out the individual's **applicable percentage** for the session of care using the following formula and rounding the result to 2 decimal places:

$$50 - \left(\frac{\text{Individual's adjusted taxable income} - \text{Third income threshold}}{3,000} \right)$$

- (4) In this Act:

lower income threshold means \$65,710.

Note: This amount is indexed under Schedule 4.

second income threshold means the lower income threshold plus \$105,000.

third income threshold means the lower income threshold plus \$184,290.

fourth income threshold means the lower income threshold plus \$274,290.

upper income threshold means the lower income threshold plus \$284,290.

4 Activity-tested amount of CCS

- (1) For the purposes of step 5 of the method statement in clause 1, the ***activity-tested amount*** of CCS, for the sessions of care identified in step 3 of the method statement, is the amount worked out by:
 - (a) for each session of care—multiplying the hourly rate of CCS for the session by the number of hours in the session, up to the lower of:
 - (i) the balance of the activity test result worked out under subclause (2) in relation to the session; and
 - (ii) if the Secretary is satisfied that it is appropriate, for the CCS fortnight, to have regard to an election (if any) made under subclause (3)—the number determined in accordance with the election; and
 - (b) adding the results together.
- (2) The balance of the activity test result, in relation to a particular session of care, is the individual's activity test result in relation to the child for the CCS fortnight, reduced (but not below zero) by:
 - (a) the number of hours (if any) for which either of the following is entitled to be paid CCS or ACCS for sessions of care provided to the child in the CCS fortnight:
 - (i) the individual;
 - (ii) if the individual was a member of a couple on each day in the CCS fortnight—the individual's partner; and
 - (b) the number of hours in any earlier sessions of care identified in step 3 of the method statement.

- (3) If a circumstance prescribed by the Minister's rules exists in relation to an individual, the individual may, in a form and manner approved by the Secretary, give the Secretary a written election for the purposes of subparagraph (1)(a)(ii).

Part 2—Amount of ACCS (child wellbeing), ACCS (temporary financial hardship) or ACCS (grandparent) for an individual

5 Amount of ACCS (child wellbeing), ACCS (temporary financial hardship) or ACCS (grandparent) for an individual

If an individual is eligible for ACCS (child wellbeing), ACCS (temporary financial hardship) or ACCS (grandparent) for at least one session of care provided by an approved child care service to a child in a week, work out the amount of ACCS for the individual for the week, for sessions of care provided by the service to the child, using the method statement in clause 1 with the following modifications:

- (a) read references to CCS as references to the kind of ACCS the individual is eligible for (except in subclause 4(2));
- (b) do not use step 2 (annual cap);
- (c) at steps 4 and 5, use the hourly rate of ACCS (see clause 6) instead of the hourly rate of CCS;
- (d) replace step 6 with this:

Step 6. The amount of ACCS for the individual for the week, for the sessions of care identified in step 3, is the activity-tested amount.

6 Hourly rate of ACCS (child wellbeing), ACCS (temporary financial hardship) or ACCS (grandparent)

- (1) For the purposes of paragraph 5(c), the *hourly rate of ACCS* for the individual, for a session of care provided by the service to the child in the week, is 100% of the lower of:

-
- (a) the hourly session fee for the individual (see subclause 2(2));
and
 - (b) the ACCS hourly rate cap for the session.
- (2) The **ACCS hourly rate cap** for a session of care provided by a service to a child is the following percentage of the CCS hourly rate cap (see subclause 2(3)) for the session:
- (a) 120%;
 - (b) if a higher percentage applies under the Secretary's rules and paragraph (c) does not apply—that higher percentage;
 - (c) if the Secretary is satisfied that exceptional circumstances exist in relation to an individual or the individual's partner, or the service, and makes a written determination to that effect that applies to the session—the higher percentage specified in the determination.
- (3) A determination made under paragraph (2)(c) is not a legislative instrument.

Part 3—Amount of ACCS (transition to work)

7 Amount of ACCS (transition to work)

If an individual is eligible for ACCS (transition to work) for at least one session of care provided by an approved child care service to a child in a week, work out the amount of ACCS (transition to work) for the individual for the week, for sessions of care provided by the service to the child, using the method statement in clause 1 with the following modifications:

- (a) read references to CCS as references to ACCS (transition to work) (except in subclause 4(2));
- (b) do not use step 2 (annual cap);
- (c) at step 4, work out the hourly rate of CCS for the individual using 95% instead of the applicable percentage in clause 3;
- (d) replace step 6 with this:

Step 6. The amount of ACCS (transition to work) for the individual for the week, for the sessions of care identified in step 3, is the activity-tested amount.

Part 4—Amount of ACCS (child wellbeing) for an approved provider

8 Amount of ACCS (child wellbeing) for an approved provider

If an approved provider is eligible for ACCS (child wellbeing) for at least one session of care provided by an approved child care service of the provider to a child in a week, work out the amount of ACCS (child wellbeing) for the provider for the week, for sessions of care provided by the service to the child, using the following method statement.

Method statement

- Step 1. Work out the provider's deemed activity test result for the child and service for the CCS fortnight that includes the week (see clause 16).
- Step 2. Identify all the sessions of care:
- (a) provided by the service to the child in the week; and
 - (b) for which the provider is eligible for ACCS (child wellbeing).
- Step 3. Work out the hourly rate of ACCS for the provider for each of those sessions of care (see clause 9).
- Step 4. Work out the activity-tested amount of ACCS for those sessions of care (see clause 10).

Step 5. The amount of ACCS (child wellbeing) for the provider for the week, for the sessions of care identified in step 2, is the activity-tested amount.

9 Hourly rate of ACCS for a provider

- (1) For the purposes of step 3 of the method statement in clause 8, the **hourly rate of ACCS** for the provider, for a session of care provided to a child in a week, is 100% of the lower of:
 - (a) the hourly session fee for the provider; and
 - (b) the ACCS hourly rate cap for the session (see subclause 6(2)).
- (2) The **hourly session fee** for a provider, for a session of care provided to a child, is the amount the provider would ordinarily charge an individual who is eligible for CCS for the session of care:
 - (a) divided by the number of hours in the session of care; and
 - (b) reduced by the hourly rate of any subsidy (other than CCS or ACCS) which the provider benefits or would have benefited from in respect of that session.

10 Activity-tested amount of ACCS for an approved provider

- (1) For the purposes of step 4 of the method statement in clause 8, the **activity-tested amount** of ACCS, for the sessions of care identified in step 2 of the method statement, is the amount worked out by:
 - (a) for each session of care—multiplying the hourly rate of ACCS for the session by the number of hours in the session up to the balance of the deemed activity test result worked out under subclause (2) in relation to the session; and
 - (b) adding the results together.
- (2) The balance of the deemed activity test result, in relation to a particular session of care, is the provider's deemed activity test result for the child and the service for the CCS fortnight, reduced (but not below zero) by:

- (a) the number of hours (if any) for which the provider is entitled to be paid ACCS for sessions of care provided to the child by the service in the CCS fortnight; and
- (b) the number of hours in any earlier sessions of care identified in step 2 of the method statement.

Part 5—Activity test

 - (b) if the individual is a member of a couple on the first day of the CCS fortnight—the lower of the following:
 - (i) the result worked out in accordance with paragraph (a) for the individual in relation to the child;
 - (ii) the result worked out in accordance with paragraph (a) for the individual’s partner in relation to the child, assuming that any estimate of adjusted taxable income that applies for the individual also applies for the partner for the purposes of the low income result in clause 13.

Part 3A—Payment of child care subsidy and additional child care subsidy

Division 1—Introduction

67AA Simplified outline of this Part

Individuals must make a claim for CCS in order to become entitled to be paid CCS or ACCS in relation to child care provided to a child.

In order to become entitled to be paid ACCS (grandparent) or ACCS (transition to work), an application is needed as well as the claim for CCS.

The Secretary will determine whether an individual is eligible for CCS for a child. If the individual is eligible, weekly determinations are then made about how much (if any) CCS or ACCS is to be paid each week.

Weekly payments are mostly made via the child care service provider, who will pass them on to the individual (usually as a fee reduction).

Broadly, recipients of CCS and ACCS have responsibilities to keep the Secretary informed about changes in their circumstances that might affect their eligibility for or entitlement to CCS or ACCS, and to respond to requests for information.

An approved provider who is eligible for ACCS (child wellbeing) for a child does not need to make a claim, but does need to make a declaration in order to become entitled to be paid the ACCS. Providers also have responsibilities to keep the Secretary informed and respond to requests for information.

It is also possible for individuals to claim CCS or ACCS in substitution for an individual who has died. If an individual is entitled to be paid such an amount, it is paid directly to the individual.

Note: For the constitutional basis of the provisions of this Act in relation to child care subsidy and additional child care subsidy (including provisions in relation to approved providers), see section 85AB of the Family Assistance Act.

67AB Forms of CCS and ACCS

- (1) An individual may, in accordance with this Part, become entitled to be paid:
 - (a) CCS by fee reduction;
 - (b) ACCS by fee reduction;
 - (c) CCS or ACCS in substitution for an individual who has died.
- (2) An approved provider may, in accordance with this Part, become entitled to be paid ACCS (child wellbeing).

Division 2—Making claims

67BA Simplified outline of this Division

Claims for CCS must include particular information and be made in a particular way. Among other things, information is needed about bank account details and tax file numbers.

A claim that does not meet the requirements is taken not to have been made.

67BB Need for a claim

The only way that an individual (other than an approved provider) can become entitled to be paid CCS or ACCS is to make a claim in respect of a child for CCS in accordance with this Division.

Note 1: As well as making a claim for CCS, an individual who wants to be paid ACCS (grandparent) or ACCS (transition to work) must apply for that kind of ACCS. See paragraphs 67CD(4)(a) and (6)(a).

Note 2: An approved provider does not have to make a claim to be entitled to be paid ACCS (child wellbeing), but does need to make a declaration. See paragraph 67CH(1)(c).

67BC Who can claim

The only persons who can make a claim for CCS in accordance with this Division are individuals.

67BD Kinds of claims

An individual may make a claim in respect of a child for CCS:

- (a) by fee reduction; or
- (b) in substitution for an individual who has died.

67BE When a claim is effective

A claim made by an individual in respect of a child for CCS is effective if:

- (a) the claim is made in a form and manner approved by the Secretary; and
- (b) the claim contains the information, and is accompanied by the documents, required by the Secretary; and
- (c) the bank account requirements in section 67BG are met for the purposes of the claim; and
- (d) unless paragraph (e) applies—the tax file number requirements in section 67BH are met for the purposes of the claim; and
- (e) if the claim is for CCS in substitution for an individual who has died—the tax file number requirements in section 67BI are met for the purposes of the claim; and
- (f) if the claim is for CCS in substitution for an individual who has died—the claim is made before the end of the income year after the income year in which the individual died; and
- (g) any other requirements in the Secretary's rules are met; and
- (h) no other provision in this Division prevents the claim being effective.

67BF Claims that are taken not to have been made

- (1) A claim that is not effective is taken not to have been made.

- (b) makes a written determination to that effect.
- (4) A determination made under paragraph (3)(b) is not a legislative instrument.

For purposes of determination

Division 3—Determinations

Subdivision A—Entitlement to be paid CCS or ACCS

67CA Simplified outline of this Division

An individual or an approved provider who is eligible for CCS or ACCS is only entitled to be paid CCS or ACCS if the Secretary has made a determination to that effect.

For individuals who claim in respect of a child for CCS by fee reduction, the Secretary will make an initial determination of the individual's eligibility for CCS for the child. Once this is in effect,

determinations are made, for each week, about the individual's entitlement to CCS or ACCS that week.

To be entitled to be paid for a week, the individual must:

- (a) be eligible for CCS or ACCS (generally); and
- (b) meet some additional entitlement conditions.

The additional entitlement conditions mean that not everyone who is eligible for CCS or ACCS will be entitled to be paid for every week. In particular, individuals need to have met the CCS reconciliation conditions for previous income years for which they were entitled to CCS (usually these conditions are met by obtaining a timely tax assessment) and to have kept the Secretary up to date about changes affecting eligibility or entitlement.

Even if the Secretary determines that an individual is entitled to be paid CCS for a week, the individual might later have to repay the CCS if the individual does not meet the CCS reconciliation conditions in time. (This does not apply to ACCS.)

Determinations are also made each week in relation to an approved provider's entitlement to be paid ACCS (child wellbeing) for a child.

One-off determinations are made in relation to an individual's entitlement to be paid CCS or ACCS in substitution for an individual who has died.

67CB Entitlement to be paid CCS or ACCS

- (1) An individual or an approved provider is only entitled to be paid CCS or ACCS if the Secretary has made a determination to that effect under this Division.
- (2) The Secretary is to make determinations under this Division on the basis of the information available to the Secretary at the time of making the determination.

Note: Part 5 provides for review of determinations, including in relation to the use of information in circumstances where information becomes available after a determination is made.

-
- (3) At any time, an individual or an approved provider is entitled to be paid, in accordance with this Part, the amount of CCS or ACCS (if any) for a week specified in whichever child care decision is in effect at the time for the week.
- (4) However, an individual who is entitled to be paid CCS for sessions of care provided to a child in a week:
- (a) ceases to be entitled to be paid that CCS, and is taken never to have been entitled to be paid that CCS, if the individual has not met the CCS reconciliation conditions, for the income year in which the CCS fortnight that includes the week starts, by the first deadline for the income year; and
 - (b) cannot again become entitled to be paid that CCS if the individual does not meet the CCS reconciliation conditions for the income year by the second deadline for the income year.
- Note: See section 105E for the determinations the Secretary is required to make in these circumstances.
- (5) Subsection (4) applies despite any other provision of this Act or the Family Assistance Act or any determination in effect to the contrary.

Subdivision B—Determinations for individuals claiming CCS by fee reduction

67CC Determination of individual's eligibility for CCS by fee reduction

Determination on effective claim

- (1) If an individual makes an effective claim in respect of a child for CCS by fee reduction, the Secretary must determine:
- (a) if, when making the determination, the Secretary is satisfied that the requirements in subparagraphs 85BA(1)(a)(i) to (iv) of the Family Assistance Act are met in relation to the claim—that the individual is eligible for CCS by fee reduction for the child; and
 - (b) if not so satisfied—that the individual is not eligible for CCS by fee reduction for the child.

Cessation of eligibility

- (2) The Secretary may determine that an individual for whom a determination under paragraph (1)(a) is in effect in relation to a child is not eligible for CCS by fee reduction for the child, if any of the following apply:
- (a) the Secretary is satisfied that the individual has ceased to be eligible, and is not reasonably likely to become eligible again, for CCS by fee reduction for sessions of care provided to the child;
 - (b) the Secretary has made determinations under subsection 67CD(8) (the individual is not entitled to be paid CCS or ACCS for sessions of care provided to the child) for at least 52 consecutive weeks (otherwise than because of subsection 105E(2));
 - (c) the child ceased to meet the immunisation requirements in section 6 of the Family Assistance Act more than 63 days ago.

Cessation of eligibility on request

- (3) The Secretary may determine that an individual for whom a determination under paragraph (1)(a) is in effect in relation to a child is not eligible for CCS by fee reduction for the child, if the individual requests the Secretary, in a form and manner approved by the Secretary, to do so. The Secretary may make the determination despite the individual being eligible.

Date of effect

- (4) A determination made under paragraph (1)(a):
- (a) takes effect on the day specified in the determination, which must be the first day for which the Secretary is satisfied that the requirements in subparagraphs 85BA(1)(a)(i) to (iv) of the Family Assistance Act are met that is also:
 - (i) the first Monday of a CCS fortnight; and
 - (ii) not more than 28 days before the day the claim was made; and
 - (b) continues in effect until any of the following happens:

-
- (i) it is superseded by a determination made under subsection (2) or (3);
 - (ii) it is set aside on review;
 - (iii) a day or event (if any) specified in the determination as the day or event on which the determination ceases to have effect;
 - (iv) the individual dies.
- (5) A determination made under paragraph (1)(b) has effect from the day the determination is made.
- (6) A determination made under subsection (2) or (3) has effect from the day specified in the determination (which may be earlier than the day the determination is made).

Division 4—Estimates etc. of adjusted taxable income

67DA Simplified outline of this Division

To work out the amount of CCS an individual is entitled to be paid for a week, it is necessary to know the individual's adjusted taxable income for the income year the week relates to.

The final amount of the individual's income for the income year usually cannot be known until after the income year has ended.

In the meantime, the Secretary is able to rely on an estimate provided by the individual, or on an indexed estimate or the indexed actual income of an earlier income year.

After the individual meets the CCS reconciliation conditions, any underpayment to the individual will generally be topped up and any overpayments become debts due to the Commonwealth.

67DB Determinations when adjusted taxable income is not known*Determinations under section 67CD*

- (1) This section applies if, at the time of making a determination under section 67CD for a week in a CCS fortnight, for an individual who is not eligible for any kind of ACCS, the individual has not met the CCS reconciliation conditions.

Estimate

- (2) The Secretary may make the determination under section 67CD on the basis of the most recent of whichever of the following estimates (if any) exists on the first Monday of the CCS fortnight:
 - (a) a reasonable estimate given to the Secretary by the individual;
 - (b) the indexed estimate stated in a notice given to the individual under section 67DC and with a start day that has arrived or passed;
 - (c) the indexed actual income stated in a notice given to the individual under section 67DD and with a start day that has arrived or passed.

No estimate

- (3) If none of the estimates referred to in subsection (2) exists on the first Monday of the CCS fortnight, the Secretary must determine under subsection 67CD(8) that the individual is not entitled to be paid CCS or ACCS.

67DC Indexed estimates

- (1) The Secretary may calculate an indexed estimate for an individual under subsection (5), with a start day chosen by the Secretary, if:
 - (a) the individual, or the individual's partner, is a claimant for CCS by fee reduction; and
 - (b) a determination is in effect under paragraph 67CC(1)(a) that the claimant is eligible for CCS for a child; and
 - (c) information about the adjusted taxable income of the individual needed to make a determination under Division 3 for the claimant is not known; and
-

- (d) the claimant has given the Secretary an estimate of the amount needed that the Secretary considers to be reasonable.
- (2) If the Secretary calculates an indexed estimate for the individual, the Secretary may give the claimant a notice:
- (a) stating the indexed estimate for the individual; and
 - (b) specifying the start day used in the Secretary's calculation (which must be the first day of a CCS fortnight at least 14 days after the day the notice is given).
- (3) The Secretary must not give a notice under subsection (2) stating an indexed estimate for the individual with a start day in an income year if the Secretary has already given a notice under subsection (2) stating an indexed estimate for that individual with a start day in the same income year.
- (4) A notice given to a claimant under subsection (2) stating an indexed estimate for an individual has no effect if, before the start day specified in the notice for the indexed estimate, the Secretary gives the claimant a notice under subsection 67DD(2) stating an indexed actual income for the same individual. Any such notice under subsection 67DD(2) must specify a start day that is no earlier than the start day specified in the superseded notice.
- (5) Calculate an indexed estimate (which may be nil) for the individual by multiplying the individual's current ATI number (see subsection (6)) by the indexation factor, rounding the result to the nearest dollar and rounding 50 cents upwards. The indexation factor is the greater of 1 and the factor worked out to 3 decimal places as follows (increasing the factor by 0.001 if it would, if worked out to 4 decimal places, end in a number greater than 4):

$$\frac{\text{AWE for the reference period in the most recent November}}{\text{AWE for the reference period in the highest previous November}}$$

where:

AWE means the amount published by the Australian Statistician in a document titled "Average Weekly Earnings" under the headings "Average Weekly Earnings, Australia—Original—Persons—All employees total earnings" (or, if any of those change, in a replacement document or under replacement headings).

highest previous November means the November in which, of all the Novembers from November 2004 to the November before the most recent November (inclusive), AWE was the highest.

most recent November means the November of the income year before the income year in which the start day occurs.

reference period, in a particular November, means the period described by the Australian Statistician as the last pay period ending on or before a specified day that is the third Friday of that November.

- (6) For the purposes of subsection (5), the individual's **current ATI number** is:
- (a) if, at the time of calculation, the Secretary has given the claimant a notice under subsection 67DD(2) stating an indexed actual income for the individual with a start day that has not arrived—the indexed actual income stated in the notice; or
 - (b) if paragraph (a) does not apply and the individual is the claimant—the amount the Secretary is permitted to use for the individual under section 67DB (disregarding the effect for couples of section 67DE of this Act and clause 3 of Schedule 3 to the Family Assistance Act); or
 - (c) if paragraph (a) does not apply and the individual is the claimant's partner—the amount the Secretary would be permitted to use for the individual under section 67DB if the individual were the claimant (disregarding the effect for couples of section 67DE of this Act and clause 3 of Schedule 3 to the Family Assistance Act).
- (7) A notice under subsection (2) is not a legislative instrument.

67DD Indexed actual incomes

- (1) The Secretary may calculate an indexed actual income for an individual under subsection (4), with a start day chosen by the Secretary, if:
- (a) the individual, or the individual's partner, is a claimant for CCS by fee reduction; and

- (b) a determination is in effect under paragraph 67CC(1)(a) that the claimant is eligible for CCS; and
 - (c) information about the adjusted taxable income of the individual needed to make a determination under Division 3 for the claimant is not known; and
 - (d) the most recent such determination made for the claimant was made on the basis of an indexed estimate or an indexed actual income; and
 - (e) since the claimant was last given a notice under subsection 67DC(2) or subsection (2) of this section stating an indexed estimate or indexed actual income for an individual, the claimant has not given the Secretary an estimate of the claimant's adjusted taxable income that the Secretary considers to be reasonable; and
 - (f) the adjusted taxable income for an income year (***actual income***) of the individual (disregarding the effect for couples of clause 3 of Schedule 3 to the Family Assistance Act) becomes known to the Secretary and it is the most recent income year for which the individual's actual income is known to the Secretary.
- (2) If:
- (a) the Secretary calculates an indexed actual income for the individual; and
 - (b) the indexed actual income is greater than the individual's current ATI number (see subsection (5));
- the Secretary may give the claimant a notice:
- (c) stating the indexed actual income for the individual; and
 - (d) specifying the start day used in the Secretary's calculation (which must be the start of a CCS fortnight at least 14 days after the day the notice is given).
- (3) A notice given to a claimant under subsection (2) stating an indexed actual income for an individual has no effect if, before the start day specified in the notice, the Secretary gives the claimant another notice under that subsection or a notice under subsection 55AA(2) stating an indexed estimate or indexed actual income for the same individual. Any other such notice must specify a start day that is no earlier than the start day specified in the superseded notice.
-

- (4) Calculate an indexed actual income (which may be nil) for the individual by multiplying the actual income of the individual which became known to the Secretary by the indexation factor, rounding the result to the nearest dollar and rounding 50 cents upwards. The indexation factor is the greater of 1 and the factor worked out to 3 decimal places as follows (increasing the factor by 0.001 if it would, if worked out to 4 decimal places, end in a number greater than 4):

$$\frac{\text{AWE for the reference period in the most recent November}}{\text{AWE for the reference period in the highest previous November}}$$

where:

AWE means the amount published by the Australian Statistician in a document titled “Average Weekly Earnings” under the headings “Average Weekly Earnings, Australia—Original—Persons—All employees total earnings” (or, if any of those change, in a replacement document or under replacement headings).

highest previous November means the November in which, of all the Novembers from November 2004 to the November before the most recent November (inclusive), AWE was the highest.

most recent November means the November of the income year before the income year in which the start day occurs.

reference period, in a particular November, means the period described by the Australian Statistician as the last pay period ending on or before a specified day that is the third Friday of that November.

- (5) For the purposes of paragraph (2)(b), the individual’s **current ATI number** is:
- (a) if, at the time of calculation, the Secretary has given the claimant a notice under subsection 67DC(2) or subsection (2) of this section stating an indexed estimate or indexed actual income for the individual with a start day that has not arrived—the indexed estimate or indexed actual income stated in the notice; or
 - (b) if paragraph (a) does not apply and the individual is the claimant—the amount the Secretary is permitted to use for

the individual under section 67DB (disregarding the effect for couples of section 67DE of this Act and clause 3 of Schedule 3 to the Family Assistance Act); or

- (c) if paragraph (a) does not apply and the individual is the claimant's partner—the amount the Secretary would be permitted to use for the individual under section 67DB if the individual were the claimant (disregarding the effect for couples of section 67DE of this Act and clause 3 of Schedule 3 to the Family Assistance Act).

- (6) A notice under subsection (2) is not a legislative instrument.

67DE Indexed estimates and indexed actual incomes for members of couples

- (1) This section applies in relation to any individual who is a member of a couple.
- (2) For the purposes of this Act or the Family Assistance Act, any reference to a determination under section 67CD being made on the basis of an indexed estimate, or an indexed actual income, for an individual or stated in a notice, is affected by subsection (3).
- (3) The reference is taken to be a reference to the determination being made on the basis of the indexed estimate, or the indexed actual income, for that individual or stated in that notice, combined with:
 - (a) the indexed estimate or indexed actual income for the individual's partner stated in a notice given to:
 - (i) if the individual is the claimant for CCS or ACCS (grandparent)—the individual; or
 - (ii) if the individual is the partner of the claimant—the individual's partner;under subsection 67DC(2) or 67DD(2) with the most recent start day that has arrived or passed; or
 - (b) if there is no such indexed estimate or indexed actual income—a reasonable estimate of the adjusted taxable income of the individual's partner (disregarding the effect of clause 3 of Schedule 3 to the Family Assistance Act) that has been given to the Secretary by the individual.

Division 5—Payments

67EA Simplified outline of this Division

If an individual is entitled to be paid CCS or ACCS by fee reduction for sessions of care provided to a child in a week:

- (a) the Secretary pays the amount to the provider of the child care service (less a withholding amount in the case of CCS); and
- (b) the provider must pass on the amount to the individual within 14 days (whether as a fee reduction or in any other way). The provider's obligation to pass on the amount is dealt with in section 201A.

If the individual does not receive their full entitlement in this way, the entitlement is paid directly to them, though usually not until after the CCS reconciliation conditions are met.

Approved providers who are entitled to be paid ACCS (child wellbeing), and individuals who are entitled to be paid CCS or ACCS in substitution for an individual who has died, are paid their entitlements directly.

67EB Payments to providers of individuals' entitlements to CCS or ACCS by fee reduction

- (1) If a fee reduction decision is made for an individual in relation to sessions of care provided by a child care service to a child, the Secretary must pay the fee reduction amount for the decision to the credit of a bank account nominated and maintained by the provider of the service.

Note: However, the Secretary may instead pay the fee reduction amount directly to the individual (see subsection 67EC(2)).

- (2) The following table sets out the decisions that are *fee reduction decisions* and the amount that is the *fee reduction amount* for each such decision. A reference to a provider being given notice of a fee reduction decision is a reference to the provider being given notice

After CCS reconciliation conditions met

- (4) If:
- (a) an individual is entitled to be paid CCS or ACCS by fee reduction for sessions of care provided by an approved child care service in CCS fortnights starting in an income year (the **relevant income year**); and
 - (b) the individual meets the CCS reconciliation conditions for the relevant income year no later than the second deadline for the relevant income year; and
 - (c) the total of the fee reduction amounts passed on by the provider of the service to the individual under section 201A, for fee reduction decisions for weeks in CCS fortnights starting in the relevant income year, is less than the total amount of CCS or ACCS the individual is entitled to be paid for those weeks;
- the Secretary must pay so much of the difference as has not already been paid under subsection (1), (2) or (3) to the individual under subsection (5).

How amounts are to be paid under this section
