### 13 At the end of Part IVA

Add:

#### 177H Diverted profits tax—objects

- (1) The primary objects of the DPT provisions are:
- (a) to ensure that the Australian tax payable by significant global entities properly reflects the economic substance of the activities that those entities carry on in Australia; and
  - (b) to prevent those entities from reducing the amount of Australian tax they pay by diverting profits offshore through contrived arrangements between related parties.
- (2) In addition, the DPT provisions (in combination with Division 145 in Schedule 1 to the *Taxation Administration Act 1953*) have the object of encouraging significant global entities to provide sufficient information to the Commissioner to allow for the timely resolution of disputes about Australian tax.

#### 177J Diverted profits tax—application

*Scheme for a purpose including obtaining a tax benefit etc.*

- (1) This Part also applies to a scheme, in relation to a tax benefit (the **DPT tax benefit**) if:
- (a) a taxpayer (a **relevant taxpayer**) has obtained, or would but for section 177F obtain, the DPT tax benefit in connection with the scheme, in a year of income; and
  - (b) it would be concluded (having regard to the matters in subsection (2)) that the person, or one of the persons, who entered into or carried out the scheme or any part of the

---

scheme did so for a principal purpose of, or for more than one principal purpose that includes a purpose of:

- (i) enabling the relevant taxpayer to obtain a tax benefit, or both to obtain a tax benefit and to reduce one or more of the relevant taxpayer's liabilities to tax under a foreign law, in connection with the scheme; or
- (ii) enabling the relevant taxpayer and another taxpayer (or other taxpayers) each to obtain a tax benefit, or both to obtain a tax benefit and to reduce one or more of their liabilities to tax under a foreign law, in connection with the scheme;

whether or not that person who entered into or carried out the scheme or any part of the scheme is the relevant taxpayer or is the other taxpayer or one of the other taxpayers; and

- (c) the relevant taxpayer is a significant global entity for the year of income mentioned in paragraph (a); and
- (d) a foreign entity is an associate (within the meaning of section 318) of the relevant taxpayer at any time in the year of income mentioned in paragraph (a); and
- (e) that foreign entity:
  - (i) is the person, or one of the persons, who entered into or carried out the scheme or any part of the scheme; or
  - (ii) is otherwise connected with the scheme or any part of the scheme; and
- (f) the relevant taxpayer is not any of the following:
  - (i) a managed investment trust (within the meaning of the *Income Tax Assessment Act 1997*);
  - (ii) an entity covered by paragraph 275-20(4)(f) of that Act (foreign collective investment vehicle with a wide membership);
  - (iii) an entity covered by paragraph 275-20(4)(h) of that Act (entity owned by foreign government etc.) that is a foreign entity;
  - (iv) a complying superannuation entity (within the meaning of that Act);
  - (v) a foreign pension fund (within the meaning of that Act); and

- (g) it is reasonable to conclude that none of the following sections apply in relation to the relevant taxpayer, in relation to the DPT tax benefit:
  - (i) section 177K (\$25 million income test);
  - (ii) section 177L (sufficient foreign tax test);
  - (iii) section 177M (sufficient economic substance test).

*Have regard to certain matters*

- (2) For the purposes of paragraph (1)(b), have regard to the following matters:
  - (a) the matters in subsection 177D(2);
  - (b) without limiting subsection 177D(2), the extent to which non-tax financial benefits that are quantifiable have resulted, will result, or may reasonably be expected to result, from the scheme;
  - (c) the result, in relation to the operation of any foreign law relating to taxation, that (but for this Part) would be achieved by the scheme;
  - (d) the amount of the tax benefit mentioned in paragraph (1)(b).

*Deferral of foreign tax liabilities*

- (3) For the purposes of paragraph (1)(b), a deferral of a taxpayer's liabilities to tax under a foreign law is taken to be a reduction of those liabilities, unless there are reasonable commercial grounds for the deferral.

*Modification where thin capitalisation provisions apply*

- (4) Subsection (5) applies if:
  - (a) Division 820 of the *Income Tax Assessment Act 1997* (about thin capitalisation) applies to the relevant taxpayer for the year of income mentioned in paragraph (1)(a); and
  - (b) the DPT tax benefit includes all or part of a debt deduction (within the meaning of that Act); and
  - (c) the calculation of the amount of the DPT tax benefit involves applying a rate to a debt interest (within the meaning of that Act).

- 
- (5) For the purposes of the DPT provisions, in calculating the amount of the DPT tax benefit, apply the rate to the debt interest the entity actually issued (rather than the debt interest that would have existed if the scheme had not been entered into or carried out).

*Modification where foreign entity is CFC*

- (6) Subsection (6A) applies if:
- (a) the foreign entity mentioned in paragraph (1)(d) is a CFC (within the meaning of Part X); and
  - (b) an amount of attributable income (within the meaning of that Part) of the foreign entity has been included as a result of the operation of that Part in the assessable income of:
    - (i) the relevant taxpayer; or
    - (ii) an associate (within the meaning given by section 318) of the relevant taxpayer, if the associate is a Part X Australian resident (within the meaning of that Part) and is not a trust or partnership.
- (6A) For the purposes of the DPT provisions, reduce the DPT tax benefit to the extent to which the amount included in assessable income as mentioned in paragraph (6)(b):
- (a) would not have been so included if the scheme had not been entered into or carried out; and
  - (b) is directly referable to the DPT tax benefit.

*Schemes outside Australia*

- (7) This section applies whether or not the scheme has been or is entered into or carried out in Australia or outside Australia or partly in Australia and partly outside Australia.

*Non-limitation in relation to other provisions in this Part*

- (8) This section:
- (a) does not limit section 177D, 177DA, 177E, 177EA or 177EB; and
  - (b) is not limited by those sections.

**177K Diverted profits tax—\$25 million income test**

- (1) This section applies in relation to the relevant taxpayer, in relation to the DPT tax benefit, if the sum of the following does not exceed \$25 million:
  - (a) the assessable income of the relevant taxpayer for the year of income mentioned in paragraph 177J(1)(a);
  - (b) the exempt income of the relevant taxpayer for that year of income;
  - (c) the non-assessable non-exempt income of the relevant taxpayer for that year of income;
  - (d) the assessable income of each entity covered by subsection (2) for that year of income;
  - (e) if the DPT tax benefit is a tax benefit mentioned in paragraph 177C(1)(a)—the amount of the DPT tax benefit.
- (2) An entity is covered by this subsection if for the year of income mentioned in paragraph 177J(1)(a):
  - (a) the entity is an associate (within the meaning given by section 318) of the relevant taxpayer; and
  - (b) both the entity and the relevant taxpayer:
    - (i) are members of the same global group; and
    - (ii) are significant global entities because they are members of that group.

**177L Diverted profits tax—sufficient foreign tax test**

- (1) This section applies in relation to the relevant taxpayer, in relation to the DPT tax benefit, if the amount worked out under subsection (2) (foreign tax liability) equals or exceeds 80% of the amount worked out under subsection (6) (reduced Australian tax liability).

*Foreign tax liability*

- (2) The amount is the total of the increases in liability for foreign income tax (within the meaning of the *Income Tax Assessment Act 1997*) of each entity covered by subsection (5) that results, will result, or may reasonably be expected to result, from the scheme

---

during a foreign tax period that corresponds to the year of income mentioned in paragraph 177J(1)(a).

- (3) The regulations may provide for a method of working out increases in foreign tax liability for the purposes of subsection (2):
  - (a) for all situations; or
  - (b) for specified situations.
- (4) If the regulations provide for such a method, apply that method in working out increases in foreign tax liability for the purposes of subsection (2) in relevant situations.
- (5) An entity is covered by this subsection if:
  - (a) the entity is a foreign entity; and
  - (b) the entity is the relevant taxpayer or an associate (within the meaning given by section 318) of the relevant taxpayer; and
  - (c) the entity:
    - (i) is the person, or one of the persons, who entered into or carried out the scheme or any part of the scheme; or
    - (ii) is otherwise connected with the scheme or any part of the scheme.

*Reduced Australian tax liability*

- (6) The amount is:
  - (a) if the DPT tax benefit is a tax benefit mentioned in paragraph 177C(1)(a), (b), (ba) or (bc)—the amount of the tax benefit multiplied by the standard corporate tax rate; or
  - (b) otherwise—the amount of the DPT tax benefit.
- (7) If the relevant taxpayer must withhold an amount in respect of withholding tax as a result of the tax benefit, reduce the amount worked out under subsection (6) by the amount withheld.

**177M Diverted profits tax—sufficient economic substance test**

- (1) This section applies in relation to the relevant taxpayer, in relation to the DPT tax benefit, if the profit made as a result of the scheme by each entity covered by subsection (2) reasonably reflects the economic substance of the entity's activities in connection with the scheme.

- (2) This subsection covers an entity if:
  - (a) the entity is the relevant taxpayer or an associate (within the meaning given by section 318) of the relevant taxpayer; and
  - (b) any of the following apply:
    - (i) the entity entered into or carried out the scheme or any part of the scheme;
    - (ii) the entity is otherwise connected with the scheme or any part of the scheme.
- (3) However, subsection (2) does not cover an entity if the entity's role in the scheme is minor or ancillary.
- (4) In determining whether the profit made as a result of the scheme by an entity reasonably reflects the economic substance of the entity's activities in connection with the scheme, have regard to:
  - (a) the functions that the entity performs in connection with the scheme, taking into account assets used and risks assumed by the entity in connection with the scheme; and
  - (b) the documents covered by section 815-135 of the *Income Tax Assessment Act 1997*, to the extent that they are relevant to the matters mentioned in paragraph (a) or to any other aspect of the determination; and
  - (c) any other relevant matters.

#### **177N Diverted profits tax—consequences**

If this Part applies to a scheme because of section 177J:

- (a) section 177P applies to the relevant taxpayer mentioned in section 177J; and
- (b) the Commissioner cannot make a determination under subsection 177F(1) or (2A) in relation to the scheme merely because of section 177J.

#### **177P Diverted profits tax—liability**

- (1) The relevant taxpayer is liable to pay tax at the rate declared by the Parliament on:
    - (a) if this Part applies to a scheme in respect of the relevant taxpayer for the year of income mentioned in
-

---

paragraph 177J(1)(a), in relation to one DPT tax benefit—the DPT base amount for that DPT tax benefit; or

- (b) if this Part applies to a scheme in respect of the relevant taxpayer for the year of income mentioned in paragraph 177J(1)(a), in relation to more than one DPT tax benefit—the sum of the DPT base amounts for those DPT tax benefits.

Note: The tax is imposed by the *Diverted Profits Tax Act 2017* and the rate of the tax is set out in that Act.

- (2) The **DPT base amount** for a DPT tax benefit is:
- (a) if the DPT tax benefit is a tax benefit mentioned in paragraph 177C(1)(a), (b), (ba) or (bc)—the amount of the DPT tax benefit; or
- (b) otherwise—the amount of the DPT tax benefit divided by the standard corporate tax rate.
- (3) The tax is due and payable at the end of 21 days after the Commissioner gives the relevant taxpayer notice of the assessment of the amount of the tax for the year of income mentioned in paragraph 177J(1)(a).

Note: For assessments of the amount of the tax see Divisions 145 and 155 in Schedule 1 to the *Taxation Administration Act 1953*.

### **177Q Diverted profits tax—general interest charge on unpaid diverted profits tax or shortfall interest charge**

If an amount of diverted profits tax or shortfall interest charge that an entity is liable to pay remains unpaid after the time by which it is due to be paid, the entity is liable to pay the general interest charge on the unpaid amount for each day in the period that:

- (a) starts at the beginning of the day by which the amount was due to be paid; and
- (b) finishes at the end of the last day on which, at the end of the day, any of the following remains unpaid:
- (i) the diverted profits tax or shortfall interest charge;
- (ii) general interest charge on any of the diverted profits tax or shortfall interest charge.

Note: The general interest charge is worked out under Part IIA of the *Taxation Administration Act 1953*.

**177R Diverted profits tax—when shortfall interest charge is payable**

An amount of shortfall interest charge that an entity is liable to pay under section 280-102C in Schedule 1 to the *Taxation Administration Act 1953* is due and payable 21 days after the day on which the Commissioner gives the entity notice of the charge.

### **145-5 DPT assessments—modified application of Division 155**

In applying Division 155 in relation to an amount of \*diverted profits tax:

- (a) apply the provisions of that Division with the modifications set out in sections 145-10 to 145-25; and
- (b) disregard sections 155-15, 155-20, 155-25, 155-30, 155-40, 155-45, 155-50, 155-55 and 155-70.

### **145-10 When DPT assessments can be made**

Despite subsection 155-5(1), the Commissioner can make an assessment (the ***DPT assessment***) of the amount of \*diverted profits tax only at a time in the period:

- (a) starting on the day on which the Commissioner first gives the entity that is the subject of the assessment a notice of assessment under Part IV of the *Income Tax Assessment Act 1936* for the income year mentioned in paragraph 177J(1)(a) of the *Income Tax Assessment Act 1936* (as that paragraph applies in relation to the amount of diverted profits tax); and
- (b) ending on the last day of the period of 7 years starting the day after that day.

### **145-15 Period of review of DPT assessments**

- (1) Despite subsection 155-35(2), the ***period of review***, for the \*DPT assessment, is:
  - (a) the period:

- (i) starting on the day on which the Commissioner first gives notice of the assessment to the entity that is the subject of the assessment under section 155-10; and
    - (ii) ending on the last day of the period of 12 months starting the day after that day; or
  - (b) if:
    - (i) the entity, by written notice given to the Commissioner, specifies a shorter period in accordance with subsection (2); and
    - (ii) the Federal Court of Australia has not made an order under subsection (3) in respect of the written notice; that shorter period; or
  - (c) if the period of review is extended under subsection 155-35(3) or (4)—the period as so extended.
- (2) For the purposes of subparagraph (1)(b)(i), the shorter period must:
- (a) start on the day mentioned in subparagraph (1)(a)(i); and
  - (b) end on a day that is at least 30 days after the day on which the entity gives the written notice to the Commissioner.
- (3) For the purposes of subparagraph (1)(b)(ii), the Federal Court of Australia may make an order under this subsection in respect of the written notice if:
- (a) the Commissioner has started to examine the entity's affairs in relation to the assessment; and
  - (b) the Commissioner has not completed the examination within the shorter period specified in the written notice; and
  - (c) the Commissioner, within 30 days after the day on which the entity gives the written notice to the Commissioner, applies to the Court for the order; and
  - (d) the Court is satisfied that it was not reasonably practicable, or it was inappropriate, for the Commissioner to complete the examination within the shorter period specified in the written notice, because of:
    - (i) any action taken by the entity; or
    - (ii) any failure by the entity to take action that it would have been reasonable for the entity to take.
- (4) Despite subsection 155-35(5), in relation to the \*DPT assessment:
-

- 
- (a) an order may be made under subsection 155-35(3) only once; and
  - (b) consent may be given under subsection 155-35(4) only once.

### **145-20 Review of assessments**

- (1) Section 155-90 does not apply during the \*period of review mentioned in section 145-15.

  - (b) apply those provisions with the modifications set out in subsection (4); and
  - (c) disregard the other provisions of that Part; and
  - (d) apply section 145-25 (restricted DPT evidence).
- (3) For the purposes of paragraph (2)(a), the provisions of that Part are as follows:
  - (a) sections 14ZL and 14ZP;
  - (b) subsection 14ZR(1);
  - (c) subsection 14ZZ(1);
  - (d) Division 5 (apart from section 14ZZS).
- (4) For the purposes of paragraph (2)(b), the modifications are as follows:
  - (a) treat the Commissioner's decision to make the \*DPT assessment as an objection decision;
  - (b) treat subsection 14ZZ(1) as reading "The entity that is the subject of the DPT assessment may appeal to the Federal Court of Australia against the objection decision.";
  - (c) treat the reference in section 14ZZN to "within 60 days after the person appealing is served with notice of the decision" as being a reference to "within 60 days after the end of the period of review mentioned in section 145-15 in Schedule 1";
  - (d) disregard paragraph 14ZZO(a);
  - (e) treat paragraph 14ZZO(b) as reading "the appellant has the burden of proving that the DPT assessment is excessive or

otherwise incorrect and what the DPT assessment should have been”;

- (f) treat the reference in section 14ZZR to a taxation decision as being a reference to the Commissioner’s decision to make the DPT assessment.

### 145-25 Restricted DPT evidence

- (1) \*Restricted DPT evidence is not admissible in evidence in proceedings under Part IVC on an appeal to the Federal Court of Australia related to the \*DPT assessment.
- (2) **Restricted DPT evidence** means information or documents that:
- (a) the entity that is the subject of the \*DPT assessment (or an associate (within the meaning of section 318 of the *Income Tax Assessment Act 1936*) of that entity), had in its custody or under its control at a time before, during or after the \*period of review; and
  - (b) the Commissioner did not have in his or her custody or under his or her control at any time in the period of review.
- (3) Subsection (1) does not prevent \*restricted DPT evidence from being admissible in evidence in the proceedings if:
- (a) the Commissioner consents to the admission of the restricted DPT evidence in accordance with subsection (4); or
  - (b) the court in which the proceedings take place considers that the admission of the restricted DPT evidence is necessary in the interests of justice; or
  - (c) the restricted DPT evidence is expert evidence that:
    - (i) comes into existence after the \*period of review; and
    - (ii) is based on evidence that the Commissioner had in his or her custody or under his or her control at any time in the period of review.
- (4) For the purposes of paragraph (3)(a), the Commissioner may give the consent if the Commissioner considers that it is reasonable to do so.
- (5) In making a decision under paragraph (3)(a) or (b), the Commissioner or the court must have regard to:
-

- (a) whether, if the \*restricted DPT evidence were not admissible in evidence in the proceedings, the remaining information or documents that are relevant to the proceedings are, or are likely to be, misleading; and
  - (b) whether it would have been reasonable for the entity that is the subject of the \*DPT assessment (or the associate of that entity mentioned in paragraph (2)(a)) to have given the Commissioner the restricted DPT evidence within the \*period of review.
- (6) The Commissioner must give a consent for the purposes of paragraph (3)(a) if failure to do so would have the effect, for the purposes of the Constitution, of making any tax or penalty incontestable.
- (7) A consent for the purposes of paragraph (3)(a) is to be in writing.
- (8) If the Commissioner gives a consent for the purposes of paragraph (3)(a), the Commissioner must give the entity that is the subject of the \*DPT assessment a copy of the consent as soon as practicable afterwards.
