#### **Division 1—Introduction**

##### **789GA Guide to this Part**

The purpose of this Part is to assist employers who qualify for the jobkeeper scheme to deal with the economic impact of the Coronavirus known as COVID-19.

This Part authorises an employer who qualifies for the jobkeeper scheme to give a jobkeeper enabling stand down direction to an employee (including to reduce hours of work).

This Part authorises an employer who qualifies for the jobkeeper scheme to give a direction to an employee about:

- (a) the duties to be performed by the employee; or
- (b) the location of the employee's work.

This Part authorises an employer who qualifies for the jobkeeper scheme and an employee to make an agreement in relation to:

- (a) the days or times when the employee is to perform work; or

- (b) the employee taking annual leave, including at half pay.

This Part provides that an employer who qualifies for the jobkeeper scheme must consult an employee (or a representative of the employee) before giving a direction.

This Part provides that:

- (a) a direction given by an employer who qualifies for the jobkeeper scheme to an employee does not apply to the employee if the direction is unreasonable in all of the circumstances; and
- (b) a direction given by an employer who qualifies for the jobkeeper scheme to an employee in relation to the duties to be performed by the employee, or the location of the employee's work, does not apply to the employee unless the employer reasonably believes the direction is necessary to continue the employment of one or more employees of the employer.

This Part provides for other safeguards relating to directions given by employers who qualify for the jobkeeper scheme, including a rule that this Part will at all times operate subject to listed laws.

This Part provides that the FWC may deal with a dispute about the operation of this Part.

Note: The core provisions of this Part (namely, Divisions 2, 3, 4, 5, 6, 9 and 11) will be repealed on 28 September 2020.

as the case requires.

## **Division 3—Jobkeeper enabling stand down**

-

- (a) after the commencement of this section, an employer of an employee gave the employee a direction (the ***jobkeeper enabling stand down direction***) to:
- (i) not work on a day or days on which the employee would usually work; or
  - (ii) work for a lesser period than the period which the employee would ordinarily work on a particular day or days; or
  - (iii) work a reduced number of hours (compared with the employee's ordinary hours of work);
- during a period (the ***jobkeeper enabling stand down period***); and
- (b) when the jobkeeper enabling stand down direction was given, the employer qualified for the jobkeeper scheme; and
- (c) the employee cannot be usefully employed for the employee's normal days or hours during the jobkeeper enabling stand down period because of changes to business attributable to:

- (a) is taking paid or unpaid leave that is authorised by the employer; or
  - (b) is otherwise authorised to be absent from the employee's employment.
- Note: An employee may take paid or unpaid leave (for example, annual leave) during all or part of a period during which the jobkeeper enabling stand down direction would otherwise apply to the employee.

### 789GK Reasonableness

A jobkeeper enabling direction given by an employer to an employee of the employer does not apply to the employee if the direction is unreasonable in all of the circumstances.

### 789GL Continuing the employment of employees

- (1) A jobkeeper enabling direction given by an employer to an employee of the employer under section 789GE (duties of work) or 789GF (location of work) has no effect unless the employer has information before the employer that leads the employer to reasonably believe that the direction is necessary to continue the employment of one or more employees of the employer.
- (2) In determining whether a jobkeeper enabling direction given by an employer to an employee of the employer (the *relevant employee*) is necessary to continue the employment of one or more employees of the employer, it is immaterial that a similar jobkeeper enabling direction could have been given by the employer to an employee of the employer other than the relevant employee.

### 789GM Consultation

- (2) The regulations may require that a notice under paragraph (1)(a) must be in a prescribed form.
- (3) Subsection (1) does not apply to a jobkeeper enabling direction (the **relevant direction**) given by an employer to an employee of the employer under a particular section of this Part if:
  - (a) the employer previously complied with paragraphs (1)(a), (b) and (c) in relation to a proposal to give the employee another direction under that section; and
  - (b) in the course of consulting the employee (or a representative of the employee) about the proposal, the employee (or the representative of the employee) expressed views to the employer; and
  - (c) the employer considered those views in deciding to give the relevant direction.
- (4) An employer must keep a written record of a consultation under paragraph (1)(c):

## **Division 8—Accrual rules**

### **789GS Accrual rules**

- (1) If a jobkeeper enabling direction under section 789GDC (jobkeeper enabling stand down) applies to an employee, the employee accrues leave entitlements as if the direction had not been given.
