

Legislative Instrument

Excise By-Law - Prescribed Condensate Production Area

I, Timothy Dyce, Deputy Commissioner of Taxation, make this By-law under section 165 of the *Excise Act 1901*.

Timothy Dyce

Deputy Commissioner of Taxation
Dated: 01 March 2019

1. Name of instrument

This instrument is *Excise By-Law - Prescribed Condensate Production Area*.

2. Commencement

This instrument commences on the day after it is registered on the Federal Register of Legislation.

3. Revoking Previous instrument

This instrument repeals and replaces *Excise By-Law 156* (F2008L04516), registered on 27 November 2008.

4. Application

This By-Law applies to condensate produced from production areas on or after the date of commencement. **Condensate** has the meaning given by subsection 4(1) of the *Excise Act 1901*.

5. By-Law

For the purposes of the definition of '**prescribed condensate production area**' in subsection 6CA(1) of the *Excise Tariff Act 1921*, the condensate production areas specified in paragraphs A, B, C and D below are prescribed.
