#### 5. Class of tax invoices that may be issued by the recipient of a taxable supply under this determination

An aggregator of **DSR**, who is a recipient of a taxable supply of **DSR** from a registered entity, may issue a tax invoice that belongs to a class of tax invoices for a taxable supply of **DSR** if they:

A recipient must satisfy the following requirements:

- (a) the recipient must be registered for GST when the tax invoice is issued
- (b) the recipient must set out in the tax invoice the ABN of the supplier
- (c) the recipient must issue the original or a copy of the tax invoice to the supplier within 28 days of making, or determining, the value of a taxable supply and must retain the original or the copy
- (d) if there is an adjustment the recipient must issue the original or a copy of an adjustment note to the supplier within 28 days of the adjustment and must retain the original or the copy
- (e) the recipient must reasonably comply with its obligations under the taxation laws, and
- (f) the recipient must have either a written agreement with the supplier that meets the requirements of paragraph 7, or a written agreement embedded in the Recipient Created Tax Invoice (RCTI) that meets the requirements of paragraph 8.

**7. Requirements of a written agreement with the supplier other than a written agreement embedded in the RCTI**

The written agreement the recipient has with the supplier must:

- (a) specify the supplies to which it relates
- (b) be current and effective when the RCTI is issued, and
- (c) contain the following conditions:
  - (i) the recipient can issue tax invoices in respect of the supplies
  - (ii) the supplier will not issue tax invoices in respect of the supplies
  - (iii) the supplier acknowledges that it is registered for GST when it enters into the agreement and that it will notify the recipient if it ceases to be registered, and
  - (iv) the recipient acknowledges that it is registered for GST when it enters into the agreement and that it will notify the supplier if it ceases to be registered.

**8. Requirements of a written agreement embedded in the RCTI**

The agreement that the recipient has with the supplier embedded in an RCTI must contain the following statement:

*The recipient and the supplier declare that this agreement applies to supplies to which this tax invoice relates. The recipient can issue tax invoices in respect of these supplies. The supplier will not issue tax invoices in respect of these supplies. The supplier acknowledges that it is registered for GST and that it will notify the recipient if it ceases to be registered. The recipient acknowledges that it is registered for GST and that it will notify the supplier if it ceases to be registered for GST. Acceptance of this RCTI constitutes acceptance of the terms of this written agreement.*

*Both parties to this supply agree that they are parties to an RCTI agreement.  
The supplier agrees to notify the recipient if the supplier does not wish to  
accept the proposed agreement within 21 days of receiving this document.*
