General disclaimer on this synthesised text document

This document presents the synthesised text for the application of the *Agreement between the Government of Australia and the Government of Finland for the Avoidance of Double Taxation with respect to Taxes on Income and the Prevention of Fiscal Evasion, and Protocol*, signed on 20 November 2006 (the “Agreement”) as modified by the *Multilateral Convention to Implement Tax Treaty Related Measures to Prevent Base Erosion and Profit Shifting* (the “MLI”) signed by Australia and Finland on 7 June 2017.

This document was prepared in consultation with the competent authority of Finland and represents our shared understanding of the modifications made to the Agreement by the MLI.

The document was prepared on the basis of the MLI position of Australia submitted to the Depositary upon ratification on 26 September 2018 and of the MLI position of Finland submitted to the Depositary upon acceptance on 25 February 2019. These MLI positions are subject to modifications as provided in the MLI. Modifications made to MLI positions could modify the effects of the MLI on the Agreement.

The sole purpose of this document is to facilitate the understanding of the application of the MLI to the Agreement and it does not constitute a source of law. The authentic legal texts of the Agreement and the MLI take precedence and remain the legal texts applicable.

The provisions of the MLI that are applicable with respect to the provisions of the Agreement are included in boxes throughout the text of this document in the context of the relevant provisions of the Agreement. The boxes containing the provisions of the MLI have generally been inserted in accordance with the ordering of the provisions of the 2017 OECD Model Tax Convention.

Changes to the text of the provisions of the MLI have been made to conform the terminology used in the MLI to the terminology used in the Agreement (such as “Covered Tax Agreement”, “Agreement” and “Convention”, “Contracting Jurisdictions” and “Contracting States”), to ease the comprehension of the provisions of the MLI. The changes in terminology are intended to increase the readability of the document and are not intended to change the substance of the provisions of the MLI. Similarly, changes have been made to parts of provisions of the MLI that describe existing provisions of the Agreement: descriptive language has been replaced by legal references of the existing provisions to ease the readability.

In all cases, references made to the provisions of the Agreement or to the Agreement must be understood as referring to the Agreement as modified by the provisions of the MLI, provided such provisions of the MLI have taken effect.

Article 5

PERMANENT ESTABLISHMENT

1. For the purposes of this Agreement, the term "permanent establishment" means a fixed place of business through which the business of the enterprise is wholly or partly carried on.

2. The term "permanent establishment" includes especially:

- a) a place of management;
- b) a branch;
- c) an office;
- d) a factory;
- e) a workshop;
- f) a mine, an oil or gas well, a quarry or any other place relating to the exploration for or exploitation of natural resources; and
- g) an agricultural, pastoral or forestry property situated in Australia.

3. A building site or construction or installation project constitutes a permanent establishment only if it lasts more than 6 months.

4. Notwithstanding the provisions of paragraphs 1, 2 and 3, where an enterprise of a Contracting State:

- a) carries on supervisory or consultancy activities in the other State for a period or periods exceeding in the aggregate 183 days in any 12 month period in connection with a building site or construction or installation project which is being undertaken in that other State;
- b) carries on activities (including the operation of substantial equipment) in the other State in the exploration for or exploitation of natural resources situated in that other State for a period or periods exceeding in the aggregate 90 days in any 12 month period; or

such activities shall be deemed to be performed through a permanent establishment that the enterprise has in that other State, unless the activities are limited to those mentioned in paragraph 6 and are, in relation to the enterprise, of a preparatory or auxiliary character.

5.

- a) The duration of activities under paragraphs 3 and 4 will be determined by aggregating the periods during which activities are carried on in a Contracting State by associated enterprises provided that the activities of the enterprise in that State are connected with the activities carried on in that State by its associate.
- b) The period during which two or more associated enterprises are carrying on concurrent activities will be counted only once for the purpose of determining the duration of activities.
- c) Under this Article, an enterprise shall be deemed to be associated with another enterprise if:
 - (i) one is controlled directly or indirectly by the other; or
 - (ii) both are controlled directly or indirectly by the same person or persons.

6. Notwithstanding the preceding provisions of this Article, the term "permanent establishment" shall be deemed not to include:

- a) the use of facilities solely for the purpose of storage, display or delivery of goods or merchandise belonging to the enterprise;
- b) the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of storage, display or delivery;
- c) the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of processing by another enterprise;

7. Notwithstanding the provisions of paragraphs 1 and 2, where a person – other than an agent of an independent status to whom paragraph 8 applies – is acting on behalf of an enterprise and:

- a) has, and habitually exercises, in a Contracting State an authority to substantially negotiate or conclude contracts on behalf of the enterprise; or
- b) manufactures or processes in a Contracting State for the enterprise goods or merchandise belonging to the enterprise,

8. An enterprise shall not be deemed to have a permanent establishment in a Contracting State merely because it carries on business in that State through a person who is a broker, general commission agent or any other agent of an independent status, provided that such persons are acting in the ordinary course of the person's business as such a broker or agent.

9. The fact that a company which is a resident of a Contracting State controls or is controlled by a company which is a resident of the other Contracting State, or which carries on business in that other State (whether through a permanent establishment or otherwise), shall not of itself make either company a permanent establishment of the other.

10. The principles set forth in the preceding paragraphs of this Article shall be applied in determining for the purposes of paragraph 7 of Article 11 and paragraph 5 of Article 12 whether there is a permanent establishment outside both Contracting States, and whether an enterprise, not being an enterprise of a Contracting State, has a permanent establishment in a Contracting State.

CHAPTER III

TAXATION OF INCOME

Article 6

INCOME FROM REAL PROPERTY

1. Income derived by a resident of a Contracting State from real property, including income from an agricultural, pastoral or forestry property situated in Finland, may be taxed in the Contracting State in which the real property is situated.

2. For the purposes of this Article, the term "real property":

- a) in the case of Australia, has the meaning which it has under the law of Australia, and includes:
 - (i) a lease of land and any other interest in or over land, whether improved or not, including a right to explore for mineral, oil or gas deposits or other natural resources, and a right to mine those deposits or resources; and
 - (ii) a right to receive variable or fixed payments either as consideration for or in respect of the exploitation of, or the right to explore for or exploit, mineral, oil or gas deposits, quarries or other places of extraction or exploitation of natural resources; and
- b) in the case of Finland, means such property which, according to the laws of Finland, is immovable property and shall in any case include buildings,

property accessory to immovable property, livestock and equipment used in agriculture and forestry, rights to which the provisions of general law respecting landed property apply, usufruct of immovable property and rights to variable or fixed payments as consideration for the working of, or the right to work, mineral deposits, sources and other natural resources.

Ships and aircraft shall not be regarded as real property.

3. Any interest or right referred to in paragraph 2 shall be regarded as situated where the land, mineral, oil or gas deposits, quarries or natural resources, as the case may be, are situated or where the exploration may take place.

4. The provisions of paragraph 1 shall apply to income derived from the direct use, letting or use in any other form of real property.

5. Where the ownership of shares or other rights in a company, trust or comparable institution entitle a person to the enjoyment of real property held by or on behalf of that company, trust or comparable institution, income derived from the direct use, letting or use in any other form of such right to enjoyment may be taxed in the Contracting State in which the real property is situated.

6. The provisions of paragraphs 1, 3 and 4 shall also apply to income from real property of an enterprise.

7. The provisions of paragraph 5 shall also apply to income of an enterprise derived from the direct use, letting or use in any other form of a right of enjoyment referred to in that paragraph.

Article 7

BUSINESS PROFITS

1. The profits of an enterprise of a Contracting State shall be taxable only in that State unless the enterprise carries on business in the other Contracting State through a permanent establishment situated therein. If the enterprise carries on business as aforesaid, the profits of the enterprise may be taxed in the other State but only so much of them as is attributable to that permanent establishment.

2. Subject to the provisions of paragraph 3, where an enterprise of a Contracting State carries on business in the other Contracting State through a permanent establishment situated therein, there shall in each Contracting State be attributed to that permanent establishment the profits which it might be expected to make if it were a distinct and separate enterprise engaged in the same or similar activities under the same or similar conditions and dealing wholly independently with the enterprise of which it is a permanent establishment or with other enterprises with which it deals.

3. In determining the profits of a permanent establishment, there shall be allowed as deductions expenses of the enterprise, being expenses which are incurred for the purposes of the permanent establishment (including executive and general administrative expenses so incurred) and which would be deductible if the permanent establishment were an independent entity which paid those expenses, whether incurred in the Contracting State in which the permanent establishment is situated or elsewhere.

4. No profits shall be attributed to a permanent establishment by reason of the mere purchase by that permanent establishment of goods or merchandise for the enterprise.

5. Nothing in this Article shall affect the application of any law of a Contracting State relating to the determination of the tax liability of a person, including determinations in cases where the information available to the competent authority of that State is inadequate to determine the profits to be attributed to a permanent establishment, provided that that law

shall be applied, so far as it is practicable to do so, consistently with the principles of this Article.

6. Where profits include items of income or gains which are dealt with separately in other Articles of this Agreement, then the provisions of those Articles shall not be affected by the provisions of this Article.

7. Nothing in this Article shall affect the application of any law of a Contracting State relating to tax imposed on profits from insurance with non-residents provided that if the relevant law in force in either Contracting State at the date of signature of this Agreement is varied (otherwise than in minor respects so as not to affect its general character) the Contracting States shall consult with each other with a view to agreeing to any amendment of this paragraph that may be appropriate.

8. Where:

- a) a resident of a Contracting State is beneficially entitled, whether directly or through one or more interposed trust estates, to a share of the business profits of an enterprise carried on in the other Contracting State by the trustee of a trust estate other than a trust estate which is treated as a company for tax purposes; and
- b) in relation to that enterprise, that trustee would, in accordance with the principles of Article 5, have a permanent establishment in that other State,

the enterprise carried on by the trustee shall be deemed to be a business carried on in the other State by that resident through a permanent establishment situated therein and that share of business profits shall be attributed to that permanent establishment.

Article 8

SHIPS AND AIRCRAFT

1. Profits of an enterprise of a Contracting State derived from the operation of ships or aircraft in international traffic shall be taxable only in that State.

2. Notwithstanding the provisions of paragraph 1, profits of an enterprise of a Contracting State derived from the operation of ships or aircraft may be taxed in the other Contracting State to the extent that they are profits derived directly or indirectly from ship or aircraft operations confined solely to places in that other State.

3. The profits to which the provisions of paragraphs 1 and 2 apply include profits from the operation of ships or aircraft derived through participation in a pool service or other profit sharing arrangement.

4. For the purposes of this Article, profits derived from the carriage by ships or aircraft of passengers, livestock, mail, goods or merchandise which are shipped in a Contracting State and are discharged at a place in that State shall be treated as profits from ship or aircraft operations confined solely to places in that State.

Article 9

ASSOCIATED ENTERPRISES

1. Where:
 - a) an enterprise of a Contracting State participates directly or indirectly in the management, control or capital of an enterprise of the other Contracting State; or
 - b) the same persons participate directly or indirectly in the management, control or capital of an enterprise of a Contracting State and an enterprise of the other Contracting State,

and in either case conditions operate between the two enterprises in their commercial or financial relations which differ from those which might be expected to operate between independent enterprises dealing wholly independently with one another, then any profits which, but for those conditions, might have been expected to accrue to one of the enterprises, but, by reason of those conditions, have not so accrued, may be included in the profits of that enterprise and taxed accordingly.

2. Nothing in this Article shall affect the application of any law of a Contracting State relating to the determination of the tax liability of a person, including determinations in cases where the information available to the competent authority of that State is inadequate to determine the profits accruing to an enterprise, provided that that law shall be applied, so far as it is practicable to do so, consistently with the principles of this Article.

3. Where profits on which an enterprise of a Contracting State has been charged to tax in that State are also included, by virtue of the provisions of paragraph 1 or 2, in the profits of an enterprise of the other Contracting State and charged to tax in that other State, and the profits so included are profits which might have been expected to have accrued to that enterprise of the other State if the conditions operative between the enterprises had been those which might have been expected to have operated between independent enterprises dealing wholly independently with one another, then the first-mentioned State shall make an appropriate adjustment to the amount of tax charged therein on those profits, where that first-mentioned State considers the adjustment justified. In determining such an adjustment, due regard shall be had to the other provisions of this Agreement and the competent authorities of the Contracting States shall if necessary consult each other.

Article 10

DIVIDENDS

1. Dividends paid by a company which is a resident of a Contracting State for the purposes of its tax, being dividends beneficially owned by a resident of the other Contracting State, may be taxed in that other State.

2. However, those dividends may also be taxed in the Contracting State of which the company paying the dividends is a resident for the purposes of its tax, and according to the law of that State, but the tax so charged shall not exceed:

- a) 5 per cent of the gross amount of the dividends if the beneficial owner of those dividends is a company which holds directly at least 10 per cent of the voting power in the company paying the dividends;
- b) 15 per cent of the gross amount of the dividends in all other cases,

provided that if the relevant law in either Contracting State at the date of signature of this Agreement is varied otherwise than in minor respects so as not to affect its general character, the Contracting States shall consult each other with a view to agreeing to any amendment of this paragraph that may be appropriate.

3. Notwithstanding the provisions of paragraph 2 of this Article, dividends shall not be taxed in the Contracting State of which the company paying the dividends is a resident for the purposes of its tax if the beneficial owner of the dividends is a company that is a resident of the other Contracting State that has owned shares representing 80 per cent or more of the voting power of the company paying the dividends for a 12 month period ending on the date the dividend is declared and the company that is the beneficial owner of the dividends:

- a) has its principal class of shares listed on a recognised stock exchange specified in subparagraph (i) or (ii) of subparagraph n) of paragraph 1 of Article 3 and is regularly traded on one or more recognised stock exchanges;
- b) is owned directly or indirectly by one or more companies whose principal class of shares is listed on a recognised stock exchange specified in subparagraph (i) or (ii) of subparagraph n) of paragraph 1 of Article 3 and is regularly traded on one or more recognised stock exchanges;
- c) does not meet the requirements of subparagraphs a) or b) of this paragraph but the competent authority of the first-mentioned Contracting State determines, in accordance with the law of that State, that the establishment, acquisition or maintenance of the company that is the beneficial owner of the dividends and the conduct of its operations did not have as one of its principal purposes the obtaining of benefits under the Agreement. The competent authority of the first-mentioned Contracting State shall consult the competent authority of the other Contracting State before refusing to grant benefits of the Agreement under this subparagraph.

4. The term "dividends" as used in this Article means income from shares or other rights, not being debt-claims, participating in profits, as well as other amounts which are subjected to the same taxation treatment as income from shares by the law of the State of which the company making the distribution is a resident for the purposes of its tax.

5. The provisions of paragraphs 1, 2 and 3 shall not apply if the beneficial owner of the dividends, being a resident of a Contracting State, carries on business in the other Contracting State of which the company paying the dividends is a resident through a permanent establishment situated therein and the holding in respect of which the dividends are paid is effectively connected with such permanent establishment. In such case the provisions of Article 7 shall apply.

6. Where a company which is a resident of a Contracting State derives profits or income from the other Contracting State, that other State may not impose any tax on the dividends paid by the company – being dividends beneficially owned by a person who is not a resident of the other Contracting State – except insofar as the holding in respect of which such dividends are paid is effectively connected with a permanent establishment situated in that other State, nor subject the company's undistributed profits to a tax on the company's undistributed profits, even if the dividends paid or the undistributed profits consist wholly or partly of profits or income arising in such other State. This paragraph shall not apply in relation to dividends paid by any company which is a resident of Australia for the purposes of Australian tax and which is also a resident of Finland for the purposes of Finnish tax.

7. **[REPLACED by paragraph 1 of Article 7 of the MLI]**¹ *No relief shall be available under this Article if it was the main purpose or one of the main purposes of any person concerned with the creation or assignment of the shares or other rights in respect of which the dividend is paid to take advantage of this Article by means of that creation or assignment.*

¹ Refer to text box immediately following Article 27 of the Agreement.

Article 11

INTEREST

1. Interest arising in a Contracting State and beneficially owned by a resident of the other Contracting State may be taxed in that other State.
2. However, such interest may also be taxed in the Contracting State in which it arises and according to the law of that State, but the tax so charged shall not exceed 10 per cent of the gross amount of the interest.
3. Notwithstanding paragraph 2, interest arising in a Contracting State and beneficially owned by a resident of the other Contracting State shall be taxable only in that other Contracting State if:
 - a) the interest is derived by a Contracting State or by a political or administrative sub-division or a local authority thereof, or by any other body exercising governmental functions in a Contracting State, or by a bank performing central banking functions in a Contracting State; or
 - b) the interest is derived by a financial institution which is unrelated to and dealing wholly independently with the payer. For the purposes of this Article, the term "financial institution" means a bank or other enterprise substantially deriving its profits by raising debt finance in the financial markets or by taking deposits at interest and using those funds in carrying on a business of providing finance.
4. Notwithstanding paragraph 3, interest referred to in subparagraph b) of that paragraph may be taxed in the State in which it arises at a rate not exceeding 10 per cent of the gross amount of the interest if the interest is paid as part of an arrangement involving back-to-back loans or other arrangement that is economically equivalent and intended to have a similar effect to back-to-back loans.
5. The term "interest" in this Article includes interest from government securities or from bonds or debentures, whether or not secured by mortgage and whether or not carrying a right to participate in profits, interest from any other form of indebtedness, as well as income which is subjected to the same taxation treatment as income from money lent by the law of the Contracting State in which the income arises.
6. The provisions of paragraphs 1 and 2, subparagraph b) of paragraph 3 and paragraph 4 of this Article shall not apply if the beneficial owner of the interest, being a resident of a Contracting State, carries on business in the other Contracting State in which the interest arises through a permanent establishment situated therein and the indebtedness in respect of which the interest is paid is effectively connected with such permanent establishment. In such case the provisions of Article 7 shall apply.
7. Interest shall be deemed to arise in a Contracting State when the payer is a resident of that State for the purposes of its tax. The mutual agreement procedure under [the Agreement], as well as the arbitration proceeding under this Part, with respect to the case shall terminate if, at any time after a request for arbitration has been made and before the arbitration panel has delivered its decision to the competent authorities of the [Contracting States], a person that presented the case or one of that person’s advisors materially breaches that agreement.

Article 25 (Costs of Arbitration Proceedings) of the MLI

In an arbitration proceeding under this Part, the fees and expenses of the members of the

arbitration panel, as well as any costs incurred in connection with the arbitration proceedings by the [Contracting States], shall be borne by the [Contracting States] in a manner to be settled by mutual agreement between the competent authorities of the [Contracting States]. In the absence of such agreement, each [Contracting State] shall bear its own expenses and those of its appointed panel member. The cost of the chair of the arbitration panel and other expenses associated with the conduct of the arbitration proceedings shall be borne by the [Contracting States] in equal shares.

Article 26 (Compatibility) of the MLI

2. Any unresolved issue arising from a mutual agreement procedure case otherwise within the scope of the arbitration process provided for in this Part shall not be submitted to arbitration if the issue falls within the scope of a case with respect to which an arbitration panel or similar body has previously been set up in accordance with a bilateral or multilateral convention that provides for mandatory binding arbitration of unresolved issues arising from a mutual agreement procedure case.
3. [Nothing] in this Part shall affect the fulfilment of wider obligations with respect to the arbitration of unresolved issues arising in the context of a mutual agreement procedure resulting from other conventions to which the [Contracting States] are or will become parties.

Subparagraph a) of paragraph 2 of Article 28 (Reservations) of the MLI

Pursuant to Subparagraph a) of paragraph 2 of Article 28 of the MLI, Australia formulates the following reservations with respect to the scope of cases that shall be eligible for arbitration under the provisions of Part VI of the MLI:

Australia reserves the right to exclude from the scope of Part VI [of the MLI] any case to the extent that it involves the application of Australia's general anti-avoidance rules contained in Part IVA of the *Income Tax Assessment Act 1936* and section 67 of the *Fringe Benefits Tax Assessment Act 1986*. Australia also reserves the right to extend the scope of the exclusion for Australia's general anti-avoidance rules to any provisions replacing, amending or updating those rules. Australia shall notify the Depositary of any such provisions that involve substantial changes.

Pursuant to subparagraph a) of paragraph 2 of Article 28 of the MLI, Finland formulates the following reservations with respect to the scope of cases that shall be eligible for arbitration under the provisions of Part VI of the MLI:

1. Finland reserves the right to exclude from the scope of Part VI [of the MLI] cases involving the application of domestic anti-avoidance rules of either [Contracting State]. For this purpose, Finland's domestic anti-avoidance rules shall include Act on Assessment Procedure (verotusmenettelystä annettu laki (1558/1995)) sections 27 - 30, Act on the Taxation of Business Profits and Income from Professional Activities (elinkeinotulon verottamisesta annettu laki (360/1968)) section 6 a, subsection 9 and section 52 h and Act on the Taxation of Shareholders in Controlled Foreign Companies (ulkomaisten väliytteisöjen osakkaiden verotuksesta annetun laki (1217/1994)). Any subsequent provisions replacing, amending or updating these anti-avoidance rules would also be included in this reservation. Finland shall notify the Depositary of any such subsequent provisions.
2. Finland reserves the right to exclude from the scope of Part VI [of the MLI] cases involving conduct for which the taxpayer or a person acting on the taxpayer's behalf has been found guilty by a court of tax fraud or other tax related criminal offence in either [Contracting State]. For this purpose, Finland's domestic rules shall include the Criminal

Code (rikoslaki (39/1889)) chapter 29 sections 1-4. Any subsequent provisions replacing, amending or updating these rules would also be included in this reservation. Finland shall notify the Depositary of any such subsequent provisions.

3. Finland reserves the right to exclude from the scope of Part VI [*of the MLI*] cases concerning items of income where there is no double taxation. Double taxation means that both [*Contracting States*] have imposed taxes in respect of the same taxable income giving rise to either additional tax charge, increase in tax liabilities or cancellation or reduction of losses, which could be used to offset taxable profits.

4. Finland reserves the right to exclude from the scope of Part VI [*of the MLI*]

- a) with respect to taxes withheld at source on amounts paid or credited to non-residents, cases which concern taxable events giving rise to such taxes that occur before the reference date;
- b) with respect to all other taxes, cases which concern taxes levied with respect to taxable periods that begin before the reference date.

For the purpose of this reservation, “the reference date” is the latest of:

- i. the date of entry into effect of [*the MLI*] in both [*Contracting States*] with respect to such taxes;
- ii. the first day of January of the calendar year next following the expiration of a period of six calendar months beginning on the date of the communication by the Depositary of the latest definitive reservation withdrawal or notification which results in the application of Part VI [*of the MLI*] (Arbitration) between both [*Contracting States*]; and
- iii. where the case is a type of case that would be potentially eligible for arbitration as a result of the withdrawal, subsequent to the entry into effect of Part VI [*of the MLI*] as between both [*Contracting States*], of a [*Contracting State*’s] reservation made pursuant to Article 28(2) or Article 19(12) [*of the MLI*], the first day of January of the calendar year next following the expiration of a period of six calendar months beginning on the date of the communication of the Depositary of the withdrawal of the reservation.

5. Finland reserves the right to exclude from the scope of Part VI [*of the MLI*] all cases where an application has been filed under the Convention on the Elimination of Double Taxation in Connection with the Adjustment of Profits of Associated Enterprises (90/436/EEC) - as amended, or under other instruments agreed by the member states of the European Union or under domestic rules which implement such instruments.

Article 25

EXCHANGE OF INFORMATION

1. The competent authorities of the Contracting States shall exchange such information as is foreseeably relevant for carrying out the provisions of this Agreement or to the administration or enforcement of the domestic law concerning taxes referred to in paragraph 4 of Article 2, insofar as the taxation thereunder is not contrary to the Agreement. The exchange of information is not restricted by Article 1.

2. Any information received under paragraph 1 by a Contracting State shall be treated as secret in the same manner as information obtained under the domestic law of that State and shall be disclosed only to persons or authorities (including courts and administrative bodies) concerned with the assessment or collection of, the enforcement or prosecution in respect of, the determination of appeals in relation to, the taxes referred to in paragraph 1, or

the oversight of the above. Such persons or authorities shall use the information only for such purposes. They may disclose the information in public court proceedings or in judicial decisions.

3. In no case shall the provisions of paragraphs 1 and 2 be construed so as to impose on a Contracting State the obligation:

- a) to carry out administrative measures at variance with the law and administrative practice of that or of the other Contracting State;
- b) to supply information which is not obtainable by the competent authority under the law or in the normal course of the administration of that or of the other Contracting State;
- c) to supply information which would disclose any trade, business, industrial, commercial or professional secret or trade process, or information, the disclosure of which would be contrary to public policy (*ordre public*).

4. If information is requested by a Contracting State in accordance with this Article, the other Contracting State shall use its information gathering measures to obtain the requested information, even though that other State may not need such information for its own tax purposes. The obligation contained in the preceding sentence is subject to the limitations of paragraph 3 but in no case shall such limitations be construed to permit a Contracting State to decline to supply information solely because it has no domestic interest in such information.

5. In no case shall the provisions of paragraph 3 be construed to permit a Contracting State to decline to supply information solely because the information is held by a bank, other financial institution, nominee or person acting in an agency or a fiduciary capacity or because it relates to ownership interests in a person.

Article 26

ASSISTANCE IN THE COLLECTION OF TAXES

1. The Contracting States shall lend assistance to each other in the collection of revenue claims. This assistance is not restricted by Article 1. The competent authorities of the Contracting States may by mutual agreement settle the mode of application of this Article.

2. The term "revenue claim" as used in this Article means an amount owed in respect of taxes referred to in paragraph 4 of Article 2, insofar as the taxation thereunder is not contrary to this Agreement or any other instrument to which the Contracting States are parties, as well as interest, administrative penalties and costs of collection or conservancy related to such amount.

3. When a revenue claim of a Contracting State is enforceable under the laws of that State and is owed by a person who, at that time, cannot, under the laws of that State, prevent its collection, that revenue claim shall, at the request of the competent authority of that State, be accepted for purposes of collection by the competent authority of the other Contracting State. That revenue claim shall be collected by that other State in accordance with the provisions of its laws applicable to the enforcement and collection of its own taxes as if the revenue claim were a revenue claim of that other State.

4. When a revenue claim of a Contracting State is a claim in respect of which that State may, under its law, take measures of conservancy with a view to ensure its collection, that revenue claim shall, at the request of the competent authority of that State, be accepted for purposes of taking measures of conservancy by the competent authority of the other Contracting State. That other State shall take measures of conservancy in respect of that revenue claim in accordance with the provisions of its laws as if the revenue claim were a

revenue claim of that other State even if, at the time when such measures are applied, the revenue claim is not enforceable in the first-mentioned State or is owed by a person who has a right to prevent its collection.

5. Notwithstanding the provisions of paragraphs 3 and 4, a revenue claim accepted by a Contracting State for purposes of paragraph 3 or 4 shall not, in that State, be subject to the time limits or accorded any priority applicable to a revenue claim under the laws of that State by reason of its nature as such. In addition, a revenue claim accepted by a Contracting State for the purposes of paragraph 3 or 4 shall not, in that State, have any priority applicable to that revenue claim under the laws of the other Contracting State.

6. Proceedings with respect to the existence, validity or the amount of a revenue claim of a Contracting State shall not be brought before the courts or administrative bodies of the other Contracting State.

7. Where, at any time after a request has been made by a Contracting State under paragraph 3 or 4 and before the other Contracting State has collected and remitted the relevant revenue claim to the first-mentioned State, the relevant revenue claim ceases to be

- a) in the case of a request under paragraph 3, a revenue claim of the first-mentioned State that is enforceable under the laws of that State and is owed by a person who, at that time, cannot, under the laws of that State, prevent its collection, or
- b) in the case of a request under paragraph 4, a revenue claim of the first-mentioned State in respect of which that State may, under its laws, take measures of conservancy with a view to ensure its collection

the competent authority of the first-mentioned State shall promptly notify the competent authority of the other State of that fact and, at the option of the other State, the first-mentioned State shall either suspend or withdraw its request.

8. In no case shall the provisions of this Article be construed so as to impose on a Contracting State the obligation:

- a) to carry out administrative measures at variance with the laws and administrative practice of that or of the other Contracting State;
- b) to carry out measures which would be contrary to public policy (*ordre public*);
- c) to provide assistance if the other Contracting State has not pursued all reasonable measures of collection or conservancy, as the case may be, available under its laws or administrative practice;
- d) to provide assistance in those cases where the administrative burden for that State is clearly disproportionate to the benefit to be derived by the other Contracting State;
- e) to provide assistance if that State considers that the taxes with respect to which assistance is requested are imposed contrary to generally accepted taxation principles.

Article 27

MEMBERS OF DIPLOMATIC MISSIONS AND CONSULAR POSTS

Nothing in this Agreement shall affect the fiscal privileges of members of diplomatic missions or consular posts under the general rules of international law or under the provisions of special international agreements.

The following paragraph 1 of Article 7 of the MLI applies and supersedes the provisions of

this Agreement:

ARTICLE 7 OF THE MLI – PREVENTION OF TREATY ABUSE

(Principal purposes test provision)

Notwithstanding any provisions of [*the Agreement*], a benefit under [*the Agreement*] shall not be granted in respect of an item of income [...] if it is reasonable to conclude, having regard to all relevant facts and circumstances, that obtaining that benefit was one of the principal purposes of any arrangement or transaction that resulted directly or indirectly in that benefit, unless it is established that granting that benefit in these circumstances would be in accordance with the object and purpose of the relevant provisions of [*the Agreement*].

CHAPTER VI

FINAL PROVISIONS

Notwithstanding the provisions of subparagraphs a) and b), Article 26 shall have effect from the date agreed in an exchange of notes through the diplomatic channel.

2. The Agreement between Finland and Australia for the avoidance of double taxation and the prevention of fiscal evasion with respect to taxes on income, signed at Canberra on 12th September 1984, as modified by the Protocol signed at Canberra on 5th November 1997 (hereinafter referred to as "the 1984 Agreement"), shall cease to have effect with respect to taxes to which this Agreement applies in accordance with the provisions of paragraph 1. The 1984 Agreement shall terminate on the last date on which it has effect in accordance with the foregoing provision of this paragraph.

Article 29

TERMINATION

This Agreement shall continue in effect indefinitely, but either Contracting State may terminate the Agreement by giving written notice of termination, through the diplomatic channel, to the other State at least 6 months before the end of any calendar year beginning after the expiration of 5 years from the date of its entry into force and, in that event, the Agreement shall cease to be effective:

- a) in Australia:
 - (i) in respect of withholding tax on income that is derived by a non-resident, in relation to income derived on or after 1 January in the calendar year next following that in which the notice of termination is given;

PROTOCOL

At the signing today of the Agreement between the Government of Australia and the Government of Finland for the avoidance of double taxation with respect to taxes on income and the prevention of fiscal evasion (hereinafter referred to as "the Agreement"), the undersigned have agreed upon the following provisions which shall form an integral part of the Agreement:

1. With reference generally to the application of the Agreement
 - a) Nothing in the Agreement shall be construed as restricting, in any manner, the application of any provision of the laws of a Contracting State which is designed to prevent the avoidance or evasion of taxes.
 - b) It is understood that nothing in the Agreement prevents the application of the provisions of Article 25 to the exchange of information that existed prior to the entry into force of the Agreement.
2. With reference to Articles 4, 17 and 18

The term "statutory authority" means any legal entity of a public character created by the laws of a Contracting State in which no person other than the State itself, a political subdivision or a local authority thereof, has an interest, and, in the case of Finland, includes the Bank of Finland, the Helsinki University and the Social Insurance Institution of Finland.

3. With reference to paragraph 7 of Article 5

The Contracting States note that the term "substantially negotiate" is included at Australia's request to remove any doubt as to the existence of a permanent establishment where contracts that have been negotiated by an agent in one State are formally concluded in the other State by signature in that other State.

IN WITNESS WHEREOF the undersigned, being duly authorised, have signed this Protocol.
