① This publication provides you with the following level of protection:

This publication (excluding appendixes) is a public ruling for the purposes of the *Taxation Administration Act 1953*.

A public ruling is an expression of the Commissioner's opinion about the way in which a relevant provision applies, or would apply, to entities generally or to a class of entities in relation to a particular scheme or a class of schemes.

If you rely on this ruling, the Commissioner must apply the law to you in the way set out in the ruling (unless the Commissioner is satisfied that the ruling is incorrect and disadvantages you, in which case the law may be applied to you in a way that is more favourable for you – provided the Commissioner is not prevented from doing so by a time limit imposed by the law). You will be protected from having to pay any underpaid tax, penalty or interest in respect of the matters covered by this ruling if it turns out that it does not correctly state how the relevant provision applies to you.

What this Ruling is about

1. This Ruling sets out the Commissioner's opinion on the way in which the relevant provision(s) identified below apply to the defined class of entities, who take part in the scheme to which this Ruling relates.

Relevant provision(s)

2. The relevant provisions dealt with in this Ruling are:

- section 83-170 of the *Income Tax Assessment Act 1997* (ITAA 1997); and
- section 83-180 of the ITAA 1997.

All legislative references are to the ITAA 1997 unless otherwise indicated.

Class of entities

3. The class of entities to which this Ruling applies is those employees of the Department of Transport (Victoria), VicRoads and Public Transport Victoria, shown at paragraph 17 subject to the exclusions in paragraphs 18 to 20, who receive a payment under the scheme described in paragraphs 9 to 46 of this Ruling.

Qualifications

4. The class of entities defined in this Ruling may rely on its contents provided the scheme actually carried out is carried out in accordance with the scheme described in paragraphs 9 to 46 of this Ruling.

5. If the scheme actually carried out is materially different from the scheme that is described in this Ruling, then:

- this Ruling has no binding effect on the Commissioner because the scheme entered into is not the scheme on which the Commissioner has ruled; and
- this Ruling may be withdrawn or modified.

Date of effect

7. This Ruling applies from 5 September 2012 to 31 December 2013. The Ruling continues to apply after 31 December 2013 to all entities within the specified class who entered into the specified scheme during the term of the Ruling. Scheme

8. The following description of the scheme is based on information provided by the applicant.

9. The Department of Transport (Victoria) (DOT), VicRoads and Public Transport Victoria (PTV) is seeking the Commissioner's approval to implement an early retirement scheme in accordance with section 83-180.

10. The scheme will be titled the 'Victorian Transport Portfolio Voluntary Departure Program 2012-13', referred to as the Scheme.

11. As part of the 2011-12 Victorian Budget Update, the Victorian Government introduced efficiency and revenue measures to begin addressing the high growth in expenses and improve the operating result to restore a fiscal buffer against future economic downturns.

12. These measures target the systemic problems of high growth in expenses and a more moderate revenue outlook. The aim of the measure is to moderate growth in the size of the government and reduce it as a share of the economy, more consistent with its long-term average.

13. The efficiency measures are referred to as the Sustainable Government Initiative.

14. Reductions will not be sought in key frontline service delivery areas for example, there will be no impact on teachers, police, nurses and child protection workers.

15. The DOT, VicRoads and PTV are required to reduce their employee numbers as part of their contribution to the 2011-12 Victorian Budget Update efficiency measures. The employee reductions must be completed by 31 December 2013.

16. The purpose in implementing the Scheme is to rationalise and re-organise the employer's operations and will assist the DOT, VicRoads and PTV in the employment reductions in areas such as head office administrative functions and other back-office positions across the bureaucracy.

17. The class of employees to whom the Scheme applies is all employees within the Victorian DOT, VicRoads and PTV subject to certain exclusions.

18. The following categories of staff within the DOT are excluded from participating in the Scheme. They are:

- Executive Officers;
- Staff employed on a fixed term or casual basis;
- Staff on unpaid leave;
- Staff on probation;

- Current participants in the Victorian Public Service (VPS) Graduate Recruitment and Development Scheme;
- Staff receiving WorkCover salary payments;
- Staff employed in the following areas of the Victorian Taxi Directorate:
 - Customer Support Officers in the Call Centre Team; and
 - Complaints Team;
- Signalling Engineers;
- Staff employed in the Bus Safety, Rail Safety and Maritime Safety Branches of Transport Safety Victoria;
- Senior Investigators employed in the Office of the Chief Investigator;
- Staff employed in the Security and Emergency Management Division with jobs primarily focussed on the *Terrorism (Community Protection) Act 2003* or the marine pollution functions (Part 5) of the *Marine Act 1988*; and
- Staff employed in the People Systems unit of the People and organisational Development Division.

19. The following categories of staff within VicRoads are excluded from participating in the Scheme. They are:

- Staff who commenced at VicRoads, its predecessor organisations and the VPS after 31 December 1998;
- Senior Customer Services Officers, classified VRO2, in the Customer Services business area;
- Executive Officers;
- Current participants in the VPS Graduate Recruitment and Development Scheme;
- Staff receiving WorkCover salary payments; and
- Staff on probation.

20. The following categories of staff within PTV are excluded from participating in the Scheme. They are:

- Executive Officers;
- Staff employed on a fixed term or casual basis;
- Staff on unpaid leave;
- Staff on probation;
- Current participants in the VPS Graduate Recruitment and Development Scheme; and

- Staff receiving WorkCover salary payments.
21. All eligible employees under the Scheme will be offered a lump sum payment as follows:
- (a) Four weeks' pay in lieu of notice on cessation;
 - (b) A lump sum voluntary departure incentive of up to \$10,000 (for a full-time employee); and
 - (c) Two weeks' pay per completed year of continuous service in the Victorian Public Sector up to a maximum of 15 years.
22. For part-time employees, payments (a) and (b) will be calculated at the part-time rate. For employees who have a period of part-time employment in the most recent years of continuous service, payment (c) will be a pro-rata payment.
23. Where an employee who is offered a voluntary departure package (VDP) has less than one year's service, they will receive a corresponding fraction of the VDP they would have been paid at one year.
24. All employees terminated under the Scheme will receive their accrued annual leave and unused long service leave entitlements in accordance with the relevant enterprise agreement. However, they do not form part of the payment made under the Scheme.
25. The maximum number of VDPs available under the Scheme program for the eligible staff within the portfolio is limited.
26. The number of positions within the portfolio will be reduced by the number of packages accepted. Should one area or one employer be over-subscribed with expressions, un-utilised packages from other portfolio employers may be reallocated.
27. Participation in the Scheme is entirely voluntary.
28. For the DOT, where the number of employees seeking access to the Scheme exceeds the number of packages available, the offer will be made to those on a 'first in, first served' basis.
29. For VicRoads, where the number of employees seeking access to the Scheme exceeds the number of packages available in each business area, the offer of a VDP will be made to those employees with more years of continuous service with VicRoads before being offered to employees with fewer years of service.
30. For PTV, where the number of employees seeking access to the Scheme exceeds the number of packages available, the offer of a VDP will be made to those employees with more years of continuous service with PTV, its predecessor organisations and the VPS immediately prior to PTV's establishment before being offered to employees with fewer years of service.
31. Eligible employees of DOT and VicRoads will have until 14 calendar days after the Scheme is open to express an interest in the Scheme.

32. Once an eligible employee of DOT and VicRoads has expressed an interest in the Scheme:

- an offer will generally be made within seven calendar days from the date of the expression of interest is closed; and
- they will have seven calendar days to accept or reject the offer.

33. Employees of DOT and VicRoads who accept an offer to retire under the Scheme will generally be required to cease employment within 14 calendar days of an offer being accepted. However, based on operational requirements the cessation date may be extended by mutual agreement between the employer and the employee, with the employee receiving the package and terminating employment no later than 31 December 2013.

34. Eligible employees of PTV will have until 14 calendar days after the Scheme is open to express an interest in the Scheme.

35. Once an eligible employee of PTV has expressed an interest in the Scheme:

- an offer will be made within 14 calendar days of the conclusion of the expression of interest period; and
- they will have 14 calendar days to accept or reject the offer.

36. Employees of PTV who accept an offer to retire under the Scheme will generally be required to cease employment within seven calendar days of an offer being accepted. However, based on operational requirements the cessation date may be extended by mutual agreement between the employer and the employee, with the employee receiving the package and terminating employment no later than 31 December 2013.

37. It is proposed the Scheme will be implemented from the date after the Commissioner's approval to 31 December 2013.

38. The payments made under the Scheme do not include any payment in lieu of superannuation benefits.

39. The payments made under the Scheme will be at arm's-length.

40. Recipients of the Scheme are required to agree not to seek or accept re-employment or any other fee for service:

- from any Victorian Public Service employer, Film Victoria, the Growth Areas Authority, Public Transport Victoria, or VicRoads, for a minimum period of three calendar years from the date of their separation; and
- from any Victorian Public Sector employer, other than those identified above, for a minimum period of one calendar year from the date of their separation.

41. However, recipients of the Scheme can seek re-employment at any time in the following roles which are outside of the restrictions:

- police officer;
- protective services officer;
- fire-fighter; or
- project fire-fighter.

42. The retirement of employees who receive a payment under the Scheme will occur before they turn 65 years of age.

43. Staff aged 65 and older will be eligible to participate in the Scheme, however for payments made to eligible employees who have reached age 65 and older the payments will not be an early retirement scheme payment and will not be eligible for the tax free base limits under the Scheme. These payments will be concessionally taxed as employment termination payments.

44. All eligible employees of DOT are employed under the Victorian Public Service Workplace Determination 2012.

45. Eligible employees of VicRoads are employed under VicRoads EA7.

46. Eligible employees of PTV are employed under the Victorian Public Service Agreement 2006 (2009 Extended and Varied version), Metlink Victoria Enterprise Agreement 2010-2012, TT Workplace Agreement 2009-2012 and the Metlink Victoria Pty Ltd Employment Agreement.

Ruling

47. The early retirement scheme to be implemented by the Department of Transport (Victoria), VicRoads and Public Transport Victoria is an early retirement scheme for the purposes of section 83-180.

48. Accordingly, so much of the payment received by an employee that exceeds the amount that could be reasonably be expected to be received by the employee in consequence of voluntary termination of his or her employment at the time of the retirement will be an early retirement scheme payment.

49. In addition, so much of the early retirement scheme payment as falls within the threshold calculated in accordance with section 83-170 is not assessable income and is not exempt income.

Appendix 1 – Explanation

❶ ***This Appendix is provided as information to help you understand how the Commissioner's view has been reached. It does not form part of the binding public ruling.***

50. Where a scheme satisfies the requirements of subsection 83-180(3), that scheme will be an early retirement scheme.

51. Subsection 83-180(3) states that:

A scheme is an **early retirement scheme** if:

- (a) all the employer's employees who comprise such a class of employees as the Commissioner approves may participate in the scheme; and
- (b) the employer's purpose in implementing the scheme is to rationalise or re-organise the employer's operations by making any change to the employer's operations, or the nature of the work force, that the Commissioner approves; and
- (c) before the scheme is implemented, the Commissioner, by written instrument, approves the scheme as an early retirement scheme for the purposes of this section.

These three conditions are discussed below.

All employees within a class approved by the Commissioner may participate in the scheme

52. In order to satisfy the first condition, the Scheme must be offered to all employees in a class approved by the Commissioner under paragraph 83-180(3)(a).

53. The class of employees to whom early retirement will be offered is set out in paragraph 17 (subject to the exclusions in paragraphs 18 to 20) of this Ruling.

54. The Commissioner considers that this is an appropriate class of persons for the Scheme to be offered. In approving this class of employees the Commissioner has considered the nature of the rationalisation or re-organisation of the operations of the employer. It is therefore considered that these employees meet the requirements of an approved class of employees for the purposes of paragraph 83-180(3)(a).

The employer's purpose in implementing the scheme is to rationalise or re-organise the employer's operations in a way approved by the Commissioner

55. The proposed Scheme must be implemented by the employer with a view to rationalising or re-organising the operations of the employer as described in paragraph 83-180(3)(b).

56. The facts at paragraphs 9 to 16 of this Ruling describe the nature of the rationalisation or re-organisation of the employer's operations. In approving the Scheme, the Commissioner has had regard to the changes in the operations and nature of the workforce of the employer. It is therefore considered the Scheme is to be implemented by the employer with a view to rationalising or re-organising the operations of the employer for the purposes of paragraph 83-180(3)(b).

The scheme must be approved by the Commissioner prior to its implementation

57. The Scheme is proposed to operate for a period from 5 September 2012 to 31 December 2013. The approval provided by this class ruling has been granted prior to implementation therefore for the purposes of paragraph 83-180(3)(c), this condition is satisfied.

58. The Scheme will be in operation for approximately 16 months. This is considered appropriate due to the circumstances of the restructure and the employees that will be given the option of early retirement under the Scheme.

Other relevant information

59. Under subsection 83-180(1) so much of the payment received by an employee because the employee retires under an early retirement scheme as exceeds the amount that could reasonably be expected to be received by the employee in consequence of the voluntary termination of his or her employment at the time of termination is an early retirement scheme payment.

60. It should be noted that, in order for a payment to qualify as an early retirement scheme payment, it must also satisfy the following requirements (as set out in subsections 83-180(2), 83-180(5) and 83-130(6)):

- the retirement occurred before the employee turned age 65 or such earlier date on which the employee's employment would have terminated under the terms of employment because of the employee attaining a certain age or completing a particular period of service (as the case may be);
- if the employee and the employer are not dealing with each other at arm's length (for example because they are related in some way) the payment does not exceed the amount that could reasonably be expected to be made if the retirement was made at arm's length;
- at the time of retirement there was no arrangement between the employee and the employer, or between the employer and another person, to employ the employee after the retirement;

- the payment must not be made in lieu of superannuation benefits; and
- it is not a payment mentioned in section 82-135 (apart from paragraph 82-135(e)).

61. The term arrangement is defined in subsection 995-1(1) as meaning 'any arrangement, agreement, understanding, promise or undertaking, whether express or implied, and whether or not enforceable (or intended to be enforceable) by legal proceedings'.

62. An early retirement scheme payment that falls within the specified limit is referred to as the 'tax free' amount and will not be assessable income and will not be exempt income.

63. For the 2012-13 income year, the tax free amount is limited to \$8,806 (base amount) plus \$4,404 (service amount) for each whole year of completed employment service to which the early retirement scheme payment relates. It should be noted that 6 months, 8 months or even 11 months do not count as a whole year for the purposes of this calculation. In accordance with section 960-285, the base limit and service amount limits will be indexed in line with average weekly ordinary time earnings for each income year.

64. The total of the amount received on the termination of employment calculated in accordance with paragraphs 21 to 23 of this ruling may qualify as an early retirement scheme payment.

65. The total payment calculated in accordance with paragraph 64 of this ruling will be measured against the limit calculated in accordance with the formula mentioned in paragraph 63 of this ruling to determine the 'tax free' amount of the early retirement scheme payment.

66. The 'tax free' amount will:

- not be an employment termination payment; and
- not be able to be rolled-over into a superannuation fund.

67. Any payment in excess of this limit will be an employment termination payment and split up into tax free and taxable components. The tax free component of an employment termination payment includes the pre-July 83 segment of the payment. The tax free component is not assessable income and is not exempt income.
