① This publication provides you with the following level of protection:

This publication (excluding appendixes) is a public ruling for the purposes of the *Taxation Administration Act 1953*.

A public ruling is an expression of the Commissioner's opinion about the way in which a relevant provision applies, or would apply, to entities generally or to a class of entities in relation to a particular scheme or a class of schemes.

If you rely on this ruling, the Commissioner must apply the law to you in the way set out in the ruling (unless the Commissioner is satisfied that the ruling is incorrect and disadvantages you, in which case the law may be applied to you in a way that is more favourable for you – provided the Commissioner is not prevented from doing so by a time limit imposed by the law). You will be protected from having to pay any underpaid tax, penalty or interest in respect of the matters covered by this ruling if it turns out that it does not correctly state how the relevant provision applies to you.

What this Ruling is about

1. This Ruling sets out the Commissioner's opinion on the way in which the relevant provision(s) identified below apply to the defined class of entities, who take part in the scheme to which this Ruling relates.

Relevant provision(s)

2. The relevant provisions dealt with in this Ruling are:

- section 83-170 of the *Income Tax Assessment Act 1997* (ITAA 1997); and
- section 83-180 of the ITAA 1997.

All legislative references are to the ITAA 1997 unless otherwise indicated.

Class of entities

3. The class of entities to which this Ruling applies is those employees of the Parks Victoria, shown at paragraph 15, who receive a payment under the scheme described in paragraphs 9 to 39 of this Ruling.

Qualifications

4. The class of entities defined in this Ruling may rely on its contents provided the scheme actually carried out is carried out in accordance with the scheme described in paragraphs 9 to 39 of this Ruling.

5. If the scheme actually carried out is materially different from the scheme that is described in this Ruling, then:

- this Ruling has no binding effect on the Commissioner because the scheme entered into is not the scheme on which the Commissioner has ruled; and
- this Ruling may be withdrawn or modified.

Date of effect

7. This Ruling applies from 10 October 2012 to 30 June 2013. The Ruling continues to apply after 30 June 2013 to all entities within the specified class who entered into the specified scheme during the term of the Ruling. However, this Ruling will not apply to taxpayers to the extent that it conflicts with the terms of a settlement of a dispute agreed to before the date of issue of this Ruling (see paragraphs 75 and 76 of Taxation Ruling TR 2006/10).

Scheme

8. The following description of the scheme is based on information provided by the applicant.
9. Parks Victoria is seeking the Commissioner's approval to implement an early retirement scheme in accordance with section 83-180.
10. The scheme will be titled 'Parks Victoria Voluntary Departure Program 2012-13', referred to as the Scheme.
11. Parks Victoria is a statutory agency of the Victorian Government and provides park and waterway management services, and provides resources to support the Victorian Government's public land fire and emergency management.
12. In 2010-11, a review of the financial sustainability of Parks Victoria was undertaken. A key recommendation of the review was to reduce labour expenditure through workforce management.
13. In order to achieve the savings, Parks Victoria will introduce a new organisational structure to reflect a reduction in its workforce and re-prioritisation of work in a number of areas.
14. The purpose in implementing the Scheme is to rationalise and re-organise the employer's operations and will assist Parks Victoria in employment reductions in areas predominantly from corporate divisions, management and administrative functions so as to minimise the impact on direct on-ground park and waterway service delivery and bushfire management and delivery and response activities.
15. The class of employees to whom the Scheme applies is employees of Parks Victoria who have ongoing employment status on the first day expressions of interest are open.
16. Participation in the Scheme is entirely voluntary.
17. All eligible employees under the Scheme will be offered a lump sum payment as follows:
- (a) Four weeks' pay in lieu of notice on cessation;
 - (b) A lump sum voluntary departure incentive of up to \$10,000 (for a full-time employee);
 - (c) Two weeks' pay per completed year of continuous service in the Victorian Public Sector up to a maximum of 15 years.
18. For part-time employees, payments (a) and (b) will be calculated at the part-time rate. For employees who have a period of part-time employment in the most recent years of continuous service, payment (c) will be a pro-rata payment.

19. Where an employee who is offered a voluntary departure package (VDP) has less than one year's service, they will receive a corresponding fraction of the VDP they would have been paid at one year.

20. All employees terminated under the Scheme will receive their accrued annual leave and unused long service leave entitlements in accordance with the relevant enterprise agreement. However, they do not form part of the payment made under the Scheme.

21. The maximum number of VDPs available under the Scheme program for the eligible staff of Parks Victoria is limited.

22. Where the number of employees seeking access to the Scheme exceeds the number of packages specified as available in a particular category, an offer will be made to those eligible employees within a category who have the longest period of continuous service with the Victorian Public Sector.

23. Parks Victoria may give consideration to allowing more VDPs from areas that are oversubscribed if there are areas that are undersubscribed until the maximum number of packages have been exhausted.

24. If the expressions of interest from eligible employees are less than the number of employees required to participate in the Scheme, Parks Victoria may seek to undertake a second round of offers (based on the same criteria as the first round) to be made to eligible employees.

25. Staff in the following positions within Parks Victoria will not be eligible to participate in the Scheme. They are:

- Payroll team staff in the Corporate Services Division;
- Manager Human Resources and Employee Relations Manager in the Corporate Services Division;
- Manager Occupational Health and Safety in the Corporate Services Division;
- Senior Manager Accountant and Manager Corporate Finance in the Corporate Services Division;
- Manager Corporate Communications, Senior Strategic Planner-Strategy and Business and Strategic Planner-Corporate Planning and Reporting in the Corporate Strategy Directorate.
- District Chief Rangers, Rangers in Charge, Rangers, and Field Services Officers in the Regions Division.

26. In addition, staff in the following categories are excluded from participating in the Scheme. They are:

- Executive Officers;
- Fixed term employees;
- Casual employees;

- Employees who have resigned in writing prior to the first day that expressions of interest are open;
- Employees who are on probation and other trial arrangements; or
- Employees who are recipients of WorkCover salary payments, but not including employees on WorkCover who have returned to work on full pre-injury duties.

27. Following approval of the Scheme, eligible employees will be invited to express an interest in the Scheme and will have seven calendar days from the announcement of the Scheme to express an interest in the Scheme.

28. Once an eligible employee has expressed an interest an offer will be made within 21 calendar days from the closing date of the expression of interest.

29. If a class of employee is over-subscribed and an employee rejects an offer, the next employee, as determined by the criteria, will be made an offer until the stated quota is filled, or all applicants in that particular category have received an offer.

30. Employees will have 14 calendar days to consider the offer and make a decision to accept or reject the offer.

31. Employees who accept an offer to retire under the Scheme will generally be required to cease employment within 21 calendar days. However, an alternative exit date may be determined by mutual agreement between the employer and agreed with the employee due to organisation requirements after acceptance of the offer.

32. All eligible employees who accept an offer will receive the package and terminate employment no later than 30 June 2013.

33. It is proposed the Scheme will be implemented from the date after the Commissioner's approval to 30 June 2013.

34. The payments made under the Scheme do not include any payment in lieu of superannuation benefits.

35. The payments made under the Scheme will be at arm's length.

36. Recipients of the Scheme are required to agree not to seek or accept re-employment or any other fee for service from any Victorian Public Service Sector employer for a minimum of three calendar years from the date of their separation.

37. The retirement of employees who receive a payment under the Scheme will occur before they turn 65 years of age.

38. Staff aged 65 and older will be eligible to participate in the Scheme, however for payments made to eligible employees who have reached age 65 and older the payments will not be an early retirement scheme payment and will not be eligible for the tax free base limits under the Scheme. These payments will be concessional taxed as employment termination payments.

39. All eligible employees are employed under the Parks Victoria Agreement 2008.

Ruling

40. The early retirement scheme to be implemented by Parks Victoria is an early retirement scheme for the purposes of section 83-180.

41. Accordingly, so much of the payment received by an employee that exceeds the amount that could be reasonably be expected to be received by the employee in consequence of voluntary termination of his or her employment at the time of the retirement will be an early retirement scheme payment.

42. In addition, so much of the early retirement scheme payment as falls within the threshold calculated in accordance with section 83-170 is not assessable income and is not exempt income.

Commissioner of Taxation

Appendix 1 – Explanation

❶ *This Appendix is provided as information to help you understand how the Commissioner's view has been reached. It does not form part of the binding public ruling.*

43. Where a scheme satisfies the requirements of subsection 83-180(3), that scheme will be an early retirement scheme.

44. Subsection 83-180(3) states that:

A scheme is an **early retirement scheme** if:

- (a) all the employer's employees who comprise such a class of employees as the Commissioner approves may participate in the scheme; and
- (b) the employer's purpose in implementing the scheme is to rationalise or re-organise the employer's operations by making any change to the employer's operations, or the nature of the work force, that the Commissioner approves; and
- (c) before the scheme is implemented, the Commissioner, by written instrument, approves the scheme as an early retirement scheme for the purposes of this section.

These three conditions are discussed below.

All employees within a class approved by the Commissioner may participate in the scheme

45. In order to satisfy the first condition, the Scheme must be offered to all employees in a class approved by the Commissioner under paragraph 83-180(3)(a).

46. The class of employees to whom early retirement will be offered is set out in paragraph 15 of this Ruling.

47. The Commissioner considers that this is an appropriate class of persons for the Scheme to be offered. In approving this class of employees the Commissioner has considered the nature of the rationalisation or re-organisation of the operations of the employer. It is therefore considered that these employees meet the requirements of an approved class of employees for the purposes of paragraph 83-180(3)(a).

The employer's purpose in implementing the scheme is to rationalise or re-organise the employer's operations in a way approved by the Commissioner

48. The proposed Scheme must be implemented by the employer with a view to rationalising or re-organising the operations of the employer as described in paragraph 83-180(3)(b).

49. The facts at paragraphs 11 to 14 of this Ruling describe the nature of the rationalisation or re-organisation of the employer's operations. In approving the Scheme, the Commissioner has had regard to the changes in the operations and nature of the workforce of the employer. It is therefore considered the Scheme is to be implemented by the employer with a view to rationalising or re-organising the operations of the employer for the purposes of paragraph 83-180(3)(b).

The scheme must be approved by the Commissioner prior to its implementation

50. The Scheme is proposed to operate for a period from *(the date after the Commissioner's approval)* to 30 June 2013. The approval provided by this class ruling has been granted prior to implementation therefore for the purposes of paragraph 83-180(3)(c), this condition is satisfied.

51. The Scheme will be in operation for approximately ten months. This is considered appropriate due to the circumstances of the restructure and the employees that will be given the option of early retirement under the Scheme.

Other relevant information

52. Under subsection 83-180(1) so much of the payment received by an employee because the employee retires under an early retirement scheme as exceeds the amount that could reasonably be expected to be received by the employee in consequence of the voluntary termination of his or her employment at the time of termination is an early retirement scheme payment.

53. It should be noted that, in order for a payment to qualify as an early retirement scheme payment, it must also satisfy the following requirements (as set out in subsections 83-180(2), 83-180(5) and 83-180(6)):

- the retirement occurred before the employee turned age 65 or such earlier date on which the employee's employment would have terminated under the terms of employment because of the employee attaining a certain age or completing a particular period of service (as the case may be);
- if the employee and the employer are not dealing with each other at arm's length (for example because they are related in some way) the payment does not exceed the amount that could reasonably be expected to be made if the retirement was made at arm's length;

- at the time of retirement there was no arrangement between the employee and the employer, or between the employer and another person, to employ the employee after the retirement;
- the payment must not be made in lieu of superannuation benefits;
- it is not a payment mentioned in section 82-135 (apart from paragraph 82-135(e)).

54. The term arrangement is defined in subsection 995-1(1) as meaning 'any arrangement, agreement, understanding, promise or undertaking, whether express or implied, and whether or not enforceable (or intended to be enforceable) by legal proceedings'.

55. An early retirement scheme payment that falls within the specified limit is referred to as the 'tax free' amount and will not be assessable income and will not be exempt income.

56. For the 2012-13 income year, the tax free amount is limited to \$8,806 (base amount) plus \$4,404 (service amount) for each whole year of completed employment service to which the early retirement scheme payment relates. It should be noted that 6 months, 8 months or even 11 months do not count as a whole year for the purposes of this calculation. In accordance with section 960-285, the base limit and service amount limits will be indexed in line with average weekly ordinary time earnings for each income year.

57. The total of the amount received on the termination of employment calculated in accordance with paragraphs 17 to 19 of this ruling may qualify as an early retirement scheme payment.

58. The total payment calculated in accordance with paragraph 57 of this ruling will be measured against the limit calculated in accordance with the formula mentioned in paragraph 56 of this ruling to determine the 'tax free' amount of the early retirement scheme payment.

59. The 'tax free' amount will:

- not be an employment termination payment; and
- not be able to be rolled-over into a superannuation fund.

60. Any payment in excess of this limit will be an employment termination payment and split up into tax free and taxable components. The tax free component of an employment termination payment includes the pre-July 83 segment of the payment. The tax free component is not assessable income and is not exempt income.
