2. Details of this scheme are set out in paragraphs 9 to 23 of this Ruling.
3. All legislative references in this Ruling are to the *Income Tax Assessment Act 1997*, unless otherwise indicated.

 - were entitled to reduce the amount included in your assessable income in accordance with section 83A-35 (with the exception of the condition in subsection 83A-45(4) – minimum holding period) when you acquired the SESP Shares

Status: **legally binding**

When this Ruling applies

Ruling

Minimum holding period satisfied

6. The Commissioner will allow the minimum holding period to end at the earlier time of 28 February 2024 for the SESP Shares you acquired on 11 February 2022 or 10 February 2023 under the Plan (paragraph 83A-45(5)(a)).

Minimum holding period not satisfied

7. The Commissioner will not allow the minimum holding period to end at the earlier time of 28 February 2024 for the SESP Shares you acquired on 20 December 2023 under the Plan (paragraph 83A-45(5)(a)).

8. Therefore, your assessable income for the income year ending 30 June 2024 includes the discount given in relation to the SESP Shares you acquired on 20 December 2023 under the Plan (section 83A-25) as you are not entitled to reduce that amount included in your assessable income (subsections 83A-35(1) and 83A-45(4)).

When the minimum holding period ends

24. One of the conditions which allowed you to reduce the amount included in your assessable income when you acquired the SESP Shares was that the Plan Rules restricted the SESP Shares being disposed of within the minimum holding period of 3 years or when you ceased employment with Symbio (sections 83A-35 and 83A-45).

25. However, the Commissioner can allow the minimum holding period to end earlier, if the Commissioner is satisfied that:

- Symbio intended that the requirements, as set out in subsection 83A-45(4), would apply to the SESP Shares during the 3 years (subparagraph 83A-45(5)(a)(i)), and
- at the earlier time that the Commissioner allows, all Symbio shares were disposed of under a particular scheme (subparagraph 83A-45(5)(a)(ii)).

26. The Commissioner is satisfied that the Plan Rules prevented employees from disposing of the SESP Shares until the earlier of the 3-year anniversary of the date the SESP Shares were acquired or the day after the date they ceased to be employed by Symbio.

27. All Symbio shares, including the SESP Shares, were disposed of under the scheme of arrangement.

Minimum holding period satisfied

28. The Commissioner is satisfied that the requirements of subparagraphs 83A-45(5)(a)(i) and (ii) are met and will allow the minimum holding period to end at the earlier time of 28 February 2024 for the SESP Shares you acquired on 11 February 2022 or 10 February 2023 under the Plan.

29. Therefore, you remain entitled to reduce the amount included in your assessable income in relation to the SESP Shares you acquired on 11 February 2022 or 10 February 2023 under the Plan in accordance with section 83A-35.

Minimum holding period not satisfied

30. The Commissioner is not satisfied that the requirements of subparagraphs 83A-45(5)(a)(i) and (ii) are met and will not allow the minimum holding period to end at the

Status: **not legally binding**

earlier time of 28 February 2024 for the SESP Shares you acquired on 20 December 2023 under the Plan.

31. When Participants acquired the SESP Shares on 20 December 2023, ABB and Symbio had already entered into a Scheme Implementation Agreement under which ABB had agreed to acquire all the Symbio shares via the scheme of arrangement. Having regard to the circumstances surrounding the proposed scheme of arrangement, it is reasonable to conclude that the operator of the Plan was aware (or should have been aware) that the SESP Shares acquired on 20 December 2023 would be disposed of within the 3 years of the shares being acquired.

32. Therefore, your assessable income for the income year ending 30 June 2024 includes the discount given in relation to the SESP Shares you acquired on 20 December 2023 under the Plan (section 83A-25) as you are not entitled to reduce that amount included in your assessable income (subsections 83A-35(1) and 83A-45(4)).

Status: **not legally binding**
