Ruling**CGT event A1 happened on the disposal of your APM Human Services International Limited ordinary shares**

7. CGT event A1 happened when you disposed of your APM ordinary shares to TopCo (section 104-10).

8. The time of CGT event A1 was on the Implementation Date (paragraph 104-10(3)(b)).

Capital proceeds – all cash consideration

9. If you received all cash consideration under the scheme, your capital proceeds from CGT event A1 happening is \$1.45 for each APM ordinary share you disposed of (paragraph 116-20(1)(a)).

Capital proceeds – all scrip consideration

The market value of the TopCo shares is worked out at the time of CGT event A1 happening.

Capital proceeds – mixed consideration

12. If you received mixed consideration under the scheme, your capital proceeds from CGT event A1 happening to each of your APM ordinary shares was the:

- cash payment of \$0.145 per APM ordinary share you received for 10% of the APM ordinary shares you disposed of (paragraph 116-20(1)(a)), and
- market value (worked out at the time of CGT event A1 happening) of the Series A shares and Series B shares you have received in TopCo for the remaining 90% of the APM ordinary shares you disposed of (paragraph 116-20(1)(b)).

Availability of scrip for scrip roll-over

16. Subject to the qualification in paragraph 17 of this Ruling, if you received all scrip consideration or mixed consideration under the scheme and made a capital gain from the disposal of your APM ordinary shares, you may choose to obtain scrip for scrip roll-over relief to disregard your capital gain for the part of the capital gain that is referable to the receipt of the new TopCo shares (sections 124-780 and 124-790). Scrip for scrip roll-over is not available if you made a capital loss.

17. You cannot choose scrip for scrip roll-over if any capital gain you might make from a replacement TopCo share would be disregarded, except because of a roll-over (paragraph 124-795(2)(a)).

Consequences if you choose scrip for scrip roll-over for your APM Human Services International Limited ordinary shares***All scrip consideration***

18. If you received all scrip consideration, where scrip for scrip roll-over is available and you choose it, the capital gain you made disposing of your APM ordinary shares is disregarded (subsection 124-785(1)).

Mixed consideration

19. If you received mixed consideration, where scrip for scrip roll-over is available and you choose it, the part of the capital gain that is attributable to the receipt of the replacement TopCo shares is disregarded (subsection 124-785(1)).

20. If you received mixed consideration, any part of the capital gain that is attributable to the receipt of cash consideration is not disregarded because it is ineligible proceeds for which roll-over is not available (subsection 124-790(1)).

Cost base and reduced cost base of shares in Ancora TopCo Ltd

21. If you choose scrip for scrip roll-over, the first element of the cost base and reduced cost base of a replacement TopCo share you received is worked out by reasonably attributing to it the cost base and reduced cost base (respectively) of the APM ordinary shares for which it was exchanged and for which you obtained the roll-over (subsections 124-785(2) and (4)).

22. The market value of the APM ordinary shares that is attributable to the receipt of cash consideration is not included in the cost base or reduced cost base of the replacement TopCo share (subsection 112-30(1)).

Status: **legally binding**

Acquisition date of shares in Ancora TopCo Ltd

23. If you choose scrip for scrip roll-over, for the purposes of working out whether a future capital gain made in respect of your TopCo shares is a discount capital gain, the TopCo shares you acquired in exchange for your APM ordinary shares are taken to have been acquired on the date you acquired the corresponding APM ordinary shares in relation to which roll-over was chosen (table item 2 of subsection 115-30(1)).

Consequences if you do not choose, or cannot choose partial or full scrip for scrip roll-over for your APM Human Services International Limited ordinary shares**Capital gain or capital loss is not disregarded**

24. If you do not choose, or cannot choose scrip for scrip roll-over, you must take into account any capital gain or capital loss from CGT event A1 happening on the disposal of your APM ordinary shares in working out your net capital gain or net capital loss for the income year in which CGT event A1 happened (sections 102-5 and 102-10).

25. If you made a capital gain from CGT event A1 happening on the disposal of your APM ordinary shares where scrip for scrip roll-over is not chosen, or cannot be chosen, you can treat the capital gain as a discount capital gain provided that the conditions of Subdivision 115-A are met. In particular, the APM ordinary shares you disposed of must have been acquired at least 12 months before the Implementation Date (section 115-25).

Cost base and reduced cost base of shares in Ancora TopCo Ltd

26. If you do not choose, or cannot choose scrip for scrip roll-over, the first element of the cost base and reduced cost base of a replacement TopCo share you received is equal to the market value of your APM ordinary share (worked out as at the Implementation Date) that is reasonably attributable to the total number of TopCo shares you acquired on the Implementation Date (subsection 112-30(1)).

Acquisition date of shares in TopCo

27. If you do not choose, or cannot choose scrip for scrip roll-over, the acquisition date of the TopCo shares is the date on which those shares were issued to you, being the Implementation Date (table item 2 of section 109-10).
