13. Under the Plan, InvoCare made offers to eligible employees to acquire up to \$1,000 of ordinary shares in InvoCare via a salary sacrifice arrangement.

15. At the time of the offers, the employees to whom the offers were made were employed by InvoCare Group.

16. No offers on the Plan were made after 1 July 2022.

Appendix – Explanation

① *This Explanation is provided as information to help you understand how the Commissioner's view has been reached. It does not form part of the binding public ruling.*

When the minimum holding period ends

22. Section 83A-35 allows for a reduction in the amount included in your assessable income for certain ESS Interests that you acquire. One of the requirements is that you meet the minimum holding period (subsection 83A-45(4)).

23. Broadly, the minimum holding period is met when the scheme is operated so that it does not allow you to dispose of the InvoCare shares for 3 years. However, the Commissioner can allow an earlier period if the Commissioner is satisfied that:

- InvoCare intended that the requirements, as set out in subsection 83A-45(4), would apply to these shares during the 3 years (subparagraph 83A-45(5)(a)(i)), and
- at the earlier time that the Commissioner allows, all InvoCare shares were disposed of under a particular scheme (subparagraph 83A-45(5)(a)(ii)).

24. The Commissioner is satisfied that the Rules prevented you from disposing of your InvoCare Shares until the earlier of the 3-year anniversary of the date of when you acquired the shares or the day after you ceased to be employed by the InvoCare Group.

25. All InvoCare shares, were disposed of under a scheme such that BidCo became the sole holder of these shares.

26. Accordingly, the Commissioner is satisfied that the requirements of subparagraphs 83A-45(5)(a)(i) and (ii) are met and will allow the minimum holding period to end at the earlier time of 24 November 2023.

Status: **not legally binding**
