

***TD 93/D293W - Withdrawal - Will the Commissioner adjust the business use of a motor vehicle if certain business journeys recorded in a log book are found to be either false, private or have not significantly complied with the log book requirements of the substantiation legislation?***

 This cover sheet is provided for information only. It does not form part of *TD 93/D293W - Withdrawal - Will the Commissioner adjust the business use of a motor vehicle if certain business journeys recorded in a log book are found to be either false, private or have not significantly complied with the log book requirements of the substantiation legislation?*

## Notice of Withdrawal

**Will the Commissioner adjust the business use of a motor vehicle if certain business journeys recorded in a log book are found to be either false, private or have not significantly complied with the log book requirements of the substantiation legislation?**

Draft Taxation Determination TD 93/D293 is withdrawn with effect from today.

The topic is not considered to be a high priority and does not justify a public ruling.

**Commissioner of Taxation**

30 August 1995
