

TD 94/D30W - Withdrawal - Is there a deemed assessment under subsection 166A of the Income Tax Assessment Act 1936 when a company furnishes a return for a year of income specifying that its taxable income is nil?

 This cover sheet is provided for information only. It does not form part of *TD 94/D30W - Withdrawal - Is there a deemed assessment under subsection 166A of the Income Tax Assessment Act 1936 when a company furnishes a return for a year of income specifying that its taxable income is nil?*

Notice of Withdrawal

Is there a deemed assessment under subsection 166A of the *Income Tax Assessment Act 1936* when a company furnishes a return for a year of income specifying that its taxable income is nil?

Draft Taxation Determination TD 94/D30 is withdrawn with effect from today.

The topic is not considered to be a high priority and does not justify a public ruling.
