

TD 94/D75W - Withdrawal - Will the new definition of the term 'undeducted purchase price' include any other component besides undeducted contributions, where the relevant pension or annuity has been purchased on or after 1 July 1994 using the residual capital value of an earlier pension or annuity?

 This cover sheet is provided for information only. It does not form part of *TD 94/D75W - Withdrawal - Will the new definition of the term 'undeducted purchase price' include any other component besides undeducted contributions, where the relevant pension or annuity has been purchased on or after 1 July 1994 using the residual capital value of an earlier pension or annuity?*

Notice of Withdrawal

Will the new definition of the term "undeducted purchase price" include any other component besides undeducted contributions, where the relevant pension or annuity has been purchased on or after 1 July 1994 using the residual capital value of an earlier pension or annuity?

Draft Taxation Determination TD 94/D75 is withdrawn with effect from today.

The topic is not considered to be a high priority and does not justify a public ruling.
