Goods and Services Tax Industry Issue Detailed Food List

This Addendum is a public ruling for the purposes of the *Taxation Administration Act 1953*. It amends Goods and Services Tax Industry Issue GSTII FL1 to:

- align entries with Goods and Services Tax Determination GSTD 2025/1 *Goods and services tax: supplies of food of a kind marketed as a prepared meal*
- add new food and beverage product lines
- delete duplicate entries, and
- combine similar entries.

GSTII FL1 is amended as follows:

1. Paragraphs 1 and 2

Omit the paragraphs, including the heading above paragraph 1.

2. Paragraph 3

Omit 'GST'; substitute 'goods and services tax (GST)'.

3. Paragraph 4

Omit 'GST Act'; substitute '*A New Tax System (Goods and Services Tax) Act 1999 (GST Act)*'.

4. Paragraph 8

- (a) At the end of the first dot point, insert '(dine-in)'
- (b) At the end of the second dot point, insert '(hot takeaway)'.

5. Paragraph 9

- (a) Omit the wording of the paragraph; substitute:
Accordingly, if the food products are of a kind listed in Schedule 1 of the GST Act, the food products will not be GST-free. Conversely, beverages not of a kind listed in clause 1 of Schedule 2 of the GST Act will not be GST-free.

- (b) After the paragraph, insert new paragraph 9A, including heading:

Context

9A. Except where the item in the detailed food list indicates otherwise, the GST status of an item has been set out on the basis that:

- the requirements for the supply to be a taxable supply under paragraphs 9-5(a) to (d) of the GST Act have been satisfied
- the item meets the definition of food under the GST Act and is for human consumption when supplied¹
- the food or beverage is not supplied as a dine-in or hot takeaway item
- if the product is imported, it will be a non-taxable importation if the GST-status for that product in the detailed food list is GST-free
- where table item 4 of Schedule 1 of the GST Act applies, the product is of sufficient quantity (150 grams or more) or is sold in a situation where the consumer could choose or measure the amount they purchase²
- words used in the item description that are not defined in GST law³, are taken to have their ordinary meaning.

- (c) In new paragraph 9A, in the second dot point after 'supplied', insert new footnote 1:

¹ Refer to Goods and Services Tax Industry Issues Food Industry Partnership *What is food? Items that are not food, include health supplements, pool salt, pet food and other items sold for use in making medicines or cosmetics.*

- (d) In new paragraph 9A, at the end of the fifth dot point, insert new footnote 2:

² Refer to paragraph 53 of Goods and Services Tax Determination GSTD 2025/1 *Goods and services tax: supplies of food of a kind marketed as a prepared meal.*

- (e) In new paragraph 9A, in the sixth dot point after 'GST law', insert new footnote 3

³ GST law covers the GST Act and the *A New Tax System (Goods and Services Tax) Regulations 2019.*

6. Paragraphs 10 and 11

Omit the paragraphs.

Date	Change
	<p>The word 'refrigerated' has been substituted for 'fresh' in entries for cannelloni, carbonara, lasagne, meals (complete), noodles in sauce and pasta meals in the alphabetical listing on 18 February 2009.</p> <p>These items were updated because these items are only taxable as prepared meals where refrigeration or freezing is required for their storage. While the description 'fresh' may imply that refrigeration is required to store the product it was decided to use the word 'refrigeration' to more closely reflect the legislation.</p>
03/10/2008	<p>Pizza rolls</p> <p>For more information about the GST treatment of pizza rolls, refer to GST and pizza rolls fact sheet.</p>
30/09/2008	<p>Item removed</p> <p>'Wine – non-alcoholic, non-carbonated containing 90% by volume of fruit or vegetable juice' was removed from 'W' in the alphabetical listing on 30 September 2008.</p> <p>The item was removed because it was included in this location in the GST Detailed food list in error. The item, which follows item 12 in Schedule 2 to the GST Act is still listed under 'N' in the alphabetical listing.</p>
27/08/2008	<p>Breakfast bars</p> <p>Consist predominantly of cereals and sugars, may contain other ingredients such as fruits and/or nuts and are of a similar size and shape to muesli bars.</p> <p>GST status: taxable</p> <p>For more information about breakfast bars, refer to goods and services tax determination GSTD 2008/2 – Goods and services tax: are supplies of food known as breakfast bars GST-free?</p>

This Addendum applies to tax periods both before and after its date of issue. As the Addendum applies both before and after its date of issue, both the pre-addendum wording of GSTII FL1 and the revised wording in the Addendum will apply for overlapping periods of time. In these circumstances, entities can choose to rely on either version when applying GSTII FL1 during that period.¹
