Separately titled garage – not sold with a residential unit

The Goods and Services Tax Industry Issue titled *Separately titled garage – not sold with a residential unit* is withdrawn with effect from today.

1. The issue concerns whether the supply of a separately titled residential unit garage (not sold with a residential unit) is an input taxed supply of residential premises under section 40-65 of *A New Tax System (Goods and Services Tax) Act 1999*.
2. The issue is being withdrawn because the Commissioner's views on this issue are now set out in Goods and Services Tax Ruling GSTR 2012/5 *Goods and services tax: residential premises*.
