### Goods and Services Tax Determination

Goods and services tax: are outgoings payable by a tenant under a commercial property lease part of the consideration for the supply of the premises?

This Addendum amends Goods and Services Tax Determination GSTD 2000/10 to reflect amendments to the *A New Tax System (Goods and Services Tax) Act 1999* (GST Act). In particular, the Addendum updates GSTD 2000/10 for amendments made to Subdivision 29-C and Division 81.

The amendments to Subdivision 29-C are in relation to tax invoices and apply to net amounts for tax periods starting on or after 1 July 2010.

The amendments to Division 81 are in relation to payments of taxes, fees and charges imposed on or after 1 July 2011.

The Addendum also makes further minor amendments to GSTD 2000/10 to correct other minor non-technical errors and to update the references section of GSTD 2000/10.
