Goods and Services Tax Ruling

Goods and services tax: Division 129 – making adjustments for changes in extent of creditable purpose

This Addendum is a public ruling for the purposes of the *Taxation Administration Act 1953*. It amends Goods and Services Tax Ruling GSTR 2000/24 to reflect:

- **The addition of Division 133 to the *A New Tax System (Goods and Services Tax) Act 1999 (GST Act)* made by the *Tax Laws Amendment (2009 GST Administration Measures) Act 2010*.**

This legislative change relates to a special decreasing adjustment for an acquisition that you made if, to take account of a GST liability that the supplier is subsequently found to have, you provide additional consideration at a time when you can no longer claim an input tax credit.

- **The insertion into the GST Act of Division 134 resulting from *Tax Laws Amendment (2010 GST Administration Measures No. 1) Act 2010*, and amendments by *Tax Laws Amendment (2010 GST Administration Measures No. 3) Act 2010* and *Tax Laws Amendment (2010 GST Administration Measures No. 4) Act 2010*.**

These changes relate to the GST treatment of certain third party payments (sometimes described as manufacturer's rebates) made on or after 1 July 2010.

- **The withdrawal and replacement of Goods and Services Tax Ruling GSTR 2000/22, Goods and Services Tax Ruling GSTR 2000/15, and Goods and Services Tax Bulletin GSTB 2000/2.**

These rulings, relating to methodologies for determining the extent of creditable purpose, were replaced by Goods and Services Tax Ruling GSTR 2006/3, Goods and Services Tax Ruling GSTR 2006/4, and Goods and Services Tax Bulletin GSTB 2006/1.
