Goods and Services Tax Ruling

Goods and services tax: supplies that are GST-free for tertiary education courses

This Addendum is a public ruling for the purposes of the *Taxation Administration Act 1953*. It amends Goods and Services Tax Ruling GSTR 2001/1 to:

- reflect the withdrawal and replacement of Goods and Services Tax Ruling GSTR 2000/20 *Goods and services tax: commercial residential premises*;
- reflect amendments made by the *Tax Laws Amendment (2010 GST Administration Measures No. 2) Act 2010* in relation to Subdivision 29-C of the *A New Tax System (Goods and Services Tax) Act 1999*;
- reflect changes made by the *Tax Laws Amendment (2007 Measures No. 4) Act 2007* to omit references to 'Masters or Doctoral Course' throughout the GST Act;
- reflect the latest Education Minister's Determination made under subsections 3(1) and 5D(1) of the *Student Assistance Act 1973*, the *Student Assistance (Education Institutions and Courses) Determination 2009 (No. 2)*; and
- reflect the Education Minister's Determination made under paragraph (b) of the definition of 'tertiary course' in section 195-1 of the *A New Tax System (Goods and Services Tax) Act 1999*, the *A New Tax System (Goods and Services Tax) (Tertiary Courses) Determination 2014*.

The Addendum also makes other minor changes.

GSTR 2001/1 is amended as follows:

1. Paragraph 2

2. Paragraph 5

In the first sentence, omit: '[to tax periods commencing]'.

(a) After 'A tertiary course means:', insert footnote:

^{4A} Section 195-1.

(b) Omit footnote 5; substitute:

⁵ Education Minister means the Minister administering the *Student Assistance Act 1973*. See section 195-1.

(c) Omit footnote 6; substitute:

⁶ See the *Student Assistance (Education Institutions and Courses) Determination 2009 (No. 2)*.

(d) After paragraph (a); insert:

(aa) a course of study or instruction accredited at Masters or Doctoral level and supplied by a higher education institution or a non-government higher education institution; or

(e) Omit footnote 7; substitute:

⁷ *A New Tax System (Goods and Services Tax) (Tertiary Courses) Determination 2014*.

5. Footnote 8

Omit the footnote; substitute:

⁸ *The Student Assistance (Education Institutions and Courses) Determination 2009 (No. 2)*.

6. Paragraph 15

(a) Omit the paragraph; substitute:

15. A course provided under contract, by an entity that is not an education institution specified for that course in the Education Minister's determination, that is specifically designed for non-resident students, and is not available to resident students, is not an approved tertiary course under the Education Minister's determination.

(b) After paragraph 15, insert:

Requirements specified in paragraph (aa) of a 'tertiary course' as defined in the Act

15A. A tertiary course also includes a course of study or instruction accredited at Masters or Doctoral level and supplied by a higher education institution or a non-government higher education institution.

15B. A higher education institution means an entity that is a higher education provider as defined in section 16-1 of the *Higher Education Support Act 2003*.^{8A} A non-government higher education institution means an institution that is not a higher education institution and that is either established as a non-government higher education institution under a law of a State or Territory or is registered by a State or Territory higher education recognition authority.^{8B}

7. Paragraph 17

(a) Omit the paragraph including the footnote; substitute:

17. A determination made by the Education Minister under paragraph (b) requires the unanimous agreement of the Standing Council for Federal Financial Relations under the Intergovernmental Agreement on Federal Financial Relations.⁹

(b) After paragraph 17, insert:

17A. The Education Minister has made a determination for the purpose of paragraph (b).^{9A} The determination provides that a course of study or instruction that is not full-time is a tertiary course for the purposes of the GST Act, but only if it would, if provided on a full-time basis, meet the requirements of a tertiary course under subsection 5D(1) of the *Student Assistance Act 1973*.^{9B}

17B. The purpose of the determination is to extend the definition of tertiary course to include courses provided on a part-time basis. Such courses are not otherwise covered by the definition because the determination made by the Education Minister under subsection 5D(1) requires that a tertiary course is a full-time course.

17C. The determination applies from the date that the previous determination made by the Education Minister under subsection 5D(1) (*Student Assistance (Education Institutions and Courses) Determination 2009 (No. 1)*) commenced, to ensure that relevant part-time tertiary courses supplied on or after 21 March 2009 are treated as GST-free.

^{8A} Section 195-1.

^{8B} Section 195-1.

⁹ Clause A16 of Schedule A of the Intergovernmental Agreement on Federal Financial Relations provides that a proposal to vary the GST base by way of a Ministerial determination under the GST Act will require the unanimous agreement of the Standing Council. See clauses A3 to A8 of Schedule A concerning the Standing Council for Federal Financial Relations.

^{9A} *A New Tax System (Goods and Services Tax) (Tertiary Courses) Determination 2014*.

^{9B} The requirements are specified in the *Student Assistance (Education Institutions and Courses) Determination 2009 (No. 2)*.
