Addendum

Goods and Services Tax Ruling

Goods and services tax: GST treatment of financial supplies and related supplies and acquisitions

This Addendum amends Goods and Services Tax Ruling GSTR 2002/2 to reflect the amendments to the *A New Tax System (Goods and Services Tax) Act 1999* resulting from the introduction of the *Tax Laws Amendment (Small Business) Act 2007*. This Act standardises the eligibility criteria for small business tax concessions from 1 July 2007.

GSTR 2002/2 is amended as follows:

1. Footnote 76

Omit 'annual turnover'; substitute 'GST turnover'.

This Addendum explains our view of the law as it applied from 1 July 2007. You can rely upon this Addendum on and from its date of issue for the purpose of section 105-60 of Schedule 1 to the *Taxation Administration Act 1953*. If this Addendum conflicts with a previous private ruling that you have obtained or a previous public ruling, this Addendum prevails. However, if you have relied on a previous ruling (including the public Ruling that the Addendum amends), you are protected in respect of what you have done up to the date of issue of the Addendum or, if there is a change to the legislation, you are protected in respect of what you have done up to the date the legislative change takes effect. This means that if you have relied on the earlier ruling and have underpaid an amount of GST, you are not liable for the shortfall prior to either the issue date of this Addendum or the date the legislative change takes effect, as appropriate. Similarly, if you have relied on the earlier ruling you are not liable to repay an amount overpaid by the Commissioner as a refund.
