### Goods and Services Tax Ruling

Goods and services tax: the scope of subsection 38-190(3) and its application to supplies of things (other than goods or real property) made to non-residents that are GST-free under item 2 in the table in subsection 38-190(1) of the *A New Tax System (Goods and Services Tax) Act 1999*

This Addendum amends Goods and Services Tax Ruling GSTR 2005/6 to reflect amendments to the *A New Tax System (Goods and Services Tax) Act 1999* (GST Act), which were made by *Tax Laws Amendment (2005 Measures No. 1) Act 2005*. In particular, it reflects the amendment that inserted paragraph 9-25(5)(c) into the GST Act. Paragraph 9-25(5)(c) ensures that a supply is connected with Australia if it is the supply of a right or option to acquire another thing and the supply of that other thing would be connected with Australia. The amendment applies to supplies made on or after 1 October 2005. The Addendum also updates GSTR 2005/6 for consequential amendments made to Division 84 of the GST Act by *Tax Laws Amendment (2005 Measures No. 1) Act 2005*.

The Addendum also makes further minor amendments to update references to the *Taxation Administration Act 1953*; cross reference other GST public rulings that have since issued; correct other minor non-technical errors; and update the references section of GSTR 2005/6.

#### **GSTR 2005/6 is amended as follows:**

##### **1. Preamble**

Omit 'section 37 of'; substitute 'section 105-60 in Schedule 1 to'.

## 2. Paragraphs 8 and 9 and the note to paragraph 9

Omit paragraphs 8 and 9 and the note; substitute:

8. This Ruling explains the Commissioner's view of the law as it applies both before and after its date of issue. You can rely on this Ruling on and from its date of issue for the purposes of section 105-60 in Schedule 1 to the *Taxation Administration Act 1953*. Goods and Services Tax Ruling GSTR 1999/1 explains the GST rulings system and the Commissioner's view of when you can rely on this interpretation of the law in GST public and private rulings.

8A. Changes made to this Ruling by Addenda that issued on 24 April 2007 and 2 July 2008 have been incorporated into this version of the Ruling.<sup>1A</sup> You can rely on the changes made to the Ruling by each Addendum for the purposes of section 105-60 in Schedule 1 to the *Taxation Administration Act 1953* from the date of issue of the relevant Addendum. If the Addendum conflicts with a previous private ruling that you have obtained or a previous public ruling, the Addendum prevails.

9. If you have relied on a previous ruling (including the public ruling that the Addendum amends), you are protected in respect of what you have done up to the date of issue of the relevant Addendum or, if there is a change to the legislation, you are protected in respect of what you have done up to the date the legislative change takes effect. This means that if you have relied on the previous ruling and have underpaid an amount of GST, you are not liable for the shortfall prior to either the issue date of the relevant Addendum or the date the legislative change takes effect, as appropriate. Similarly, if you have relied on the previous ruling you are not liable to repay an amount overpaid by the Commissioner as a refund.
