TAXATION RULING IT 145

Depreciation - the meaning of plant - mobile sheds and caravans in tourist park

NOTICE OF WITHDRAWAL

F.O.I. EMBARGO: may be released

Taxation Ruling IT 145 is no longer current and is therefore withdrawn.

The Ruling deals with a Board of Review case which accepted mobile sheds used in a nomadic type of business as plant. As a result of this decision, depreciation rates were also set for caravans used within the confines of a caravan park. These rates have been restated in Taxation Ruling IT 2685.
