Income tax: consolidation - capital gains - is the controlling individual condition in paragraph 152-305(2)(b) of the *Income Tax Assessment Act 1997* (one of the conditions for the small business retirement exemption) applied to the head company of a consolidated group?

This Addendum is a public ruling for the purposes of the *Taxation Administration Act 1953*. It amends Taxation Determination TD 2004/46 to reflect changes in the law as set out below.

For CGT events happening in the 2006-07 income year or later income years:

TD 2004/46 is amended as follows:

Omit 'controlling individual'; substitute 'significant individual'.

Omit all occurrences of 'controlling individual'; substitute 'significant individual'.

An entity's small business participation percentage in another entity at a time is the percentage that is the sum of the entity's direct small business participation percentage and indirect small business participation percentage in the other entity at that time (section 152-65 of the ITAA 1997).
