## Addendum

---

### Taxation Determination

Income tax: capital gains: small business  
concessions: is the part of a payment which is a small  
business 50% reduction amount a non-assessable part  
under CGT event E4 in section 104-70 of the *Income  
Tax Assessment Act 1997*?

This Addendum amends Taxation Determination TD 2006/71 in minor respects to reflect amendments to the law that replaced the 50% controlling individual test with the 20% significant individual test and modified the basic conditions.

**For CGT events happening in the 2006-07 income year or later income years:**

- *Tax Laws Amendment (2006 Measures No. 7) Act 2007* replaced the 50% controlling individual test with a 20% significant individual test (sections 152-50 to 152-75 of the *Income Tax Assessment Act 1997* (ITAA 1997) and modified the additional basic conditions in subsection 152-10(2) of the ITAA 1997.

**TD 2006/71 is amended as follows:**

**1. Paragraph 2**

Omit 'controlling individuals'; substitute 'significant individuals'.

**2. Paragraph 4**

Insert after the paragraph:

**Note 1**

4A. The amendments applied to this consolidated Determination apply to CGT events happening in the 2006-07 income year or later income years.

### 3. Paragraph 9

Omit the paragraph (including note); substitute:

9. The small business 50% reduction may apply to the CGT event E4 capital gain if the basic conditions in Subdivision 152-A are satisfied. In particular, paragraph 152-10(1)(a) is satisfied as CGT event E4 happens in relation to the unit in the trust. The maximum net asset value test, the active asset test (incorporating the 80% test) and the additional basic conditions (concession stakeholder tests) in subsection 152-10(2) must also be satisfied.

#### **Note 2**

9A. CGT event E4 does not happen to payments made to certain beneficiaries: see Taxation Determination TD 2003/28.

### 4. Paragraph 10

Omit the heading; substitute:

#### **Note 3**
