Taxation Ruling

Income tax: ascertaining the right to tax United States (US) and United Kingdom (UK) resident financial institutions under the US and the UK Taxation Conventions in respect of interest income arising in Australia

This Addendum is a public ruling for the purposes of the *Taxation Administration Act 1953*. It amends Taxation Ruling TR 2005/5 to take into account the removal of Australia's double tax treaties from the *International Tax Agreements Act 1953*. It also reflects the change to the UK Financial Services Authority (FSA), which has now become two separate regulatory authorities and its website is no longer updated. The list of UK banks is now published by the Prudential Regulation Authority which is part of the Bank of England. The Addendum also updates references to the US Convention.
