Arrangement

The Scheme

12. The arrangement that is the subject of the Ruling is described below. This description is based on the following documents. These documents, or relevant parts of them, as the case may be, form part of and are to be read with this description. The relevant documents or parts of documents incorporated into this description of the arrangement are:

- correspondence dated 10 January 2002 from the Department of Education, Employment and Training on behalf of the Holmesglen Institute of TAFE Victoria;
- record of telephone conversation on 29 January 2002 with a representative of the Department of Education, Employment and Training on behalf of the Holmesglen Institute of TAFE Victoria.

13. The Department of Education, Employment and Training is seeking approval for an early retirement scheme on behalf of the Holmesglen Institute of TAFE Victoria.

14. The Holmesglen Institute of TAFE Victoria is offering a Voluntary Departure Package (VDP) to facilitate restructuring and organisational change following the transfer of the Moorabbin campus (including staff) of Chisholm Institute of TAFE to Holmesglen Institute of TAFE as part of the recommendations of a recent Ministerial review of the Chisholm Institute of TAFE. The transfer of the Moorabbin campus to Holmesglen has necessitated significant organisational restructuring to fully integrate the Moorabbin campus as part of the total operations of the Holmesglen Institute of TAFE.

15. The Holmesglen Institute of TAFE Victoria reserves the right to exercise reasonable discretion over which employees are provided with a VDP. This will be based on operational requirements and funding.

16. The VDP package is composed of the following payments:

- Payment 1: A flat payment of 4 weeks pay at the employee's substantive rate of ordinary time pay immediately before resignation, plus
- Payment 2: 2 weeks pay per year of continuous service to a maximum of 15 years (30 weeks pay), plus
- Payment 3: A lump sum voluntary departure incentive of up to \$10 000.

Payments made under the Scheme

17. For a payment made under the above mentioned scheme to qualify as an approved early retirement scheme payment, the following conditions must be met. Please note, any payment made under the scheme that does not satisfy these requirements is not covered by this Ruling.

18. The payment must be an eligible termination payment (ETP) made in relation to the employee in consequence of his or her employment being terminated under the approved early retirement scheme.

19. The payment must not be made from an eligible superannuation fund.

20. The payment must not be made in lieu of superannuation benefits.

21. The employee terminated his or her employment before the earlier of:

- age 65; or
- the date on which his or her employment would have necessarily terminated under the terms of employment because of the taxpayer attaining a certain age or completing a certain period of service.

22. Where the employee and the employer are not dealing with each other 'at arm's length' (for example, because they are related in some way), the payment does not exceed what would have been paid to the employee had they been dealing at arm's length.

23. At the termination time, there is no agreement in force between the employee and the employer or the employer and another person, to re-employ the employee after the date of termination.

Ruling

24. The voluntary departure package offered by the Holmesglen Institute of TAFE Victoria is an approved early retirement scheme for the purposes of section 27E of the ITAA 1936.

25. Accordingly, so much of the eligible termination payment (ETP) as exceeds the amount of an ETP that could reasonably be expected to have been made in relation to the taxpayer if the termination of employment had occurred at the termination time otherwise than in accordance with the approved early retirement

scheme, is an approved early retirement scheme payment in relation to the taxpayer.

Explanations

26. Where a scheme satisfies the requirements of section 27E of the ITAA 1936 that scheme will be an ‘approved early retirement scheme.’

27. The Commissioner of Taxation (the Commissioner) has issued Taxation Ruling TR 94/12 titled: *‘Income tax: approved early retirement scheme and bona fide redundancy payments’* which sets out guidelines on the application of section 27E.

28. Paragraph 14 of TR 94/12 states that:

‘Three conditions need to be satisfied for a scheme to qualify as an approved early retirement scheme. Those conditions are:

- (i) the scheme must be offered to all employees within a class identified by the employer (paragraph 27E(1)(a));
- (ii) the scheme must be entered into with a view to rationalising or re-organising the operations of the employer with an identified purpose in mind (paragraph 27E(1)(b)); and
- (iii) the scheme must be approved by the Commissioner prior to its implementation (paragraph 27E(1)(c)).’

1. The scheme must be offered to all employees within a class identified by the employer

29. In order to satisfy the first condition, the scheme must be offered to all employees within one of the categories specified in subparagraphs 27E(1)(a)(i) to (v).

30. The class of employees to whom the scheme is proposed to be offered is:

- all categories of staff (other than executives).

31. This class of employees does not come within any subparagraphs 27E(1)(a)(i) to (iv), therefore it must be considered under subparagraph 27E(1)(a)(v), namely, all employees of the employer who constitute a class of employees approved by the Commissioner for the purposes of this paragraph. In approving this class of employees the Commissioner has considered the nature of the rationalisation or re-organisation of the operations of the employer. It is therefore considered that these employees meet the requirements of

an approved class of employees for the purposes of subparagraph 27E(1)(a)(v).

32. It is noted, however, that the Holmesglen Institute of TAFE Victoria retains a limited right of veto to be applied to applications by key personnel who cannot be readily be replaced and whose loss would impair the efficiency of the Holmesglen Institute of TAFE Victoria's business operations. The limitation of the scheme in this way is acceptable to the Commissioner.

2. The scheme must be entered into with a view to rationalising or re-organising the operations of the employer with an identified purpose in mind

33. The proposed scheme must be implemented with a view to rationalise or re-organise the operations of the employer by means of one or more of the objectives set out in subparagraphs 27E(1)(b)(i) to (vi).

34. The purposes of the scheme is described at paragraph 14 of this ruling. In approving the objectives of the scheme, although the nature of the rationalisation or re-organisation of the employer's operations does not fit within one of the specific objectives identified in subparagraphs 27E(1)(b)(i) to (v), the Commissioner has had regard to the fact that the re-organisation is being implemented with a view to a restructuring of the work force or operations of the employer. It is therefore considered that the scheme is to be implemented by the employer with a view to rationalising or re-organising the operations of the employer for the purposes of subparagraph 27E(1)(b)(vi).

3. The scheme must be approved by the Commissioner prior to its implementation

35. The scheme is proposed to operate for a period from 11 March 2002 to 30 June 2002. Approval will be granted prior to implementation therefore the third condition is satisfied.

36. The scheme will be in operation for approximately three and a half months which is within the period recommended in TR 94/12.

Other relevant information

37. Under section 27E, so much of the payment received by a taxpayer under the approved early retirement scheme, that exceeds the amount that would ordinarily have been received on voluntary resignation or retirement is an approved early retirement scheme payment.

38. It should be noted that, in order for a payment to qualify as an approved early retirement scheme payment, it must also satisfy the following requirements (as set out in subsections 27E(4) and (5) of the Act):

- the payment must be an eligible termination payment (ETP) made in relation to the taxpayer in consequence of the taxpayer's employment being terminated under an approved early retirement scheme;
- the payment must not be from an eligible superannuation fund;
- the payment must not be made in lieu of superannuation benefits;
- if the taxpayer and the employer are not dealing with each other at arm's length (for example, because they are related in some way) the payment does not exceed what would have been paid to the taxpayer had they been dealing at arm's length;
- the date of termination was before age 65 or such earlier date on which the taxpayer's employment would necessarily have had to terminate under the terms of employment because of the taxpayer attaining a certain age or completing a certain period of service, whichever occurs first; and
- there was no agreement at the date of termination between the taxpayer and the employer, or the employer and another person to re-employ the taxpayer after the date of termination.

39. The term 'agreement' is defined in subsection 27A(1) as meaning 'any agreement, arrangement or understanding whether formal or informal, whether express or implied and whether or not enforceable, or intended to be enforceable by legal proceedings.'

40. An approved early retirement scheme payment made on or after 1 July 1994 that falls within the specified limit will be exempt from income tax and called the "tax-free amount."

41. For the year ending 30 June 2002, the tax-free amount is limited to \$5 295 plus \$2 648 for each whole year of completed employment service to which the approved early retirement scheme payment relates. Please note that 6 months, 8 months or even 11 months do not count as a whole year for the purposes of this calculation.

42. The following payment qualifies as an approved early retirement scheme payment:

- the amount received on termination calculated in accordance with paragraph 16.

43. The total of the payment in the previous paragraph will be measured against the limit calculated in accordance with paragraph 41 to determine the “tax-free amount”.

44. The tax-free amount will:

- not be an ETP;
- not be able to be rolled-over;
- not include any amount from a superannuation fund or paid in lieu of a superannuation benefit; and
- not count towards the recipient’s Reasonable Benefit Limit.

45. Any payment in excess of this limit will be an ordinary ETP and split up into the pre-July 83 and post-June 83 (untaxed element) components. This ETP can be rolled-over.

46. It should be noted that the amount of an approved early retirement scheme payment that is over the tax-free amount may be subject to the provisions of the superannuation surcharge legislation, whether it is taken in cash or rolled-over.
