What this Ruling is about

1. This Ruling sets out the income tax consequences for shareholders of Thorn Group Limited (Thorn) who received the return of share capital of \$0.12 per Thorn share (Capital Return) and had their Thorn shares consolidated (Share Consolidation) on 14 October 2022 (Payment Date).
2. Details of this scheme are set out in paragraphs 18 to 35 of this Ruling.
3. All legislative references in this Ruling are to the *Income Tax Assessment Act 1997*, unless otherwise indicated.

Who this Ruling applies to

4. This Ruling applies to you if you:
 - received the Capital Return payment and had your Thorn shares consolidated on the Payment Date, and
 - held your Thorn shares on capital account; that is, you did not hold your Thorn shares as revenue assets (as defined in section 977-50) or as trading stock (as defined in subsection 995-1(1)).
5. This Ruling does not apply to anyone who is subject to the taxation of financial arrangements rules in Division 230 in relation to the scheme outlined in paragraphs 18 to 35 of this Ruling.

Status: **legally binding**

When this Ruling applies

6. This Ruling applies from 1 July 2022 to 30 June 2023.

Ruling

Return of capital not a dividend

7. No part of the Capital Return you received from Thorn on the Payment Date is a dividend as defined in subsection 6(1) of the *Income Tax Assessment Act 1936* (ITAA 1936). This is because the entire amount of the Capital Return has been debited against an amount standing to the credit of Thorn's share capital account. Therefore, no part of the Capital Return is included in your assessable income as a dividend under subsection 44(1) of the ITAA 1936.

Sections 45A, 45B and 45C of the ITAA 1936 do not apply

8. The Commissioner will not make a determination that section 45C of the ITAA 1936 applies to any part of the Capital Return you received on the Payment Date, under either:

- subsection 45A(2) of the ITAA 1936 – because there was no streaming of capital benefits to some Thorn shareholders and dividends to other Thorn shareholders as required by subsection 45A(1) of the ITAA 1936, or
- paragraph 45B(3)(b) of the ITAA 1936 – because the requirements of subsection 45B(2) of the ITAA 1936 were not satisfied.

Capital gains tax consequences

CGT event G1

9. CGT event G1 happened on the Payment Date when Thorn paid to you the Capital Return in respect of each Thorn share you owned on 6 October 2022 (Capital Return Record Date) and continued to own at the Payment Date (section 104-135).

10. You made a capital gain when CGT event G1 happened if the Capital Return you received was more than your Thorn share's cost base (subsection 104-135(3)).

11. If the Capital Return you received was not more than the cost base of your Thorn share, the cost base and reduced cost base of your Thorn share is reduced by the amount of the Capital Return (subsection 104-135(4)).

CGT event C2

12. CGT event C2 happened to your right to receive the Capital Return on the Payment Date when Thorn paid you the Capital Return in respect of each Thorn share you owned on the Capital Return Record Date but ceased to own before the Payment Date (section 104-25).

13. You made a capital gain under CGT event C2 if the capital proceeds from the ending of the right were more than the cost base of the right. You made a capital loss if the capital proceeds from the ending of the right were less than the reduced cost base of the right (subsection 104-25(3)).

Status: **legally binding**

Discount capital gain

14. You can treat a capital gain made when CGT event G1 or CGT event C2 happened as a discount capital gain if you acquired your Thorn shares at least 12 months before the Payment Date (subsection 115-25(1)), provided the other conditions in Subdivision 115-A are satisfied.

Foreign-resident shareholders

15. If, on the Payment Date, you were a foreign resident or the trustee of a foreign trust for CGT purposes as defined in subsection 995-1(1), you disregard any capital gain made from CGT event G1 or any capital gain or capital loss from CGT event C2 happening to your Thorn shares, pursuant to subsection 855-10(1), unless you:

- have used your Thorn shares at any time in carrying on a business through a permanent establishment in Australia (table item 3 of section 855-15), or
- are an individual and your Thorn shares were covered by subsection 104-165(3) (choosing to disregard a capital gain or capital loss on ceasing to be an Australian resident) (table item 5 of section 855-15).

Share consolidation

16. No CGT event will occur as a result of the Share Consolidation (subsection 112-25(4)).

17. Each element of the cost base and reduced cost base of your consolidated Thorn shares is the sum of the corresponding element of each original Thorn share you held before the Share Consolidation (subsection 112-25(4)).
