Status: **legally binding**

15. The number of GEESP Shares allocated was calculated using the average of the volume-weighted average price of AusNet Services shares on the Australian Securities Exchange over the five trading days from the date that applications for GEESP Shares closed to eligible employees.

16. The GEESP was offered under a non-discriminatory basis to at least 75% of the Australian-resident permanent employees of the AusNet Services Group who had completed more than three years of service.

17. The GEESP Shares were:

Appendix – Explanation

❶ *This Explanation is provided as information to help you understand how the Commissioner's view has been reached. It does not form part of the binding public ruling.*

When the minimum holding period ends

22. One of the conditions which entitled you to reduce the amount included in your assessable income when you acquired the GEESP Shares is to not dispose of those shares within the minimum holding period (sections 83A-35 and 83A-45).

23. The minimum holding period set out in subsections 83A-45(4) and (5) is the earlier of three years from when the GEESP Shares were acquired or when you ceased employment with the AusNet Services Group. However, the Commissioner can allow an earlier period if the Commissioner is satisfied that:

- AusNet Services intended that the requirements as set out in subsection 83A-45(4) would apply to the GEESP Shares during the three years (subparagraph 83A-45(5)(a)(i)), and
- at the earlier time that the Commissioner allows, all AusNet Services shares were disposed of under a particular scheme (subparagraph 83A-45(5)(a)(ii)).

24. The Commissioner is satisfied that the Rules prevented employees from disposing of the GEESP Shares until the earlier of the three-year anniversary of the date the GEESP Shares were acquired or the day after the date they ceased to be employed by the AusNet Services Group.

25. All AusNet Services shares, including the GEESP Shares, were disposed of under the Scheme of Arrangement.

26. Accordingly, the Commissioner is satisfied that the requirements of subparagraphs 83A-45(5)(a)(i) and (ii) are met and will allow the minimum holding period to end at the earlier time of 16 February 2022.

Status: **not legally binding**
