What this Ruling is about

1. This Ruling sets out the income tax consequences for shareholders of Euroz Hartleys Group Limited (EZL) who received \$1.2027 on 2 December 2022 (Payment Date) for every ordinary share in EZL that was cancelled under the scheme (Capital Return).
2. Details of this scheme are set out in paragraphs 16 to 35 of this Ruling.
3. All legislative references in this Ruling are to provisions of the *Income Tax Assessment Act 1936* or the *Income Tax Assessment Act 1997* (as detailed in the table in the Appendix to this Ruling), unless otherwise indicated.

Who this Ruling applies to

4. This Ruling applies to you if you:
 - were registered on the EZL share register on 25 November 2022 (Record Date)
 - are a resident as defined in subsection 6(1) or a non-resident other than a non-resident who carries on a business at or through a permanent establishment¹ in Australia, and
 - held your EZL shares on capital account on the Record Date; that is, you did not hold your EZL shares as revenue assets (as defined in section 977-50) or as trading stock (as defined in subsection 995-1(1)).

¹ The term 'permanent establishment' is defined in the relevant international tax treaty (if there is one) or, if not, in subsection 6(1).

Status: **legally binding**

- are subject to the investment manager regime in Subdivision 842-I in relation to your EZL shares, or
- are subject to the taxation of financial arrangements rules in Division 230 in relation to your EZL shares.

Note: Division 230 will not apply to individuals unless they have made an election for it to apply.

When this Ruling applies

6. This Ruling applies from 1 July 2022 to 30 June 2023.

Ruling

Capital Return is not a dividend

7. No part of the Capital Return paid to you by EZL on the Payment Date is a dividend as defined in subsection 6(1). This is because the entire amount of the Capital Return has been debited against an amount standing to the credit of EZL's share capital account. Therefore, no part of the Capital Return is included in your assessable income as a dividend under subparagraph 44(1)(a)(i).

Sections 45A, 45B and 45C do not apply

8. The Commissioner will not make a determination that section 45C applies to any part of the Capital Return you received on the Payment Date under:

- subsection 45A(2), because there was no streaming of capital benefits to some EZL shareholders and dividends to other EZL shareholders as required by subsection 45A(1), or
- paragraph 45B(3)(b), because the requirements of subsection 45B(2) were not satisfied.

9. Therefore, no part of the Capital Return paid to you is taken to be an unfranked dividend.

Capital gains tax consequences

CGT event C2

10. CGT event C2 happened on the Share Cancellation Date, being the date your EZL share was cancelled (section 104-25).

11. You made a capital gain from CGT event C2 happening if the capital proceeds you received on the cancellation of your EZL share were more than the cost base of your EZL share. You made a capital loss from CGT event C2 happening if the capital proceeds from

Status: legally binding

the cancellation of your EZL share were less than the reduced cost base of your EZL share (subsection 104-25(3)).

12. The capital proceeds from CGT event C2 happening on the cancellation of your EZL share are equal to the amount of the Capital Return you received for each EZL share (subsection 116-20(1)).

Discount capital gain

13. If you made a capital gain from the disposal of your EZL share, you are eligible to treat the capital gain as a 'discount capital gain' provided you acquired, or are taken to have acquired, your EZL share on or before 27 November 2021 and the other conditions of Division 115 are satisfied (subsection 115-25(1)).

Foreign-resident shareholders

14. If you were a foreign resident or a trustee of a foreign trust for capital gains tax purposes, you disregard any capital gain or capital loss made from CGT event C2 unless the EZL share which has been cancelled is taxable Australian property (section 855-10).

15. Your EZL share is taxable Australian property if it was a CGT asset that is covered by subsection 104-165(3) (individuals who choose to disregard a capital gain or capital loss on ceasing to be an Australian residents (table item 5 of section 855-15)).
