#### **What this Ruling is about**

1. This Ruling sets out the income tax consequences for the holders of ordinary shares in SPC Global Ltd (SPC) who acquired ordinary shares in The Original Juice Co. Ltd (OJC) in exchange for their shares in SPC.
2. Full details of the scheme are set out in paragraphs 26 to 45 of this Ruling.
3. All legislative references in this Ruling are to the *Income Tax Assessment Act 1997*, unless otherwise indicated.

#### **Who this Ruling applies to**

4. This Ruling applies to you if you:
  - were issued new OJC ordinary shares by OJC for the disposal of your SPC ordinary shares to OJC
  - were a 'resident of Australia' as defined in subsection 6(1) of the *Income Tax Assessment Act 1936*, and
  - held your SPC shares on capital account – that is, you did not hold your shares in SPC as revenue assets (as defined in section 977-50) or as trading stock (as defined in subsection 995-1(1)).

**When this Ruling applies**

6. This Ruling applies from 1 July 2024 to 30 June 2025.

**Ruling****Disposal of SPC Global Ltd shares*****CGT event A1***

7. CGT event A1 happened when you disposed of your SPC shares to OJC (section 104-10).
8. If you accepted OJC's offer to acquire all of your SPC shares (Offer) before the Offer became unconditional, CGT event A1 happened when the Offer became unconditional on 13 December 2024 (paragraph 104-10(3)(a)).
9. If you accepted the Offer on the date on which the Offer became unconditional (13 December 2024), CGT event A1 happened on that date (paragraph 104-10(3)(a)).
10. The time of CGT event A1 is relevant in determining your capital proceeds for each SPC share. The capital proceeds from a CGT event are the total of the money, and the market value of any property, you received or are entitled to receive. The market value of property is worked out as at the time the CGT event happens (subsection 116-20(1)).
11. You must determine the market value of an OJC share at the time CGT event A1 happened to you.
12. We will accept that the market value of an OJC share at the time of CGT event A1 is the closing price of a share in SPC Global Holdings Ltd (being the new name of OJC) on the Australian Securities Exchange (ASX) on 17 December 2024.
13. You made a capital gain from CGT event A1 happening if the capital proceeds from the disposal of your SPC shares exceed their cost base (subsection 104-10(4)). The capital gain is the amount of the excess.
14. You made a capital loss from CGT event A1 happening if the capital proceeds are less than the reduced cost base of your SPC shares (subsection 104-10(4)). The capital loss is the amount of the difference.

***Availability of scrip for scrip roll-over for the disposal of your SPC Global Ltd shares***

15. Subject to the qualification in paragraph 16 of this Ruling, if you made a capital gain from the disposal of your SPC shares, you may choose to obtain scrip for scrip roll-over for the capital gain (sections 124-780 and 124-785).
16. Scrip for scrip roll-over cannot be chosen if any capital gain you might make from the replacement OJC shares would be disregarded, except because of a roll-over (paragraph 124-795(2)(a)).

**Consequences if you choose scrip for scrip roll-over*****Capital gain is disregarded***

17. If you choose scrip for scrip roll-over, your capital gain is disregarded (subsection 124-785(1)).

---

Status: **legally binding**

---

***Acquisition date of your shares in The Original Juice Co. Ltd for discount capital gain purposes***

18. For the purposes of determining your eligibility to make a discount capital gain, the OJC shares you acquired in exchange for your SPC shares are taken to have been acquired on the date you acquired, for CGT purposes, the corresponding SPC shares (table item 2 of subsection 115-30(1)).

***Cost base and reduced cost base of your shares in The Original Juice Co. Ltd***

19. If you choose scrip for scrip roll-over, the first element of the cost base and reduced cost base of a replacement OJC share you received is worked out by reasonably attributing to it the cost base and reduced cost base (respectively) of the SPC shares for which the OJC shares were exchanged and for which the roll-over was obtained (subsections 124-785(2) and (4)).

20. You can calculate the first element of the cost base and reduced cost base of each replacement OJC share by dividing the total cost bases of your SPC shares by the number of replacement OJC shares you received.

***Consequences if you do not choose, or cannot choose, scrip for scrip roll-over***

***Capital gain is not disregarded***

21. If you do not choose, or cannot choose, scrip for scrip roll-over, you must take into account any capital gain or capital loss from CGT event A1 happening on the disposal of your SPC shares in working out your net capital gain or net capital loss for the income year in which CGT event A1 happened (sections 102-5 and 102-10).

22. If you make a capital gain where scrip for scrip roll-over is not chosen, or cannot be chosen, you can treat the capital gain as a discount capital gain provided that the conditions of Subdivision 115-A are met. In particular, you must have acquired your SPC shares at least 12 months before the date on which CGT event A1 happened (excluding the date of acquisition and the date on which CGT event A1 happened).

***Cost base and reduced cost base of your shares in The Original Juice Co. Ltd***

23. If you do not choose, or cannot choose, scrip for scrip roll-over, the first element of the cost base and reduced cost base of a replacement OJC share that you received is equal to the market value of the part of the SPC share you gave in respect of acquiring the OJC share (subsections 110-25(2) and 110-55(2)).

24. The market value of the SPC shares you gave is to be worked out as at the time when you acquired the OJC shares.

***Acquisition date of your shares in The Original Juice Co. Ltd***

25. Under table item 2 of section 109-10, if you acquired your shares in OJC by accepting the Offer:

- before it became unconditional, the date on which you acquired your shares in OJC is the date on which the Offer became unconditional (13 December 2024), resulting in the formation of a contract with OJC (which is also the time at which CGT event A1 happens to you), or

Status: **legally binding**

---

- on the date on which it became unconditional, the date on which you acquired your shares in OJC is the date on which you entered into the contract with OJC (13 December 2024, which is also the time at which CGT event A1 happens to you).
