### **Allocated Stock and Vested Stock**

24. In the same financial year ending 30 June as Employee Shares are acquired, participants also become entitled to Allocated Stock which are subject to vesting and forfeiture conditions.

25. Once the vesting and forfeiture conditions have been satisfied, the Allocated Stock becomes Vested Stock, and the participant is able to direct the Former Trustee to sell or transfer the Vested Stock that the Former Trustee holds on behalf of the participant.

26. The vesting date for Allocated Stock is the earlier of:

- 3 years to the day the Allocated Stock was first allocated to the participant under the Former Trust Deed and Plan Rules

30. Supplemental Employee Stock is held on trust by the Former Trustee in accordance with the Former Trust Deed and Former Plan Rules and is restricted from sale or transfer until the requirements of the disposal restriction have been met.

31. While the disposal restriction applies, the participant will be entitled to:

- receive all dividends paid in respect of the Supplemental Employee Stock that the Former Trustee holds on behalf of that Participant, and
- direct the Former Trustee on how to exercise their voting rights in respect of the Supplemental Employee Stock.

#### **2023 Omnibus Stock and Performance Incentive Plan**

33. On 16 May 2023, ConocoPhillips established the 2023 Omnibus Stock and Performance Incentive Plan (2023 Omnibus Plan) which authorises the adoption of sub-plans for the purpose of awarding ConocoPhillips shares to persons outside of the United States.

34. The Former Plan Rules and the Former Trust Deed were amended to permit the transfer of, among other things, eligible employees, participants, ConocoPhillips shares to the New Plan, to be administered by a new stand-alone Australian domiciled trust to be established by COP Australia.

#### **ConocoPhillips Australian Employee Share Trust**

35. To the extent the total of an employees' pre-tax salary or cash bonus award (where applicable) exceeds \$5,000 for a financial year, COP Australia will deduct that amount from the employee's salary or cash bonus award from which applicable income tax withholding has been deducted and pay the amount deducted to CPU Share Plans Pty Limited as trustee for the ConocoPhillips Australian Employee Share Trust to acquire ConocoPhillips shares to be held on behalf of the existing participant in accordance with the New Trust Deed.

#### **Transfer of existing participants, shares and balances from Former Plan to New Plan**

38. COP Australia must notify CPU Share Plans Pty Limited that participants of the Former Plan are to be transferred to the New Plan and recognised as participants under the New Trust Deed.

39. On the transfer of an Employee Stock from the Former Plan to the New Plan, the Employee Stock will be recognised as Employee Shares and subject to the New Trust Deed and New Plan Rules. The disposal restrictions which applied under the Former Plan will continue to apply under the New Plan, such as they are non-transferrable and will continue to be subject to the 3-year disposal restriction under the Former Plan unless the participant had instead elected for a 12-month disposal restriction to apply.

40. On the transfer of an Allocated Stock from the Former Plan to the New Plan, the Allocated Stock will continue to be recognised as Allocated Stock and subject to the terms of the New Trust Deed and New Plan Rules. The original forfeiture and vesting conditions under the Former Plan will continue to apply to the Allocated Stock under the New Plan. Once vested, the Allocated Stock become Matching Shares.

41. On the transfer of a Vested Stock from the Former Plan to the New Plan, the Vested Stock will be recognised as Matching Shares and subject to the New Trust Deed and New Plan Rules. An ESS deferred taxing point or cessation time would have occurred prior to the transfer of Allocated Stock to the New Plan when it became Vested Stock under the Former Plan.

42. On the transfer of a Supplemental Employee Stock under the Former Plan to the New Plan (if any), the Supplemental Employee Stock will be recognised as Supplemental Employee Shares and subject to the New Trust Deed and New Plan Rules.
