9. The time of CGT event A1 was the Implementation Date.

10. The capital proceeds for each CGT event A1 will be:

- the market value of the BidCo share (Scrip Consideration) you receive at the time the CGT event A1 happens
- otherwise, \$4.60 (Cash Consideration).

11. If the capital proceeds from the disposal of your VGW share were more than its cost base, you made a capital gain from the CGT event A1 happening equal to the difference between the capital proceeds and the cost base.

12. If the capital proceeds from the disposal of your VGW share were less than its reduced cost base, you made a capital loss from the CGT event A1 happening equal to the difference between the capital proceeds and the reduced cost base.

Status: **legally binding**

Scrip for scrip roll-over

13. Subject to the qualifications in paragraphs 14 to 16 of this Ruling, you may choose to obtain scrip for scrip roll-over in accordance with Subdivision 124-M if you received Scrip Consideration for your VGW share and made a capital gain from your disposal of that share.
14. You cannot choose scrip for scrip roll-over if you were a foreign resident just before the Implementation Date.
15. You cannot choose scrip for scrip roll-over if any capital gain you make from your disposal of your VGW share would be disregarded, except because of the roll-over.
16. You are a significant stakeholder or a common stakeholder as defined in section 124-783, and therefore section 124-782 applies to you. As a result, you must jointly choose to obtain scrip for scrip roll-over with BidCo in relation to each VGW share you dispose of for Scrip Consideration, and you must notify BidCo in writing of the cost base of that VGW share worked out just before its disposal.

Consequences of choosing scrip for scrip roll-over***Capital gain is disregarded***

17. If you choose scrip for scrip roll-over for a VGW share, the capital gain you made from CGT event A1 happening on the exchange of that VGW share for a BidCo share is disregarded.

Cost base and reduced cost base of BidCo shares

18. If you choose scrip for scrip roll-over, the first element of the cost base and reduced cost base of each replacement BidCo share you received is the cost base and reduced cost base of the VGW share for which it was exchanged and for which you obtained the roll-over.

Acquisition date of BidCo shares

19. For the purposes of determining your eligibility to make a discount capital gain from any later disposal of your BidCo shares, where scrip for scrip roll-over was available and you chose it for a VGW share, you are taken to have acquired your BidCo share when you acquired the VGW share you exchanged for the BidCo share.

Consequences of not choosing, or being unable to choose, scrip for scrip roll-over***Capital gain is not disregarded***

20. If you do not choose, or cannot choose, scrip for scrip roll-over, you must take into account any capital gain or capital loss from CGT event A1 happening on the disposal of each of your VGW shares in working out your net capital gain or net capital loss for the income year in which CGT event A1 happened.
21. If you are a foreign resident for the purposes of the ITAA 1936 or *Income Tax Assessment Act 1997*, you disregard any capital gain or capital loss made as a result of CGT event A1 happening if your VGW share was not taxable Australian property as defined in section 855-15.

Status: **legally binding**

22. If you made a capital gain where you do not choose, or cannot choose, scrip for scrip roll-over, you can apply the CGT discount provided that you acquired your VGW share at least 12 months before the Implementation Date (the date you acquired your VGW share and the Implementation Date are not included in that 12-month period) and the other conditions of Subdivision 115-A are met.

Cost base and reduced cost base of BidCo shares

23. If you do not choose, or cannot choose, scrip for scrip roll-over, the first element of the cost base and reduced cost base of each BidCo share you received is the market value of the VGW share that you exchanged for it.

Acquisition date of BidCo shares

24. If you do not choose, or cannot choose, scrip for scrip roll-over, you are taken to have acquired each of your BidCo shares on the Implementation Date.

Scheme

25. The following description of the scheme is based on information provided by the applicant. If the scheme is not carried out as described, this Ruling cannot be relied upon.

VGW Holdings Limited

26. VGW is an unlisted public company registered with the Australian Securities and Investments Commission.

27. VGW is a resident of Australia as defined in subsection 6(1) of the ITAA 1936.

28. VGW is the head company of a tax consolidated group in Australia.

29. As at 2 June 2025, VGW had 635,062,365 ordinary shares on issue owned by 995 shareholders. There were no other share classes on issue.

30. Laurence Escalante, and other Eligible Shareholders who were associates of Laurence Escalante as defined in section 318 of the ITAA 1936, held a significant stake in VGW just before the Implementation Date.

Ocean BidCo Limited

31. BidCo is an unlisted special purpose company incorporated in Guernsey.

32. BidCo is a resident of Australia as defined in subsection 6(1) of the ITAA 1936.

33. BidCo was incorporated with only one ordinary share on issue which was owned by Laurence Escalante. It continued to have only one ordinary share on issue up until the Implementation Date.

34. BidCo did not make a choice in accordance with subsection 124-795(4) that an Eligible Shareholder could not obtain the scrip for scrip roll-over.

Status: **legally binding**

Scheme of arrangement

35. On 2 June 2025, VGW and BidCo entered into a Scheme Implementation Deed.
36. On 5 August 2025, the Federal Court of Australia approved the proposed scheme of arrangement.
37. On the Implementation Date:
- all VGW shares were transferred to BidCo
 - as consideration for the transfer of each VGW ordinary share, each Eligible Shareholder received either
 - one BidCo share (Scrip Consideration), or
 - \$4.60 (Cash Consideration)
 - Eligible Shareholders who were entitled to choose Scrip Consideration could choose either Scrip Consideration or Cash Consideration for each individual VGW share, and they were not entitled to choose partial Scrip Consideration and partial Cash Consideration for a single VGW share
 - some Eligible Shareholders received solely Scrip Consideration, solely Cash Consideration, or a combination of both for their parcel of VGW shares
 - Eligible Shareholders collectively holding 80% or more of VGW shares on issue before the Scheme, and holding 80% or more of BidCo shares after the Scheme, have elected for Scrip Consideration for some or all of their VGW shares.
38. This resulted in Laurence Escalante, and other Eligible Shareholders who were associates of Laurence Escalante as defined in section 318 of the ITAA 1936, holding a significant stake in BidCo.
39. In response to the family office of Laurence Escalante proposing this scheme, VGW's board put protocols and procedures in place to ensure they acted in the best interests of VGW shareholders. This included the appointment of an independent non-executive director and establishment of an Independent Board Committee (Committee) that did not include Laurence Escalante.
40. The Committee received legal and financial advice independent of Laurence Escalante and BidCo throughout the negotiation process for the terms of the scheme of arrangement. The negotiation process resulted in an increase to the Cash Consideration payable under the scheme.

Funding and dividends

41. Lance East Finance Pty Ltd (FinCo) is an Australian-resident company as defined by subsection 6(1) of the ITAA 1936. FinCo is wholly owned by BidCo.
42. Payment of the Cash Consideration by BidCo was funded by a loan from FinCo.
43. In order to make the loan to BidCo, FinCo obtained a mix of financing comprising of:
- a secured loan from third-party lenders for up to US\$310 million, and

Status: **legally binding**

- an unsecured loan provided by VGW for up to US\$586 million less an amount equal to the aggregate of all dividends declared and paid by VGW between 2 June 2025 and 5 August 2025.

44. Between the date of the Scheme Implementation Deed (2 June 2025) and the Implementation Date, VGW paid the following dividends:

- an interim dividend of \$0.30 per VGW share held as at 3 June 2025, which was paid on 13 June 2025, and
- a special dividend of \$0.15 per VGW share held as at 25 July 2025, which was paid on 7 August 2025.

These dividends were not conditional on the scheme described in this Ruling being implemented and were at the discretion of VGW's board.
