

Notice of Withdrawal

Will the former definition of the term "undeducted purchase price" that applies to payments made before 1 July 1994, cover any replacement pension or annuity purchased on or after 1 July 1994 using the rolled over residual capital value of a pension or annuity that commenced prior to that date?

Draft Taxation Determination TD 94/D76 is withdrawn with effect from today.

The topic is not considered to be a high priority and does not justify a public ruling.
