What are 'sunscreen preparations for dermal application'?

❗ This publication provides you with the following level of protection:

This publication (excluding appendixes) is a public ruling for the purposes of the *Taxation Administration Act 1953*.

A public ruling is an expression of the Commissioner's opinion about the way in which a relevant provision applies, or would apply, to entities generally or to a class of entities in relation to a particular scheme or a class of schemes.

If you rely on this ruling, the Commissioner must apply the law to you in the way set out in the ruling (unless the Commissioner is satisfied that the ruling is incorrect and disadvantages you, in which case the law may be applied to you in a way that is more favourable for you – provided the Commissioner is not prevented from doing so by a time limit imposed by the law). You will be protected from having to pay any underpaid tax, penalty or interest in respect of the matters covered by this ruling if it turns out that it does not correctly state how the relevant provision applies to you.

What are 'sunscreen preparations for dermal application'?

1. A sunscreen preparation is a preparation, manufactured or compounded, for application to the skin (including the lips), to reduce the incidence of skin damage caused by exposure to the rays of the sun.
2. Sunscreen preparations may be presented for use in forms other than creams and lotions for example, gels, balms and mousses.
