General disclaimer on this synthesised text document

This document presents the synthesised text for the application of the *Agreement between the Government of Australia and the Government of the Kingdom of Denmark for the Avoidance of Double Taxation and the Prevention of Fiscal Evasion with respect to Taxes on Income* (the “Agreement”) signed on 1 April 1981 as modified by the *Multilateral Convention to Implement Tax Treaty Related Measures to Prevent Base Erosion and Profit Shifting* (the “MLI”) signed by Australia and Denmark on 7 June 2017.

This document was prepared by the Australian Taxation Office and represents its understanding of the modifications made to the Agreement by the MLI.

The document was prepared on the basis of the MLI position of Australia submitted to the Depositary upon ratification on 26 September 2018 and of the MLI position of Denmark submitted to the Depositary upon ratification on 30 September 2019. These MLI positions are subject to modifications as provided in the MLI. Modifications made to MLI positions could modify the effects of the MLI on the Agreement.

The sole purpose of this document is to facilitate the understanding of the application of the MLI to the Agreement and it does not constitute a source of law. The authentic legal texts of the Agreement and the MLI take precedence and remain the legal texts applicable.

The provisions of the MLI that are applicable with respect to the provisions of the Agreement are included in boxes throughout the text of this document in the context of the relevant provisions of the Agreement. The boxes containing the provisions of the MLI have generally been inserted in accordance with the ordering of the provisions of the 2017 OECD Model Tax Convention.

Changes to the text of the provisions of the MLI have been made to conform the terminology used in the MLI to the terminology used in the Agreement (such as “Covered Tax Agreement” and “Agreement”, “Contracting Jurisdictions” and “Contracting States”), to ease the comprehension of the provisions of the MLI. The changes in terminology are intended to increase the readability of the document and are not intended to change the substance of the provisions of the MLI. Similarly, changes have been made to parts of provisions of the MLI that describe existing provisions of the Agreement: descriptive language has been replaced by legal references of the existing provisions to ease the readability.

In all cases, references made to the provisions of the Agreement or to the Agreement must be understood as referring to the Agreement as modified by the provisions of the MLI, provided such provisions of the MLI have taken effect.

- e) *the maintenance of a fixed place of business solely for the purpose of activities which have a preparatory or auxiliary character for the enterprise, such as advertising or scientific research.*

The following paragraph 2 of Article 13 of the MLI modifies paragraph 3 of Article 5 of this Agreement:

ARTICLE 13 OF THE MLI – ARTIFICIAL AVOIDANCE OF PERMANENT
ESTABLISHMENT STATUS THROUGH THE SPECIFIC ACTIVITY EXEMPTIONS

(Option A)

Notwithstanding [Article 5 of the Agreement], the term “permanent establishment” shall be deemed not to include:

- a) the activities specifically listed in [paragraph 3 of Article 5 of the Agreement] as activities deemed not to constitute a permanent establishment, whether or not that exception from permanent establishment status is contingent on the activity being of a preparatory or auxiliary character;
- b) the maintenance of a fixed place of business solely for the purpose of carrying on, for the enterprise, any activity not described in subparagraph a);
- c) the maintenance of a fixed place of business solely for any combination of activities mentioned in subparagraphs a) and b),

provided that such activity or, in the case of subparagraph c), the overall activity of the fixed place of business, is of a preparatory or auxiliary character.

The following paragraph 4 of Article 13 of the MLI applies to paragraph 3 of Article 5 of this Agreement as modified by paragraph 2 of Article 13 of the MLI:

[Paragraph 3 of Article 5 of the Agreement, as modified by paragraph 2 of Article 13 of the MLI] shall not apply to a fixed place of business that is used or maintained by an enterprise if the same enterprise or a closely related enterprise carries on business activities at the same place or at another place in the same [Contracting State] and:

- a) that place or other place constitutes a permanent establishment for the enterprise or the closely related enterprise under the provisions of [Article 5 of the Agreement]; or
- b) the overall activity resulting from the combination of the activities carried on by the two enterprises at the same place, or by the same enterprise or closely related enterprises at the two places, is not of a preparatory or auxiliary character,

provided that the business activities carried on by the two enterprises at the same place, or by the same enterprise or closely related enterprises at the two places, constitute complementary functions that are part of a cohesive business operation.

4. An enterprise shall be deemed to have a permanent establishment in one of the Contracting States and to carry on business through that permanent establishment if -

- a) **[MODIFIED by paragraph 1 of Article 14 of the MLI]** *it carries on supervisory activities in that State for more than twelve months in connection with a building site, or a construction, installation or assembly project which is being undertaken in that State; or*
- b) substantial equipment is being used in that State for more than twelve months by, for or under contract with the enterprise in exploration for, or exploitation of, natural resources, or in activities connected with such exploration or exploitation.

The following paragraph 1 of Article 14 of the MLI applies and supersedes the provisions of this Agreement:

ARTICLE 14 OF THE MLI – SPLITTING-UP OF CONTRACTS

For the sole purpose of determining whether the *[twelve month period]* referred to in *[subparagraph h) of paragraph 2 or subparagraph a) of paragraph 4 of Article 5 of the Agreement]* has been exceeded:

- a) where an enterprise of a *[Contracting State]* carries on activities in the other *[Contracting State]* at a place that constitutes *[a building site or construction, installation or assembly project]* or carries on *[supervisory activities]* in connection with such a place, and these activities are carried on during one or more periods of time that, in the aggregate, exceed 30 days without exceeding *[twelve months]*; and
- b) where connected activities are carried on in that other *[Contracting State]* at (or, *[in the case of subparagraph a) of paragraph 4 of Article 5 of the Agreement]* in connection with) the same *[building site or construction, installation or assembly project]* during different periods of time, each exceeding 30 days, by one or more enterprises closely related to the first-mentioned enterprise,

these different periods of time shall be added to the aggregate period of time during which the first-mentioned enterprise has carried on activities *[at (or, in the case of subparagraph a) of paragraph 4 of Article 5 of the Agreement, in connection with) that building site or construction, installation or assembly project]*.

5. A person acting in one of the Contracting States on behalf of an enterprise of the other Contracting State - other than an agent of an independent status to whom paragraph 6 applies - shall be deemed to be a permanent establishment of that enterprise in the first-mentioned State if -

- a) he has, and habitually exercises in that State, an authority to conclude contracts on behalf of the enterprise, unless his activities are limited to the purchase of goods or merchandise for the enterprise; or
- b) in so acting, he manufactures or processes in that State for the enterprise goods or merchandise belonging to the enterprise.

6. An enterprise of one of the Contracting States shall not be deemed to have a permanent establishment in the other Contracting State merely because it carries on business in that other State through a broker, general commission agent or any other agent of an independent status, where that person is acting in the ordinary course of his business as such a broker or agent.

7. The fact that a company which is a resident of one of the Contracting States controls or is controlled by a company which is a resident of the other Contracting State, or which carries on business in that other State (whether through a permanent establishment or otherwise) shall not of itself make either company a permanent establishment of the other.

8. The principles set forth in paragraphs 1 to 7 inclusive shall be applied in determining for the purposes of paragraph 5 of Article 11 and paragraph 5 of Article 12 of this Agreement whether there is a permanent establishment outside both Contracting States, and whether an enterprise, not being an enterprise of one of the Contracting States, has a permanent establishment in one of the Contracting States.

The following paragraph 1 of Article 15 of the MLI applies to the provisions of this Agreement:

ARTICLE 15 OF THE MLI – DEFINITION OF A PERSON CLOSELY RELATED TO AN ENTERPRISE

For the purposes of the provisions of [Article 5 of the Agreement], a person is closely related to an enterprise if, based on all the relevant facts and circumstances, one has control of the other or both are under the control of the same persons or enterprises. In any case, a person shall be considered to be closely related to an enterprise if one possesses directly or indirectly more than 50 per cent of the beneficial interest in the other (or, in the case of a company, more than 50 per cent of the aggregate vote and value of the company's shares or of the beneficial equity interest in the company) or if another person possesses directly or indirectly more than 50 per cent of the beneficial interest (or, in the case of a company, more than 50 per cent of the aggregate vote and value of the company's shares or of the beneficial equity interest in the company) in the person and the enterprise.

Article 6

INCOME FROM REAL PROPERTY

1. Income from real property, including royalties and other payments in respect of the operation of mines or quarries or of the exploitation of any natural resource, may be taxed in the Contracting State in which the real property, mines, quarries, or natural resources are situated.
2. Income from a lease of land and income from any other direct interest in or over land, whether or not improved, shall be regarded as income from real property situated where the land to which the lease or other direct interest relates is situated.
3. The provisions of paragraphs 1 and 2 shall also apply to the income from real property of an enterprise and to income from real property used for the performance of professional services.

Article 7

BUSINESS PROFITS

1. The profits of an enterprise of one of the Contracting States shall be taxable only in that State unless the enterprise carries on business in the other Contracting State through a permanent establishment situated therein. If the enterprise carries on business as aforesaid, the profits of the enterprise may be taxed in the other State, but only so much of them as is attributable to that permanent establishment.
2. Subject to the provisions of paragraph 3, where an enterprise of one of the Contracting States carries on business in the other Contracting State through a permanent

establishment situated therein, there shall in each Contracting State be attributed to that permanent establishment the profits which it might be expected to make if it were a distinct and separate enterprise engaged in the same or similar activities under the same or similar conditions and dealing wholly independently with the enterprise of which it is a permanent establishment or with other enterprises with which it deals.

3. In the determination of the profits of a permanent establishment, there shall be allowed as deductions expenses of the enterprise, being expenses which are incurred for the purposes of the permanent establishment (including executive and general administrative expenses so incurred) and which would be deductible if the permanent establishment were an independent entity which paid those expenses, whether incurred in the Contracting State in which the permanent establishment is situated or elsewhere.

4. Insofar as it has been customary in a Contracting State to determine the profits to be attributed to a permanent establishment on the basis of an apportionment of the total profits of the enterprise to its various parts, nothing in paragraph 2 shall preclude that Contracting State from determining the profits to be taxed by such an apportionment as may be customary; the method of apportionment adopted shall, however, be such that the result shall be in accordance with the principles contained in this Article.

5. No profits shall be attributed to a permanent establishment by reason of the mere purchase by that permanent establishment of goods or merchandise for the enterprise.

6. If the information available to the competent authority of a Contracting State is inadequate to determine the profits to be attributed to the permanent establishment of an enterprise, nothing in this Article shall affect the application of any law of that State relating to the determination of the tax liability of a person provided that that law shall be applied, so far as the information available to the competent authority permits, in accordance with the principles of this Article.

7. Where profits include items of income which are dealt with separately in other Articles of this Agreement, then the provisions of those Articles shall not be affected by the provisions of this Article.

8. Nothing in this Article shall affect the operation of any law of a Contracting State relating to taxation of profits from insurance with non-residents provided that if the relevant law in force in either State at the date of signature of this Agreement is varied (otherwise than in minor respects so as not to affect its general character) the Contracting States shall consult with each other with a view to agreeing to any amendment of this paragraph that may be appropriate.

Article 8

SHIPPING AND AIR TRANSPORT

1. Profits from the operation of ships or aircraft derived by a resident of one of the Contracting States shall be taxable only in that State.

2. Notwithstanding the provisions of paragraph 1, such profits may be taxed in the other Contracting State where they are profits from operations of ships or aircraft confined solely to places in that other State.

3. The provisions of paragraphs 1 and 2 shall apply in relation to the share of the profits from the operation of ships or aircraft derived by a resident of one of the Contracting States through participation in a pool service, in a joint transport operating organization or in an international operating agency.

4. For the purposes of this Article, profits derived from the carriage by ships or aircraft of passengers, livestock, mail, goods or merchandise shipped in a Contracting State for

discharge at another place in that State shall be treated as profits from operations of ships or aircraft confined solely to places in that State.

5. With respect to profits derived by the Danish, Norwegian and Swedish air transport consortium, known as the Scandinavian Airlines System (SAS), the provisions of paragraphs 1 and 2 shall only apply to such part of the profits as corresponds to the shareholding in the consortium held by Det Danske Luftfartsselskab (DDL), the Danish partner of Scandinavian Airlines System (SAS).

Article 9

ASSOCIATED ENTERPRISES

1. Where -
 - a) an enterprise of one of the Contracting States participates directly or indirectly in the management, control or capital of an enterprise of the other Contracting State; or
 - b) the same persons participate directly or indirectly in the management, control or capital of an enterprise of one of the Contracting States and an enterprise of the other Contracting State,

and in either case conditions operate between the two enterprises in their commercial or financial relations which differ from those which might be expected to operate between independent enterprises dealing wholly independently with one another, then any profits which, but for those conditions, might have been expected to accrue to one of the enterprises, but, by reason of those conditions, have not so accrued, may be included in the profits of that enterprise and taxed accordingly.

2. If the information available to the competent authority of a Contracting State is inadequate to determine the profits to be attributed to an enterprise, nothing in this Article shall affect the application of any law of that State relating to the determination of the tax liability of a person, provided that that law shall be applied, so far as the information available to the competent authority permits, in accordance with the principles of this Article.

3. Where profits on which an enterprise of one of the Contracting States has been charged to tax in that State are also included, by virtue of paragraph 1 or 2, in the profits of an enterprise of the other Contracting State and taxed accordingly, and the profits so included are profits which might have been expected to have accrued to that enterprise of the other State if the conditions operative between the enterprises had been those which might have been expected to have operated between independent enterprises dealing wholly independently with one another, then the first-mentioned State shall make an appropriate adjustment to the amount of tax charged on those profits in the first-mentioned State. In determining such an adjustment, due regard shall be had to the other provisions of this Agreement and for this purpose the competent authorities of the Contracting States shall if necessary consult each other.

Article 10

DIVIDENDS

1. Dividends paid by a company which is a resident of one of the Contracting States for the purposes of its tax, being dividends to which a resident of the other Contracting State is beneficially entitled, may be taxed in that other State.

2. Such dividends may be taxed in the Contracting State of which the company paying the dividends is a resident for the purposes of its tax, and according to the law of that State, but the tax so charged shall not exceed 15 per cent of the gross amount of the dividends.

3. The term "dividends" in this Article means income from shares and other income assimilated to income from shares by the taxation law of the Contracting State of which the company making the distribution is a resident for the purposes of its tax.
4. The provisions of paragraphs 1 and 2 shall not apply if the person beneficially entitled to the dividends, being a resident of one of the Contracting States, carries on business in the other Contracting State of which the company paying the dividends is a resident, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the holding in respect of which the dividends are paid is effectively connected with such permanent establishment or fixed base. In such a case, the provisions of Article 7 or Article 14, as the case may be, shall apply.
5. Dividends paid by a company which is a resident of one of the Contracting States, being dividends to which a person who is not a resident of the other Contracting State is beneficially entitled, shall be exempt from tax in that other State except insofar as the holding in respect of which the dividends are paid is effectively connected with a permanent establishment or fixed base situated in that other State. Provided that this paragraph shall not apply in relation to dividends paid by any company which is a resident of Australia for the purposes of Australian tax and which is also a resident of Denmark for the purposes of Danish tax.
6. Subject to the provisions of this Agreement, a Contracting State may impose on the income of a company which is a resident of the other Contracting State, tax in addition to the tax which would be chargeable on the taxable income of a company which is a resident of the first-mentioned State, provided that any additional tax so imposed by the first-mentioned State shall not exceed 15 per cent of the amount by which the taxable income of the year of income exceeds the tax which would have been payable on that taxable income if the company had been a resident of the first-mentioned State.
7. Where an individual who is a resident of Australia receives from a company which is a resident of Denmark a dividend to which he is beneficially entitled and which, if received by a resident of Denmark, would entitle the resident to the Danish tax credit (*skattegodtgørelse*) -
- a) the individual shall be entitled to the credit subject to the deduction of tax that would apply if that credit were a dividend;
 - b) the amount of the credit shall be treated for purposes of Australian tax as assessable income from sources in Denmark.

Article 11

INTEREST

1. Interest arising in one of the Contracting States, being interest to which a resident of the other Contracting State is beneficially entitled, may be taxed in that other State.
2. Such interest may be taxed in the Contracting State in which it arises, and according to the law of that State, but the tax so charged shall not exceed 10 per cent of the gross amount of the interest.
3. The term "interest" in this Article includes interest from Government securities or from bonds or debentures, whether or not secured by mortgage and whether or not carrying a right to participate in profits, and interest from any other form of indebtedness as well as all other income assimilated to income from money lent by the taxation law of the Contracting State in which the income arises.
4. The provisions of paragraphs 1 and 2 shall not apply if the person beneficially entitled to the interest, being a resident of one of the Contracting States, carries on business in the other Contracting State, of which the interest arises, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed

base situated therein, and the indebtedness in respect of which the interest is paid is effectively connected with such permanent establishment or fixed base. In such a case, the provisions of Article 7 or Article 14, as the case may be, shall apply.

5. Interest shall be deemed to arise in a Contracting State when the payer is that State itself or a political sub-division or local authority of that State or a person who is a resident of that State for the purposes of its tax. Where, however, the person paying the interest, whether he is a resident of a Contracting State or not, has in a Contracting State or outside both Contracting States a permanent establishment or fixed base in connection with which the indebtedness on which the interest is paid was incurred, and such interest is borne by such permanent establishment or fixed base, then such interest shall be deemed to arise in that State in which the permanent establishment or fixed base is situated.

6. Where, owing to a special relationship between the payer and the person beneficially entitled to the interest, or between both of them and some other person, the amount of the interest paid, having regard to the indebtedness for which it is paid, exceeds the amount which might have been expected to have been agreed upon by the payer and the person so entitled in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In that case, the excess part of the amount of the interest paid shall remain taxable according to the law of each Contracting State, but subject to the other provisions of this Agreement.

In such a case, the provisions of Article 7 or Article 14, as the case may be, shall apply.

5. Royalties shall be deemed to arise in a Contracting State when the payer is that State itself or a political sub-division or local authority of that State or a person who is a resident of that State for the purposes of its tax. Where, however, the person paying the royalties, whether he is a resident of a Contracting State or not, has in a Contracting State or outside both Contracting States a permanent establishment or fixed base in connection with which the liability to pay the royalties was incurred, and the royalties are borne by the permanent establishment or fixed base, then the royalties shall be deemed to arise in the State in which the permanent establishment or fixed base is situated.

6. Where, owing to a special relationship between the payer and the person beneficially entitled to the royalties or between both of them and some other person the amount of the royalties paid or credited, having regard to what they are paid or credited for, exceeds the amount which might have been expected to have been agreed upon by the payer and the person so entitled in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In that case, the excess part of the amount of the royalties paid or credited shall remain taxable according to the law of each Contracting State, but subject to the other provisions of this Agreement.

- b) the competent authorities are unable to reach an agreement to resolve that case pursuant to [paragraph 2 of Article 24 of the Agreement], within a period of two years beginning on the start date referred to in paragraph 8 or 9 [of Article 19 of the MLI], as the case may be (unless, prior to the expiration of that period the competent authorities of the [Contracting States] have agreed to a different time period with respect to that case and have notified the person who presented the case of such agreement),

any unresolved issues arising from the case shall, if the person so requests in writing, be submitted to arbitration in the manner described in this Part, according to any rules or procedures agreed upon by the competent authorities of the [Contracting States] pursuant to the provisions [of paragraph 10 of Article 19 of the MLI].

The mutual agreement that implements the arbitration decision on the case shall be considered not to be accepted by a person directly affected by the case if any person directly affected by the case does not, within 60 days after the date

	<p>on which notification of the mutual agreement is sent to the person, withdraw all issues resolved in the mutual agreement implementing the arbitration decision from consideration by any court or administrative tribunal or otherwise terminate any pending court or administrative proceedings with respect to such issues in a manner consistent with that mutual agreement.</p> <p>ii) if a final decision of the courts of one of the [<i>Contracting States</i>] holds that the arbitration decision is invalid. 7.	<p>Where pursuant to subparagraph b) of paragraph 6 [<i>of Article 19 of the MLI</i>], one or both of the competent authorities have requested from the person who presented the case additional information necessary to undertake substantive consideration of the case, the competent authority that requested the additional information shall, within three calendar months of receiving the additional information from that person, notify that person and the other competent authority either:</p> <p>a) that it has received the requested information; or</p> <p>b) that some of the requested information is still missing.</p>

If, however, one or both of the competent authorities send the notification referred to in subparagraph b) of paragraph 7 [of Article 19 of the MLI], such notification shall be treated as a request for additional information under subparagraph b) of paragraph 6 [of Article 19 of the MLI].

10. The competent authorities of the [Contracting States] shall by mutual agreement pursuant to [Article 24 of the Agreement] settle the mode of application of the provisions contained in this Part, including the minimum information necessary for each competent authority to undertake substantive consideration of the case. Such an agreement shall be concluded before the date on which unresolved issues in a case are first eligible to be submitted to arbitration and may be modified from time to time thereafter.

3. In the event that the competent authority of a [Contracting State] fails to appoint a member of the arbitration panel in the manner and within the time periods specified in paragraph 2 [of Article 20 of the MLI] or agreed to by the competent authorities of the [Contracting States], a member shall be appointed on behalf of that competent authority by the highest ranking official of the Centre for Tax Policy and Administration of the Organisation for Economic Co-operation and Development that is not a national of either [Contracting State].

In a case in which the competent authorities of the [Contracting States] have been unable to reach agreement on an issue regarding the conditions for application of a provision of [the Agreement] (hereinafter referred to as a “threshold question”), such as whether an individual is a resident or whether a permanent establishment exists, the competent authorities may submit alternative proposed resolutions with respect to issues the determination of which is contingent on resolution of such threshold questions.
- b) The competent authority of each [Contracting State] may also submit a supporting position paper for consideration by the arbitration panel.
