Part 5C.1—Registration of managed investment schemes

601EA Applying for registration

- (1) To register a managed investment scheme, a person must lodge an application with the ASC.
- (2) The application must state:
 - (a) the name, and the address of the registered office, of the proposed responsible entity; and
 - (b) the name and address of a person who has consented to be the auditor of the compliance plan.
- (3) The applicant must have the consent referred to in paragraph (2)(b) when the application is lodged. After the scheme is registered, the applicant must give the consent to the responsible entity. The responsible entity must keep the consent.
- (4) The following must be lodged with the application:
 - (a) a copy of the scheme's constitution
 - (b) a copy of the scheme's compliance plan
 - (c) a statement signed by the directors of the proposed responsible entity that:
 - (i) the scheme's constitution complies with sections 601GA and 601GB; and

- (ii) the scheme's compliance plan complies with section 601HA.

Note: Section 601HC requires that the copy of the compliance plan be signed by the directors of the responsible entity.

601EB Registration of managed investment scheme

- (1) The ASC must register the scheme within:
 - (a) 28 days if the application is lodged within 2 years after commencement of this Chapter; or
 - (b) 14 days if the application is lodged later than that; unless it appears to the ASC that:
 - (c) the application does not comply with section 601EA; or
 - (d) the proposed responsible entity does not meet the requirements of section 601FA; or
 - (e) the scheme's constitution does not meet the requirements of sections 601GA and 601GB; or
 - (f) the scheme's compliance plan does not meet the requirements of section 601HA; or
 - (g) the copy of the compliance plan lodged with the application is not signed as required by section 601HC; or
 - (h) arrangements are not in place that will satisfy the requirements of section 601HG in relation to audit of compliance with the plan.
- (2) If the ASC registers the scheme, the ASC must give it an ARSN.
- (3) The ASC must keep a record of the registration of the scheme.
- (4) For the purpose of determining whether subsection (1) is satisfied in relation to the scheme:
 - (a) references in Parts 5C.3, 5C.4 and 5C.5 to a registered scheme are taken to include a reference to the scheme; and
 - (b) references in those Parts to the responsible entity of a registered scheme are taken to include a reference to the proposed responsible entity of the scheme.

601EC All documents etc. lodged with ASC to bear ARSN

After a managed investment scheme is registered, the scheme's ARSN must appear on all documents relating to the scheme that are lodged with the ASC.

601ED When a managed investment scheme must be registered

- (1) Subject to subsection (2), a managed investment scheme must be registered under section 601EB if:
 - (a) it has more than 20 members; or
 - (b) it was promoted by a person, or an associate of a person, who was, when the scheme was promoted, in the business of promoting managed investment schemes; or
 - (c) a determination under subsection (3) is in force in relation to the scheme and the total number of members of all of the schemes to which the determination relates exceeds 20.
- (2) A managed investment scheme does not have to be registered if all the issues of interests in the scheme that have been made were excluded issues (disregarding paragraph 66(2)(da)) when they were made.
- (3) The ASC may, in writing, determine that a number of managed investment schemes are closely related and that each of them has to be registered at any time when the total number of members of all of the schemes exceeds 20. The ASC must give written notice of the determination to the operator of each of the schemes.
- (4) For the purpose of this section, when working out how many members a scheme has:
 - (a) joint holders of an interest in the scheme count as a single member; and
 - (b) an interest in the scheme held on trust for a beneficiary is taken to be held by the beneficiary (rather than the trustee) if:
 - (i) the beneficiary is presently entitled to a share of the trust estate or of the income of the trust estate; or
 - (ii) the beneficiary is, individually or together with other beneficiaries, in a position to control the trustee.

- (5) A person must not operate a managed investment scheme that this section requires to be registered under section 601EB unless the scheme is so registered.
- (6) For the purpose of subsection (5), a person is not operating a scheme merely because:
 - (a) they are acting as an agent or employee of another person; or
 - (b) they are taking steps to wind up the scheme or remedy a defect that led to the scheme being deregistered.
- (7) A person who would otherwise contravene subsection (5) because an interest in a scheme is held in trust for 2 or more beneficiaries (see paragraph (4)(b)) does not contravene that subsection if they prove that they did not know, and had no reason to suspect, that the interest was held in that way.

601EE Unregistered schemes may be wound up

- (1) If a person operates a managed investment scheme in contravention of subsection 601ED(5), the following may apply to the Court to have the scheme wound up:
 - (a) the ASC
 - (b) the person operating the scheme
 - (c) a member of the scheme.
- (2) The Court may make any orders it considers appropriate for the winding up of the scheme.

 - (a) there is a liability to the members; or

the responsible entity is taken to have done (or failed to do) anything that the agent or person has done (or failed to do) because of the appointment or engagement, even if they were acting fraudulently or outside the scope of their authority or engagement.

- (2) The responsible entity holds scheme property on trust for scheme members.

Note: Under subsection 601FB(2), the responsible entity may appoint an agent to hold scheme property separately from other property.

- (3) A duty of the responsible entity under subsection (1) or (2) overrides any conflicting duty an officer or employee of the responsible entity has under section 232.

- (4) The responsible entity may only invest scheme property, or keep scheme property invested, in another managed investment scheme if that other scheme is registered under this Chapter.

601FD Duties of officers of responsible entity

 - (a) act honestly; and

- (b) exercise the degree of care and diligence that a reasonable person would exercise if they were in the officer's position; and

- (ii) cause detriment to members of the scheme; or
- (b) make improper use of their position as an employee to gain, directly or indirectly, an advantage for themselves or for any other person or to cause detriment to the members of the scheme.

Note: Subsection (1) is a civil penalty provision as defined in section 1317DA and Part 9.4B provides for civil and criminal consequences of contravening it.

- (2) A duty of an employee of the responsible entity under subsection (1) overrides any conflicting duty the employee has under section 232.

601FF Surveillance checks by ASC

- (1) The ASC may, from time to time, check whether the responsible entity of a registered scheme is complying with the scheme's constitution and compliance plan and with this Law.

Note: For this purpose the ASC may exercise the powers set out in Division 3 of Part 3 of the *Australian Securities Commission Act 1989*.

- (2) The responsible entity and its officers must take all reasonable steps to assist the ASC in carrying out a check under subsection (1).

601FG Acquisition of interest in scheme by responsible entity

The responsible entity of a registered scheme may acquire and hold an interest in the scheme, but it must only do so:

- (a) for not less than the consideration that would be payable if the interest were acquired by another person; and
- (b) subject to terms and conditions that would not disadvantage other members.

Note 1: If the responsible entity holds an interest in the scheme, it does so subject to section 253E (certain members cannot vote or be counted).

Note 2: This section is a civil penalty provision as defined in section 1317DA and Part 9.4B provides for civil and criminal consequences of contravening it.

601FH Liquidator etc. of responsible entity entitled to exercise indemnity rights

If the company that is a registered scheme's responsible entity is being wound up, is under administration or has executed a deed of company arrangement that has not terminated:

- (a) a provision of the scheme's constitution, or of another instrument, is void against the liquidator, or the administrator of the company or the deed, if it purports to deny the company a right to be indemnified out of the scheme property that the company would have had if it were not being wound up, were not under administration, or had not executed a deed of company arrangement; and
- (b) a right of the company to be indemnified out of the scheme property may only be exercised by the liquidator or the administrator of the company or the deed.

Division 2—Changing the responsible entity

601FJ Changes only take effect when ASC alters record of registration

- (1) Despite anything in this Division, the company named in the ASC's record of registration as the responsible entity or temporary responsible entity of a registered scheme remains the scheme's responsible entity until the record is altered to name another company as the scheme's responsible entity or temporary responsible entity.
- (2) A purported change of the scheme's responsible entity is ineffective unless it is in accordance with this Division.

601FK Requirements of section 601FA must be met

A company cannot be chosen or appointed as the responsible entity or temporary responsible entity of a registered scheme unless it meets the requirements of section 601FA.

601FL Retirement of responsible entity

- (1) If the responsible entity of a registered scheme wants to retire, it must call a members' meeting to explain its reason for wanting to retire and to enable the members to vote on an extraordinary resolution to choose a company to be the new responsible entity.
- (2) If the members choose a company to be the new responsible entity and that company has consented, in writing, to becoming the scheme's responsible entity:
 - (a) as soon as practicable and in any event within 2 business days after the resolution is passed, the current responsible entity must lodge a notice with the ASC asking it to alter the record of the scheme's registration to name the chosen company as the scheme's responsible entity; and
 - (b) if the current responsible entity does not lodge the notice required by paragraph (a), the company chosen by the members to be the new responsible entity may lodge that notice; and

- (c) the ASC must comply with the notice when it is lodged.
- (3) If the members do not choose a company to be the new responsible entity, or the company they choose does not consent to becoming the scheme's responsible entity, the current responsible entity may apply to the Court for appointment of a temporary responsible entity under section 601FP.
- (4) A person must not lodge a notice under subsection (2) unless the consent referred to in that subsection has been given before the notice is lodged.

601FM Removal of responsible entity by members

- (1) If members of a registered scheme want to remove the responsible entity, they may take action under Division 1 of Part 2G.4 for the calling of a members' meeting to consider and vote on:
 - (a) an extraordinary resolution that the current responsible entity should be removed; and
 - (b) an extraordinary resolution choosing a company to be the new responsible entity.
- (2) If the members vote to remove the responsible entity and, at the same meeting, choose a company to be the new responsible entity that consents, in writing, to becoming the scheme's responsible entity:
 - (a) as soon as practicable and in any event within 2 business days after the resolution is passed, the current responsible entity must lodge a notice with the ASC asking it to alter the record of the scheme's registration to name the chosen company as the scheme's responsible entity; and
 - (b) if the current responsible entity does not lodge the notice required by paragraph (a), the company chosen by the members to be the new responsible entity may lodge that notice; and
 - (c) the ASC must comply with the notice when it is lodged.
- (3) A person must not lodge a notice under subsection (2) unless the consent referred to in that subsection has been given before the notice is lodged.

Note: If the members vote to remove the responsible entity but do not, at the same meeting, choose a company to be the new responsible entity, or the company they choose does not consent to becoming the scheme's responsible entity, the scheme must be wound up (see section 601NE).

601FN ASC or scheme member may apply to Court for appointment of temporary responsible entity

The ASC or a member of the registered scheme may apply to the Court for the appointment of a temporary responsible entity of the scheme under section 601FP if the scheme does not have a responsible entity that meets the requirements of section 601FA.

601FP Appointment of temporary responsible entity by Court

- (1) On application under section 601FL or 601FN, the Court may, by order, appoint a company as the temporary responsible entity of a registered scheme if the Court is satisfied that the appointment is in the interest of the members.
- (2) The Court may make any further orders that it considers necessary.
- (3) If the application was made by the current responsible entity, it must, as soon as practicable after the Court's order appointing the temporary responsible entity, lodge a notice with the ASC informing the ASC of the appointment made by the Court.
- (4) As soon as practicable after the appointment, the ASC must alter the record of the scheme's registration to name the appointed company as the scheme's temporary responsible entity.

601FQ Temporary responsible entity to take steps for appointment of new responsible entity

- (1) The temporary responsible entity of a registered scheme must call a members' meeting for the purpose of the members, by extraordinary resolution, choosing a company to be the new responsible entity. The temporary responsible entity must call the meeting as soon as practicable and, in any event, within 3 months of becoming the temporary responsible entity.
 - (2) Within that 3 months, the temporary responsible entity may call further members' meetings for the purpose of choosing a company
-

to be the new responsible entity. Before the end of the 3 months, it may apply to the Court for an extension of that period. If the Court grants the extension, the temporary responsible entity may, within the extended period, call further members' meetings for the purpose of choosing a company to be the new responsible entity.

- (3) Provided it still meets the requirements in section 601FA, nothing prevents the company that is the temporary responsible entity from being chosen as the new responsible entity.
- (4) If the members choose a company to be the new responsible entity and that company has consented, in writing, to becoming the scheme's responsible entity, the temporary responsible entity must, as soon as practicable, lodge a notice with the ASC asking it to alter the record of the scheme's registration to name the chosen company as the scheme's responsible entity. The ASC must comply with the notice when it is lodged.
- (5) The temporary responsible entity must apply to the Court for an order directing it to wind up the scheme, and the Court may make the order, if:
 - (a) no meeting is called within the 3 months or extended period for the purpose of choosing a new company to be the responsible entity; or
 - (b) the meeting or meetings called within that period for that purpose have not resulted in the members choosing a company to be the new responsible entity that consents to becoming the scheme's responsible entity.

The ASC or a member of the scheme may apply for the order if the temporary responsible entity does not do so.

- (6) The temporary responsible entity must not lodge a notice under subsection (4) unless the consent referred to in that subsection has been given before the notice is lodged.

Division 3—Consequences of change of responsible entity

601FR Former responsible entity to hand over books and provide reasonable assistance

If the responsible entity of a registered scheme changes, the former responsible entity must:

- (a) as soon as practicable give the new responsible entity any books in the former responsible entity's possession or control that this Law requires to be kept in relation to the scheme; and
- (b) give other reasonable assistance to the new responsible entity to facilitate the change of responsible entity.

601FS Rights, obligations and liabilities of former responsible entity

- (1) If the responsible entity of a registered scheme changes, the rights, obligations and liabilities of the former responsible entity in relation to the scheme become rights, obligations and liabilities of the new responsible entity.

The responsible entity of a registered scheme that is not liquid must ensure that withdrawal requests made in response to a withdrawal offer are satisfied within 21 days after the offer closes. No request made under the withdrawal offer may be satisfied while the offer is still open. If an insufficient amount of money is available from the assets specified in the offer to satisfy all requests, the requests are to be satisfied proportionately in accordance with the formula:

- (2) If the person gives a notice under subsection (1), the obligations of the parties to the contract are suspended:

- (a) during the period of 21 days after the notice is given; and

Part 5C.9—Winding up

601NA Winding up required by scheme’s constitution

The constitution of a registered scheme may provide that the scheme is to be wound up:

- (a) at a specified time; or
- (b) in specified circumstances or on the happening of a specified event;

but a provision of the constitution that purports to provide that the scheme is to be wound up if a particular company ceases to be its responsible entity is of no effect (including for the purposes of paragraph 601NE(1)(a)).

601NB Winding up at direction of members

If members of a registered scheme want the scheme to be wound up, they may take action under Division 1 of Part 2G.4 for the calling of a members’ meeting to consider and vote on an extraordinary resolution directing the responsible entity to wind up the scheme.

601NC Winding up if scheme’s purpose accomplished or cannot be accomplished

- (1) If the responsible entity of a registered scheme considers that the purpose of the scheme:
 - (a) has been accomplished; or
 - (b) cannot be accomplished;it may, in accordance with this section, take steps to wind up the scheme.
- (2) The responsible entity must give to the members of the scheme and to the ASC a notice in writing:
 - (a) explaining the proposal to wind up the scheme, including explaining how the scheme’s purpose has been accomplished or why that purpose cannot be accomplished; and

- (b) informing the members of their rights to take action under Division 1 of Part 2G.4 for the calling of a members' meeting to consider the proposed winding up of the scheme and to vote on any extraordinary resolution members propose about the winding up of the scheme; and
 - (c) informing the members that the responsible entity is permitted to wind up the scheme unless a meeting is called to consider the proposed winding up of the scheme within 28 days of the responsible entity giving the notice to the members.
- (3) If no meeting is called within that 28 days to consider the proposed winding up, the responsible entity may wind up the scheme.

601ND Winding up ordered by Court

- (1) The Court may, by order, direct the responsible entity of a registered scheme to wind up the scheme if:
- (a) the Court thinks it is just and equitable to make the order; or
 - (b) within 3 months before the application for the order was made, execution or other process was issued on a judgment, decree or order obtained in a court (whether an Australian court or not) in favour of a creditor of, and against, the responsible entity in its capacity as the scheme's responsible entity and the execution or process has been returned unsatisfied.
- (2) An order based on paragraph (1)(a) may be made on the application of:
- (a) the responsible entity; or
 - (b) a director of the responsible entity; or
 - (c) a member of the scheme; or
 - (d) the ASC.
- (3) An order based on paragraph (1)(b) may be made on the application of a creditor.

601NE The winding up of the scheme

- (1) The responsible entity of a registered scheme must ensure that the scheme is wound up in accordance with its constitution and any orders under subsection 601NF(2) if:
 - (a) the scheme's constitution provides that the scheme is to be wound up at a specified time, in specified circumstances or on the happening of a specified event and that time is reached, those circumstances occur or that event occurs; or

Note: For the Court's power to order winding up, see subsection 601FQ(5) and section 601ND.

- (2) The responsible entity of a registered scheme may wind up the scheme in accordance with its constitution and any orders under subsection 601NF(2) if the responsible entity is permitted by subsection 601NC(3) to wind up the scheme.
- (3) Interests must not be issued in a registered scheme at a time after the responsible entity has become obliged to ensure the scheme is wound up, or after the scheme has started to be wound up.

601NF Other orders about winding up

- (1) The Court may, by order, appoint a person to take responsibility for ensuring a registered scheme is wound up in accordance with its constitution and any orders under subsection (2) if the Court thinks it necessary to do so (including for the reason that the responsible entity has ceased to exist or is not properly discharging its obligations in relation to the winding up).
- (2) The Court may, by order, give directions about how a registered scheme is to be wound up if the Court thinks it necessary to do so

(including for the reason that the provisions in the scheme's constitution are inadequate or impracticable).

- (3) An order under subsection (1) or (2) may be made on the application of:
- (a) the responsible entity; or
 - (b) a director of the responsible entity; or
 - (c) a member of the scheme; or

601NG Unclaimed money to be paid to ASC

If, on completion of the winding up of a registered scheme, the person who has been winding up the scheme has in their possession or under their control any unclaimed or undistributed money or other property that was part of the scheme property, the person must, as soon as practicable, pay the money or transfer the property to the ASC to be dealt with under Part 9.7.

Part 5C.10—Deregistration

601PA Deregistration—voluntary

Responsible entity may apply for deregistration

- (1) The responsible entity of a registered scheme may lodge an application for deregistration of the scheme with the ASC.
- (2) The responsible entity may only apply if:
 - (a) the scheme:
 - (i) has 20 or less members (calculated in accordance with subsection 601ED(4)) and all the members agree that the scheme should be deregistered; and
 - (ii) is not required to be registered by paragraph 601ED(1)(b) or (c); or
 - (b) because of subsection 601ED(2) (exemption based on excluded issues), the scheme is not required to be registered and all the members agree that the scheme should be deregistered; or
 - (c) the scheme is not a managed investment scheme.
- (3) If the ASC is satisfied that the application complies with subsections (1) and (2), it must give notice of the proposed deregistration:
 - (a) on the national database; and
 - (b) in the *Gazette*.When 2 months have passed since the *Gazette* notice, the ASC may deregister the scheme.
- (4) The ASC must give notice of the deregistration to the applicant.

601PB Deregistration by ASC

- (1) The ASC may decide to deregister a registered scheme if:
 - (a) the scheme does not have a responsible entity that meets the requirements of section 601FA; or
-

- (b) the scheme does not have a constitution that meets the requirements of sections 601GA and 601GB; or
- (c) the scheme does not have a compliance plan that meets the requirements of section 601HA; or
- (d) the scheme's property is not being:

- (f) the scheme has been wound up.

Deregistration procedure

- (2) If the ASC decides to deregister a scheme under this section, it must give notice of the proposed deregistration:
 - (a) to the scheme's responsible entity; and
 - (b) to any other person who is winding up the scheme; and
 - (c) on the national database; and
 - (d) in the *Gazette*.

If the notice is given under paragraph (1)(a), (b), (c) or (d), the notice must specify the period at the end of which the ASC proposes to deregister the scheme.

- (3) The ASC may deregister the scheme:
 - (a) if paragraph (1)(a), (b), (c) or (d) applies—at the end of the period set out in the *Gazette* notice; or
 - (b) if paragraph (1)(e) or (f) applies—when 2 months have passed since the *Gazette* notice.
- (4) The ASC does not have to give a person notice under subsection (2) if the ASC does not have the necessary information about the person's address.

- (5) The ASC must give notice of the deregistration to everyone who was notified of the proposed deregistration under paragraph (2)(a) or (b).

601PC Reinstatement

- (1) The ASC may reinstate the registration of a managed investment scheme if the ASC is satisfied that the scheme should not have been deregistered or if the defect that led to the scheme being deregistered has been remedied.
- (2) The Court may make an order that the ASC reinstate the registration of a managed investment scheme if:
 - (a) an application for reinstatement is made to the Court by:
 - (i) a person aggrieved by the deregistration; or
 - (ii) a person who was winding up the scheme; and
 - (b) the Court is satisfied that it is just that the scheme's registration be reinstated.
- (3) The Court may give any directions it thinks just for putting the scheme and other people in the same position, as far as possible, as if the scheme had not been deregistered.

ASC to give notice of reinstatement

- (4) The ASC must give notice of a reinstatement in the *Gazette*. If the ASC exercises its power under subsection (1) in response to an application by a person, the ASC must also give notice of the reinstatement to the applicant.

Part 5C.11—Exemptions and modifications

601QA ASC's power to make exemption and modification orders

- (1) The ASC may:
 - (a) exempt a person from a provision of this Chapter; or
 - (b) declare that this Chapter applies to a person as if specified provisions were omitted, modified or varied as specified in the declaration.

Without limiting this, the ASC may declare that this Chapter applies to a person as if section 601HA included a requirement for scheme property to be held by a person other than the responsible entity as the responsible entity's agent.

- (2) The exemption or declaration may:
 - (a) apply to all or specified provisions of this Chapter; or
 - (b) apply to all persons, specified persons, or a specified class of persons; and
 - (c) relate to all interests, specified interests or a specified class of interests in managed investment schemes; and
 - (d) relate to any other matter generally or as specified.
- (3) An exemption may apply unconditionally or subject to specified conditions. A person to whom a condition specified in an exemption applies must comply with the condition. The Court may order the person to comply with the condition in a specified way. Only the ASC may apply to the Court for the order.
- (4) The exemption or declaration must be in writing and the ASC must publish notice of it in the *Gazette*.
- (5) For the purposes of this section, the *provisions of this Chapter* include:
 - (a) regulations made for the purposes of this Chapter; and

2 After Division 10 of Part 11.2

Insert:

Division 11—Changes resulting from the Managed Investments Act 1998

1451 Definitions

In this Division:

commencement means the commencement of Chapter 5C of this Law.

new Law means this Law as in force after the commencement.

old Law means this law as in force immediately before the commencement.

registered scheme means a managed investment scheme that is registered under section 601EB of the new Law.

registration application means an application for registration of a managed investment scheme under section 601EB of the new Law.

undertaking includes scheme, enterprise, contract or arrangement.

1452 Division applies to prescribed interests in existence immediately before commencement

This Division applies to interests that, immediately before the commencement, were prescribed interests to which:

- (a) Division 5 of Part 7.12 of the old Law applied; or

(b) that Division would have applied but for the operation of subparagraph 7.12.04(c)(ii) of the Corporations Regulations; and that are interests in a managed investment scheme as defined in section 9 of the new Law. It also applies to the undertaking to which the interests relate and to the trustee or representative and the management company in relation to the interests.

1453 Application of new Law to interests covered by approved deed immediately before commencement

The new Law applies to prescribed interests covered by an approved deed immediately before commencement as if paragraph 601ED(1)(a) (requirement for 20 members) were omitted. This section ceases to apply to the prescribed interests covered by the deed if all the people who hold the interests agree that this section should cease to apply to the interests.

1454 Old Law continues to apply for 2 years or until scheme registered

- (1) The old Law continues to apply to the interests, the undertaking, the trustee or representative and the management company, for the period of 2 years starting on the commencement, unless, before then, the undertaking becomes a registered scheme.
- (2) The ASC may extend that period of 2 years if the undertaking is to be wound up at a fixed time after the 2 years and the ASC thinks it would be unreasonable to require the undertaking to become a registered scheme before being wound up.
- (3) Except for the purposes of applying to register the undertaking as a managed investment scheme under the new Law and dealing with the application, the new Law does not apply to the interests, the undertaking, the trustee or representative and the management company while the old Law continues to apply to them.
- (4) If the undertaking becomes a registered scheme within the period of 2 years referred to in subsection (1), section 601FC(4) of the new Law applies to the registered scheme for the remainder of that period as if prescribed interests that are still covered by an approved deed because of subsection (1) of this section were interests in a registered scheme.

1455 Retirement from office of trustee or representative or management company

- (1) This section provides for the bodies that hold the offices of trustee or representative and management company to retire from those offices. A retirement under this section takes effect if, and only if, the undertaking becomes a registered scheme.
- (2) One of the bodies may retire from the office it holds by giving written notice of its retirement to the other body. The body giving the notice must lodge a copy of it with the ASC.
- (3) Once one of the bodies has given a retirement notice to the other body, that other body cannot give a retirement notice. If both bodies give notices at the same time, the notice by the body that holds the office of management company is ineffective.
- (4) A retirement notice may only be given:
 - (a) while Division 5 of Part 7.12 of the old Law continues to apply to the prescribed interests; and
 - (b) during the first year after the commencement.
- (5) A retirement notice cannot be revoked.
- (6) Section 1456 sets out what happens when one of the bodies gives the other a retirement notice.
- (7) Section 1457 sets out what happens if neither of the bodies gives the other a retirement notice.
- (8) Sections 1458 to 1461 only confer rights and impose obligations on a body for so long as:
 - (a) if the body is the trustee or representative or the management company—the body continues to hold that office; and
 - (b) in any case—the undertaking is not a registered scheme.

1456 What happens when one of the bodies receives a retirement notice

- (1) If one of the bodies receives a retirement notice it must, within 2 months, decide either to:
 - (a) retire from the office it holds; or

- (b) lodge a registration application in relation to the undertaking naming itself as the proposed responsible entity.

The body must lodge a notice of its decision with the ASC.

Note: For the powers of the body if it decides to become the responsible entity, see section 1460.

- (2) If the body decides to retire:
 - (a) its retirement takes effect if, and only if, the undertaking becomes a registered scheme; and
 - (b) the body must, as soon as practicable after making its decision, convene a meeting of the holders of the prescribed interests to:
 - (i) choose a proposed responsible entity for the purpose of making a registration application; or
 - (ii) decide that the undertaking is to be wound up; and
 - (c) the body must lodge a notice with the ASC setting out the outcome of the meeting.

Note 1: For the powers of the proposed responsible entity, see section 1460.

Note 2: For the procedure at the meeting, see section 1460.

- (3) If, at the meeting held under paragraph (2)(b), the holders of the prescribed interests do not either choose a proposed responsible entity or decide that the undertaking is to be wound up, the management company may apply to the Court for an order directing it to wind up the scheme.

1457 What happens if neither of the bodies gives a retirement notice

- (1) If neither of the bodies gives a retirement notice during the first year after the commencement, the management company must:
 - (a) as soon as practicable after the end of that year, convene a meeting of the holders of the prescribed interests to:
 - (i) choose a proposed responsible entity for the purpose of making a registration application; or
 - (ii) decide that the undertaking is to be wound up; and
 - (b) lodge a notice with the ASC setting out the outcome of the meeting.

Note 1: For the powers of the proposed responsible entity, see section 1460.

Note 2: For the procedure at the meeting, see section 1460.

- (1A) A resolution passed under subparagraph (1)(a)(i) may direct the proposed responsible entity to lodge with the registration application a compliance plan that provides for scheme property to be held by a person other than the responsible entity, or a person that is not related to the responsible entity, as the responsible entity's agent.
- (2) If, at the meeting, the holders of the prescribed interests do not either choose a proposed responsible entity or decide that the undertaking is to be wound up, the management company may apply to the Court for an order directing it to wind up the scheme.

1458 Winding up of the undertaking

The trustee or representative for the purposes of the deed must ensure that the undertaking is wound up in accordance with the deed in relation to the prescribed interests and with any orders under subsection 1459(2) if:

- (a) the holders of the prescribed interests decide, at a meeting convened for the purpose of paragraph 1456(2)(b) or 1457(1)(a), that the undertaking is to be wound up; or
- (b) the Court makes an order directing the management company to wind up the undertaking pursuant to an application under subsection 1457(2).

1459 Other orders about winding up

- (1) The Court may, by order, appoint a person to take responsibility for ensuring the undertaking is wound up in accordance with the deed and any orders under subsection (2) if the Court thinks it necessary to do so (including for the reason that the management company has ceased to exist or is not properly discharging its obligations in relation to the winding up).
- (2) The Court may, by order, give directions about how the undertaking is to be wound up if the court thinks it necessary to do so (including for the reason that the provisions in the deed are inadequate or impracticable).

- (3) An order under subsection (1) or (2) may be made on the application of:
 - (a) the management company or the trustee or representative; or
 - (b) a director of the management company or of the trustee or representative; or
 - (c) a holder of any of the prescribed interests; or
 - (d) the ASC.

1460 Powers of proposed responsible entity

- (1) This section sets out the powers of:
 - (a) a body that decides under subsection 1456(1) to lodge a registration application in relation to the undertaking naming itself as the proposed responsible entity; or
 - (b) a body chosen by the holders of the prescribed interests as the proposed responsible entity at a meeting convened under paragraph 1456(2)(b) or 1457(1)(a).
- (2) The body has power to lodge a registration application in relation to the undertaking on behalf of the holders of the prescribed interests, and has power to do all things necessary for the purpose of the application.
- (3) The body has power to modify the deed in relation to the prescribed interests:
 - (a) if the purpose of the modification is to make the deed meet the requirements of section 601GA of the new Law for the constitution of a registered scheme; or
 - (b) the modification removes from the deed covenants that were included to satisfy the requirements of Division 5 of Part 7.12 of the old Law.

This is so despite any provision in the deed to the contrary.

- (4) Section 1069A of the old Law does not apply to the body's power to modify the deed (except as provided in section 1461).
- (5) The body must lodge a notice with the ASC setting out the modifications.
- (6) The body's power to modify the deed is subject to the following qualifications:

- (a) the modifications have effect if, and only if, the undertaking becomes a registered scheme; and
- (b) within 28 days of lodgment of the notice setting out the modifications, the ASC may require the management company to convene a meeting of the holders of the prescribed interests to ratify all or any of the modifications; and
- (c) if the ASC requires a modification to be ratified, it does not have effect under paragraph (a) unless it has been ratified and written notice of the ratification has been lodged with the ASC.

1461 Meeting procedures

Sections 1069A to 1069C of the old Law apply, with necessary modifications, for the purposes of convening, holding, and voting at meetings for the purpose of paragraph 1456(2)(b), 1457(1)(a) or 1460(6)(b).

1462 Transfer of rights, obligations and liabilities

If the undertaking becomes a registered scheme, Division 3 of Part 5C.2 of the new Law applies as if:

- (a) references to the new responsible entity were references to the responsible entity of the scheme on registration; and
- (b) references to the former responsible entity were references to either or both of the bodies that, immediately before the scheme's registration, held the offices of trustee or representative and management company (in their capacities as the holders of those offices).

1463 Indemnification of trustee or representative for transfer of scheme property

If the undertaking becomes a registered scheme but the trustee or representative does not become the responsible entity of the scheme, the trustee or representative is entitled to be indemnified out of the scheme property for reasonable expenses incurred in transferring the scheme property to the responsible entity.

1464 Application of paragraphs 601JA(2)(c) and 601JB(2)(b) of new Law to officers or employees of body that does not become scheme’s responsible entity

If:

- (a) the undertaking becomes a registered scheme; and
- (b) on registration of the scheme, the scheme’s responsible entity is one of the bodies referred to in subsection 1455(1);

then, in applying paragraph 601JA(2)(c) or 601JB(2)(b) of the new Law to the scheme, a person who was an officer or employee of the other of those bodies is not, merely because of things they did before the scheme’s registration in the performance of their functions or duties as an officer or employee of that body, taken to have been substantially involved in business dealings, or in a professional capacity, with the responsible entity.

1465 References to prescribed interests etc. in existing laws and documents

A reference in any law of the Commonwealth or of a State or Territory, or in any document, to a term set out in the old term column of the table (within the meaning of this Law) is to be read after commencement as including a reference to the corresponding term set out in the new term column of the table (within the meaning of this Law) except so far as the contrary intention appears in the law or document.

Conversion of references		
Item	Old term	New term
1.	prescribed interest	managed investment
2.	management company	responsible entity
3.	trustee	responsible entity
4.	approved deed	constitution of registered scheme
