and
- (c) entering into schemes.

It also sets out the amounts of those penalties.

Subdivision 284-A—General provisions

284-10	Object of Division
284-15	When a matter is <i>reasonably arguable</i>
284-20	Which statements this Division applies to
284-25	Statements by agents
284-30	Application of Division to trusts
284-35	Application of Division to partnerships

284-10 Object of Division

The object of this Division is to provide a uniform administrative penalty regime for all *taxation laws to enable administrative penalties to apply to entities that fail to meet their obligations under those laws in relation to:

- (a) making false or misleading statements; and
- (b) taking a position that is not reasonably arguable; and
- (c) entering into *schemes; and
- (d) refusing to provide documents to the Commissioner; and
- (e) disregarding *private rulings.

284-15 When a matter is *reasonably arguable*

- (1) A matter is *reasonably arguable* if it would be concluded in the circumstances, having regard to relevant authorities, that what is argued for is as likely to be correct as incorrect, or is more likely to be correct than incorrect.
- (2) To the extent that a matter involves an assumption about the way in which the Commissioner will exercise a discretion, the matter is only *reasonably arguable* if, had the Commissioner exercised the discretion in the way assumed, a court would be as likely as not to decide that the exercise of the discretion was in accordance with law.
- (3) Without limiting subsection (1), these authorities are relevant:
 - (a) a *taxation law;
 - (b) material for the purposes of subsection 15AB(1) of the *Acts Interpretation Act 1901*;

-
- (c) a decision of a court (whether or not an Australian court), the *AAT or a Board of Review;
 - (d) a public ruling within the meaning of Part IVA.

284-20 Which statements this Division applies to

This Division applies to a statement made orally, in a document or in any other way (including electronically) for a purpose connected with a *taxation law.

284-25 Statements by agents

This Division applies to a statement made in an *approved form by your agent as if it had been made by you.

284-30 Application of Division to trusts

If you are a trustee of a trust and:

- (a) you make a statement to the Commissioner or to an officer who is exercising powers or performing functions under a *taxation law about the trust; and
- (b) the statement:
 - (i) is false or misleading in a material particular, whether because of things in it or omitted from it; or
 - (ii) treated an *income tax law as applying to a matter or identical matters in a particular way that was not *reasonably arguable; or
 - (iii) treated a taxation law as applying in a particular way to a *scheme;

this Division applies to you as if any *shortfall amount or *scheme shortfall amount of a beneficiary of the trust as a result of the statement were your shortfall amount or scheme shortfall amount.

284-35 Application of Division to partnerships

- (1) If you are a partner in a partnership and:
 - (a) a statement about the partnership net income or partnership loss is made by a partner or the partnership's agent to the Commissioner or to an entity who is exercising powers or

performing functions under a *taxation law about the partnership; and

(b) the statement:

- (i) is false or misleading in a material particular, whether because of things in it or omitted from it; or
- (ii) treated an *income tax law as applying to a matter or identical matters in a particular way that was not *reasonably arguable;

this Division applies to you as if you had made the statement.

(2) If you are a partner in a partnership and:

- (a) the partnership participated in a *scheme; and
- (b) the partnership net income would have been greater, or the partnership loss would have been smaller, apart from the scheme;

this Division applies to you as if the proportion of the *scheme benefit that is the same as your share of the partnership net income or partnership loss were your scheme benefit.

Shortfall amounts

Item You have a *shortfall amount* in this situation:

- | | |
|-------|--|
| 1 | A *tax-related liability of yours for an accounting period, or for a *taxable importation, worked out on the basis of the statement is less than it would be if the statement were not false or misleading |

-

Shortfall amounts

Item You have a shortfall amount in this situation:

- | | |

-

Note: Section 284-215 may reduce or eliminate your shortfall amount.

284-85 Amount of penalty

- (1) Work out the *base penalty amount under section 284-90. If the base penalty amount is not increased under section 284-220 or reduced under section 284-225, this is the amount of the penalty.
- (2) Otherwise, use this formula:

$$BPA + \left[BPA \times \left(\text{Increase \%} - \text{Reduction \%} \right) \right]$$

where:

BPA is the *base penalty amount.

increase % is the percentage increase (if any) under section 284-220.

reduction % is the percentage reduction (if any) under section 284-225.

284-90 Base penalty amount

- (1) The **base penalty amount** under this Subdivision is worked out using this table:

Base penalty amount

Item	In this situation:	The base penalty amount is:
1	Your *shortfall amount or part of it resulted from intentional disregard of a *taxation law by you or your agent	75% of your *shortfall amount or part
2	Your *shortfall amount or part of it resulted from recklessness by you or your agent as to the operation of a *taxation law	50% of your *shortfall amount or part
3	Your *shortfall amount or part of it resulted from a failure by you or your agent to take reasonable care to comply with a *taxation law	25% of your *shortfall amount or part
4	Your *shortfall amount or part of it resulted from you or your agent treating an *income tax law as applying to a matter or identical matters in a particular way that was not *reasonably arguable, and that amount is more than the greater of \$10,000 or 1% of the income tax payable by you for the income year, worked out on the basis of your *income tax return	25% of your *shortfall amount or part
5	You have a *shortfall amount because of section 284-30 (about trusts) and: (a) your shortfall amount or part of it resulted from you or your agent treating an *income tax law as applying to a matter or identical matters in a particular way that was not *reasonably arguable; and (b) because of that treatment, the trust's net income would have been reduced, or the trust's *tax loss would have been increased, for the income year by more than the greater of \$20,000 or 2% of the trust's net income (if any) for that year worked out on the basis of the trust's *income tax return	25% of your *shortfall amount or part

Base penalty amount

Item	In this situation:	The base penalty amount is:
6	You have a *shortfall amount because of section 284-35 (about partnerships) and: (a) your shortfall amount or part of it resulted from you or your agent treating an *income tax law as applying to a matter or identical matters in a particular way that was not *reasonably arguable; and (b) because of that treatment, the partnership net income would have been reduced, or the partnership loss would have been increased, for the income year by more than the greater of \$20,000 or 2% of the partnership net income (if any) for that year, worked out on the basis of the partnership's *income tax return	25% of your *shortfall amount or part

Note: Section 284-215 may reduce or eliminate your shortfall amount.

- (2) If 2 or more items in that table apply to you for your *shortfall amount or a part of it and one of them produces a greater *base penalty amount than any of the others, use that item.

Subdivision 284-C—Penalties relating to schemes

Guide to Subdivision 284-C

284-140 What this Subdivision is about

You are liable to an administrative penalty if you attempt to reduce your tax-related liabilities or increase your credits through a scheme.

This Subdivision sets out when the penalties apply and how the amounts of the penalties are calculated.

Table of sections

Operative provisions

284-145	Liability to penalty
284-150	<i>Scheme benefits and scheme shortfall amounts</i>
284-155	Amount of penalty
284-160	<i>Base penalty amount: schemes</i>

[This is the end of the Guide.]

Operative provisions

284-145 Liability to penalty

- (1) You are liable to an administrative penalty if:
 - (a) you would, apart from a provision of a *taxation law or action taken under such a provision (the ***adjustment provision***), get a *scheme benefit from a *scheme; and
 - (b) having regard to any relevant matters, it is reasonable to conclude that:
 - (i) an entity that (alone or with others) entered into or carried out the scheme, or part of it, did so with the sole or dominant purpose of that entity or another entity getting a scheme benefit from the scheme; or
 - (ii) for a scheme referred to in Division 165 of the *A New Tax System (Goods and Services Tax) Act 1999*—the principal effect of the scheme, or of part of the scheme, is that you would, apart from the adjustment provision, get the scheme benefit from the scheme directly or indirectly.
- (2) You are also liable to an administrative penalty if:
 - (a) you would, apart from section 136AD or 136AE of the *Income Tax Assessment Act 1936*, or the application of the *International Tax Agreements Act 1953* to those sections,

(also the *adjustment provision*) get a *scheme benefit from a *scheme; and

- (b) subparagraph (1)(b)(i) is not satisfied for the scheme.
- (3) It does not matter whether the *scheme, or any part of the scheme, was entered into or carried out inside or outside Australia.

284-150 *Scheme benefits and scheme shortfall amounts*

- (1) An entity gets a *scheme benefit* from a *scheme if:
- (a) a *tax-related liability of the entity for an accounting period is, or could reasonably be expected to be, less than it would be apart from the scheme or a part of the scheme; or
 - (b) an amount that the Commissioner must pay or credit to the entity under a *taxation law for an accounting period is, or could reasonably be expected to be, more than it would be apart from the scheme or a part of the scheme.
- (2) The amount of the *scheme benefit that you would, apart from the adjustment provision, have got from the *scheme is called your *scheme shortfall amount*.

Note: Section 284-215 may reduce or eliminate your scheme shortfall amount.

284-155 *Amount of penalty*

- (1) Work out the *base penalty amount under section 284-160. If the base penalty amount is not increased under section 284-220 or reduced under section 284-225, this is the amount of the penalty.
- (2) Otherwise, use this formula:

$$\text{BPA} + \left[\text{BPA} \times \left(\text{Increase \%} - \text{Reduction \%} \right) \right]$$

where:

BPA is the *base penalty amount.

increase % is the percentage increase (if any) under section 284-220.

reduction % is the percentage reduction (if any) under section 284-225.

284-160 Base penalty amount: schemes

The *base penalty amount* for a *scheme is:

- (a) for a scheme to which subsection 284-145(1) applies:
 - (i) 50% of your *scheme shortfall amount; or
 - (ii) 25% of your scheme shortfall amount if it is *reasonably arguable that the adjustment provision does not apply;
or
- (b) for a scheme to which subsection 284-145(2) applies:
 - (i) 25% of your *scheme shortfall amount; or
 - (ii) 10% of your scheme shortfall amount if it is *reasonably arguable that the adjustment provision does not apply.

Note: Section 284-215 may reduce or eliminate your scheme shortfall amount.

Subdivision 284-D—Provisions common to Subdivisions 284-B and 284-C

Table of sections

284-215	Exceptions
284-220	Increase in base penalty amount
284-225	Reduction of base penalty amount

284-215 Exceptions

- (1) If, apart from this section, you would have a *shortfall amount or a *scheme shortfall amount for an accounting period and:
 - (a) your shortfall amount or scheme shortfall amount, or part of it, was caused by you or your agent treating a *taxation law as applying in a particular way; and
 - (b) that way agrees with:
 - (i) advice given to you or your agent by or on behalf of the Commissioner; or
 - (ii) general administrative practice under that law; or
 - (iii) a statement in a publication approved in writing by the Commissioner;
- your shortfall amount or scheme shortfall amount is reduced to the extent that it was caused by that treatment.

-
- (2) For the purposes of determining whether you are liable to an administrative penalty, you do not have a *shortfall amount as a result of a statement that is false or misleading in a material particular to the extent that you and your agent (if any) took reasonable care in making the statement.
 - (3) You do not have a *shortfall amount as a result of a statement referred to in subsection 284-75(4) to the extent that an order of a court or a decision of the *AAT supports the way you treated the *taxation law as applying.

Note: Subsection 284-75(4) deals with statements contrary to private rulings.

284-220 Increase in base penalty amount

- (1) The *base penalty amount for your *shortfall amount, or for part of it, for an accounting period is increased by 20% if:
 - (a) you took steps to prevent or obstruct the Commissioner from finding out about the shortfall amount; or
 - (b) you became aware of the shortfall amount or part after a statement had been made to the Commissioner about the relevant *tax-related liability and you did not tell the Commissioner about it within a reasonable time; or
 - (c) the base penalty amount was worked out using item 1, 2 or 3 of the table in subsection 284-90(1) and a base penalty amount for you was worked out under one of those items for a previous accounting period; or
 - (d) the base penalty amount was worked out using item 4, 5, 6 or 8 of that table and a base penalty amount for you was worked out under that item for a previous accounting period; or
 - (e) your liability to a penalty arises under subsection 284-75(3) and you were liable to a penalty under that subsection for a previous accounting period.
- (2) The *base penalty amount for your *scheme shortfall amount, or for part of it, for an accounting period is increased by 20% if:
 - (a) you took steps to prevent or obstruct the Commissioner from finding out about the scheme shortfall amount or the part; or
 - (b) a base penalty amount for you was worked out under section 284-160 for a previous accounting period.

284-225 Reduction of base penalty amount

- (1) The *base penalty amount for your *shortfall amount or *scheme shortfall amount, or for part of it, for an accounting period is reduced by 20% if:
 - (a) the Commissioner tells you that a *tax audit is to be conducted of your financial affairs for that period or a period that includes that period; and
 - (b) *after* that time, you voluntarily tell the Commissioner, in the *approved form, about the shortfall or the part of it; and
 - (c) telling the Commissioner can reasonably be estimated to have saved the Commissioner a significant amount of time or significant resources in the audit.
- (2) The *base penalty amount for your *shortfall amount or *scheme shortfall amount, or for part of it, for an accounting period is reduced under subsection (3) or (4) if you voluntarily tell the Commissioner, in the *approved form, about the shortfall amount or the part of it before the earlier of:
 - (a) the day the Commissioner tells you that a *tax audit is to be conducted of your financial affairs for that period or a period that includes that period; or
 - (b) if the Commissioner makes a public statement requesting entities to make a voluntary disclosure by a particular day about a *scheme or transaction that applies to your financial affairs—that day.
- (3) The *base penalty amount for your *shortfall amount, or for part of it, is:
 - (a) reduced by 80% if the shortfall amount, or the part of, it is \$1,000 or more; or
 - (b) reduced to nil if the shortfall amount, or the part of it, is less than \$1,000.
- (4) The *base penalty amount for your *scheme shortfall amount, or for part of it, is reduced by 80%.
- (5) If you voluntarily tell the Commissioner, in the *approved form, about your *shortfall amount or *scheme shortfall amount, or part of it, *after* the Commissioner tells you that a *tax audit is to be conducted of your financial affairs, the Commissioner may treat

you as having done so *before* being told about the audit if the Commissioner considers it appropriate to do so in the circumstances.

- (5) In working out the *base penalty amount, the amount of a penalty unit is the amount applying at the start of the relevant 28 day period.
- (6) The fact that you have not yet lodged the relevant return, notice or other document does not prevent the Commissioner notifying you that you are liable to an administrative penalty under this Subdivision. That penalty may be later increased under this section.

388-50 Approved forms

- (1) A return, notice, statement, application or other document under a *taxation law is in the *approved form* if, and only if:
 - (a) it is in the form approved in writing by the Commissioner for that kind of return, notice, statement, application or other document; and

 - (d) for a return, notice, statement, application or document that is required to be given to the Commissioner—it is given in the manner that the Commissioner requires (which may include *electronically).
- (2) The Commissioner may combine in the same *approved form more than one return, notice, statement, application or other document.
 - (3) The Commissioner may approve a different *approved form for different entities.

Example: The Commissioner may require high wealth individuals to lodge a different income tax return to that required to be lodged by an individual whose only income is a salary.

388-55 Commissioner may defer time for lodgment

- (1) The Commissioner may defer the time within which an *approved form is required to be given to the Commissioner or to another entity.
- (2) A deferral under subsection (1) does not defer the time for payment of any amount to the Commissioner.

Note: Section 255-10 allows the Commissioner to defer the time for payment of an amount of a tax-related liability.

388-60 Declaration by entity

If you give a return, notice, statement, application or other document to the Commissioner in the *approved form, you must make a declaration in the approved form that any information in the document is true and correct.

388-65 Declaration by entity where agent gives document

- (1) If a return, notice, statement, application or other document of yours is to be given to the Commissioner in the *approved form by an agent on your behalf, you must make a declaration in writing:

- (a) stating that you have authorised the agent to give the document to the Commissioner; and
 - (b) declaring that any information you provided to the agent for the preparation of the document is true and correct.
- (2) You must give the declaration to the agent.
 - (3) You must retain the declaration or a copy of it for:
 - (a) if you are not a *SPOR taxpayer—5 years after it is made; or
 - (b) if you are a SPOR taxpayer—2 years after it is made.
 - (4) You must produce the declaration or copy if requested to do so within that period by the Commissioner.
 - (5) The agent must not give the document to the Commissioner before you make the declaration.
 - (6) You must sign the declaration.

388-70 Declaration by agent

If an agent gives a return, notice, statement, application or other document to the Commissioner in the *approved form on behalf of another entity, the agent must, if the document so requires, make a declaration in the approved form stating that:

- (a) the document has been prepared in accordance with the information supplied by the other entity; and
- (b) the agent has received a declaration from the other entity stating that the information provided to the agent is true and correct; and
- (c) the agent is authorised by the other entity to give the document to the Commissioner.

388-75 Signing declarations

- (1) You must sign a declaration in a return, notice, statement, application or other document you give to the Commissioner in paper form.
- (2) If your agent gives a return, notice, statement, application or other document to the Commissioner on your behalf in paper form, the document must contain:

- (a) a declaration signed by you; and
 - (b) if the document so requires—an agent’s declaration signed by your agent.

388-80 Electronic notification of BAS amounts

An entity that, under section 31-25 of the *GST Act, chooses or is required to *lodge a *GST return electronically must also electronically notify the Commissioner of all other *BAS amounts whose notification is required on the same day as the GST return (ignoring any extension allowed by the Commissioner under section 31-10 of that Act or a deferral under section 388-55).

388-85 Truncating amounts

If an *approved form that you are required to give the Commissioner specifies that amounts set out in the form are to be expressed in whole dollars, you truncate the amounts to the nearest whole dollar.

Example: Stefan Pty Ltd calculates that its PAYG instalment for a quarter is \$8,496.73. Because the approved form requires amounts to be truncated, the amount would be reported in its BAS as \$8,496.
