7 At the end of clause 20 of Schedule 1

Add:

- (2) Paragraph (c) of step 1 of the method statement in subclause (1) does not apply unless and until the individual has satisfied the FTB reconciliation conditions in section 32B of the Family Assistance Administration Act for all of the same-rate benefit periods (within the meaning of that section) that are included in the income year for which the individual's reduction for maintenance income is being worked out.

8 At the end of Division 5 of Part 2 of Schedule 1

Add:

Subdivision B—Maintenance income credit balances

24A Maintenance income credit balances

- (1) A *maintenance income credit balance*, for a registered entitlement of an individual, is, at any particular time, the balance at that time of the accruals under clause 24B and the depletions under clause 24E in relation to that entitlement.
- (2) Despite subclause (1), a maintenance income credit balance for a registered entitlement at any particular time cannot exceed the total arrears owing from that registered entitlement for all income years for which the entitlement has existed.
- (3) If:
- (a) but for the condition in subclause 24B(3) not being met in relation to an income year, there would be an accrual to a

maintenance income credit balance of an individual for a day in that income year; and

- (b) after there has been an accrual under clause 24C for a day in a later income year or a depletion under clause 24E for a later income year, that condition is met in relation to the earlier income year;

the maintenance income credit balance is recalculated, taking into account the accrual for the day in the earlier income year before taking into account the accrual or depletion mentioned in paragraph (b).

- (4) This Subdivision continues to apply in relation to a maintenance income credit balance of an individual whether or not the individual or the individual's partner continues to be eligible for family tax benefit.

24B Accruals to a maintenance income credit balance

Accrual if conditions are satisfied

- (1) There is an accrual to a maintenance income credit balance for a registered entitlement of an individual, for a day in an income year, of the amount worked out under clause 24C for that day, if all the conditions in this clause are satisfied.

Conditions that must be satisfied

- (2) Either or both of the following must apply:
 - (a) the individual is eligible for family tax benefit for the day;
 - (b) if the individual is a member of a couple on the day—the individual's partner is eligible for family tax benefit for the day.
- (3) The eligible person must have satisfied the FTB reconciliation conditions in section 32B of the Family Assistance Administration Act for all of the same-rate benefit periods (within the meaning of that section) that are included in the income year.
- (4) The annualised amount of the maintenance income of the eligible person for the day must be less than the maintenance income free area that applied to the eligible person for that day.

- (5) The maintenance income that the individual received in the income year from the registered entitlement must be less than the amount due in the income year from the registered entitlement.

24C Amount of accrual to a maintenance income credit balance

- (1) This is how to work out the amount of the accrual under clause 24B, for a day in an income year, to a maintenance income credit balance for a registered entitlement of an individual who is, or is the partner of, an eligible person under subclause 24B(2):

Method statement

Step 1. Work out the global maintenance entitlement of the eligible person for the day using clause 24D.

Step 2. Identify the lower of:

- (a) that global maintenance entitlement; and
- (b) the maintenance income free area that applied to the eligible person for the day.

Step 3. Subtract from the lower amount identified in step 2 the annualised amount of the maintenance income of the eligible person for the day.

Step 4. Divide the result of step 3 by 365.

Step 5. Unless subclause (2) applies to the individual, the amount that accrues to the maintenance income credit balance of the individual for the day is the amount worked out under step 4.

If subclause (2) applies to the individual, take the amount worked out under step 4 and apply the method statement in subclause (2).

- (2) If either or both of the following apply:
- (a) the individual has more than one registered entitlement for the day in respect of which the condition in subclause 24B(5) is met;

- (b) if the individual is a member of a couple on the day—the individual’s partner has one or more registered entitlements for the day in respect of which the condition in subclause 24B(5) is met;

this is how to work out the amount of the accrual under clause 24B, for a day in an income year, to each of the maintenance income credit balances (the *relevant balances*) for those entitlements:

Method statement

- Step 1.* Work out the daily cap for each relevant balance. The **daily cap** for a relevant balance is the excess of the amount due in the income year from the registered entitlement to which the balance relates over the maintenance income received in the income year from the registered entitlement, divided by 365.
- Step 2.* Distribute the amount worked out under step 4 of the method statement in subclause (1) equally among each relevant balance, up to the amount of the daily cap for the relevant balance.
- Step 3.* Distribute any remaining amount equally among each relevant balance for which the daily cap has not been reached, up to the amount of the daily cap for the relevant balance.
- Step 4.* Reapply step 3 to any remaining amount until:
- (a) there is no remaining amount to distribute; or
 - (b) the daily cap for each relevant balance is reached.
- Step 5.* The amount that accrues to each of the relevant balances for the day is the sum of the amount distributed under step 2 and any additional amounts distributed under steps 3 and 4.

- (3) To avoid doubt, clauses 24B and 24C apply only once for a day in relation to any relevant balance.

24D Global maintenance entitlement of an eligible person

- (1) For the purposes of step 1 of the method statement in subclause 24C(1), the *global maintenance entitlement* of the eligible person under subclause 24B(2) for the day is the sum of:
- (a) the amounts worked out using the formula in subclause (2) for:
 - (i) each registered entitlement for the day of the eligible person; and
 - (ii) if the eligible person is a member of a couple on the day—each registered entitlement for the day of the eligible person's partner; and
 - (b) any amounts worked out under subclause (3); and
 - (c) the annualised amount of any capitalised maintenance income of the eligible person and, if the eligible person is a member of a couple on the day, of the eligible person's partner, for the day; and
 - (d) the annualised amount of any maintenance income of the eligible person and, if the eligible person is a member of a couple on the day, of the eligible person's partner, for the day:
 - (i) that is not from a registered entitlement; and
 - (ii) that is not capitalised maintenance income.
- (2) For the purposes of paragraph (1)(a), the formula is:

$$\frac{\text{Amount due in the income year from the registered entitlement}}{\times} \frac{\text{Number of days in the income year}}{\text{Number of days in the income year for which the eligible person or partner had the registered entitlement}}$$

- (3) If:
- (a) in respect of:
 - (i) a registered entitlement for the day of the eligible person; or
 - (ii) if the eligible person is a member of a couple on the day—a registered entitlement for the day of the eligible person's partner;
- the maintenance income received by the eligible person or partner for the income year exceeds the amount due in the income year from the entitlement; and
-

- (b) that excess, or any part of it (the *relevant excess*), is not disregarded for the purposes of paragraph (c) of step 1 of the method statement in clause 20;

an amount for the purposes of paragraph (1)(b) is worked out by using this formula:

$$\text{Amount of the relevant excess in respect of the registered entitlement} \times \frac{\text{Number of days in the income year}}{\text{Number of days in the income year for which the eligible person or partner had the registered entitlement}}$$

24E Depletions from a maintenance income credit balance

- (1) There is a depletion from the maintenance income credit balance for a registered entitlement of an individual, for an income year, of the amount worked out under subclause (2), if:
- (a) the income year has ended; and
 - (b) the maintenance income that the individual received in the income year from the entitlement is more than the amount due in the income year from the entitlement.
- (2) The amount by which the maintenance income credit balance is depleted is the lower of:
- (a) the excess of the maintenance income that the individual received in the income year from the entitlement over the amount due in the income year from the entitlement; and
 - (b) the amount of the maintenance income credit balance.
- (3) For the purposes of paragraphs (1)(b) and (2)(a), in working out the maintenance income received in an income year or the amount of maintenance income due in an income year:
- (a) disregard any maintenance income received or due for an FTB child for whom the FTB child rate under clause 7 does not exceed the base FTB child rate (see clause 8); and
 - (b) disregard the operation of clause 11 (sharing of family tax benefit) in applying paragraph (a).

Part 2—Application and transitional provisions

9 Application

- (1) Paragraph (c) of step 1 of the method statement in subclause 20(1) of Schedule 1 to the *A New Tax System (Family Assistance) Act 1999* applies to family tax benefit for the 2006-2007 income year and later income years.

Division 4—Transfers to special disability trusts

1209Z Effect of certain transfers to special disability trusts

- (1) If a person transfers an asset (the *transferred asset*) to a special disability trust, the transfer is taken not to be a disposal of the asset (within the meaning of section 1123) if:

 - (b) the person, or the person's partner:
 - (i) is receiving a social security pension and has reached pension age; or

value, of an asset transferred to a special disability trust, means the market value of the asset at the time of the transfer.

1209ZA The effect of exceeding the \$500,000 limit

- (1) If section 1209Z would apply to a transfer of an asset except for the fact that the value of the transferred asset exceeds \$500,000, that section does not prevent the transfer from being a disposal or

disposition of the asset, but the amount of the disposal or disposition is taken to be the amount of the excess.

- (2) If:
- (a) section 1209Z would apply to a transfer of an asset but for the fact that the sum of:
 - (i) the values of all of the exempt transfers that have already been made to the trust or any other special disability trust that had the same principal beneficiary; and
 - (ii) the value of the transferred asset; exceeds \$500,000; and
 - (b) that sum would not exceed \$500,000 if the value of the transferred asset were disregarded;
- that section does not prevent the transfer from being a disposal of the asset, but the amount of the disposal or disposition is taken to be the amount of the excess referred to in paragraph (a).
- (3) This section has effect subject to section 1209ZD.
- (4) In this section:

other special disability trust includes a special disability trust within the meaning of the Veterans' Entitlements Act.

 - (i) is receiving a social security pension and has reached pension age; or
 - (ii) is receiving a service pension and has reached pension age within the meaning of the Veterans' Entitlements Act; or
-

- (iii) is receiving income support supplement and has reached qualifying age within the meaning of subsection 45A(2) of the Veterans' Entitlements Act;

the immediate family member is taken for the purposes of this Division only to transfer the asset to the trust at the earliest time at which subparagraph (b)(i), (ii) or (iii) applies to the immediate family member or partner.

Note 1: For *immediate family member*, see subsection 23(1).

Note 2: For *special disability trust*, see section 1209L.

Note 4: For *social security pension, service pension and income support supplement*, see subsection 23(1).

- (2) However, if under subsection (1) transfers of assets to the trust by different immediate family members are taken to have been made on the same day, the transfers are taken to have been made on that day in the order in which they would have been taken to be made but for this Division.

Note: For *immediate family member*, see subsection 23(1).

- (3) This section does not affect the operation of Part 3.12 or any other provision of this Act outside of this Division.

 - (b) the person receives no consideration, and is not entitled to any consideration, for the transfer; and
 - (c) the transfer is unconditional.

Note 1: For *special disability trust* see section 1209L.

Note 2: Section 1209R limits the circumstances in which the principal beneficiary or the principal beneficiary's partner can transfer assets to the trust.

- (2) This section has effect subject to section 1209ZD.

1209ZD Cessation of special disability trusts

- (1) If:
- (a) a special disability trust ceases to exist or ceases to be a special disability trust; and
 - (b) a person had transferred an asset to the trust during the period of 5 years immediately preceding the cessation; and
 - (c) section 1209Z, 1209ZA or 1209ZC applied to the transfer;
- then the transfer is taken, after the cessation, to be a disposal or disposition of the asset that occurred at the time of the transfer.
- (2) The amount of the disposal or disposition is taken to be the amount worked out using the formula:

$$\left(\text{Asset value} \times \frac{\text{Final value of trust assets}}{\text{Initial value of trust assets}} \right) + \text{Subsection 1209ZA(2) amount}$$

where:

asset value means:

- (a) if section 1209Z or 1209ZC applied to the transfer—the value of the asset at the time of the transfer; or
- (b) if subsection 1209ZA(1) applied to the transfer—\$500,000; or
- (c) if subsection 1209ZA(2) applied to the transfer—the difference between the value of the asset at the time of the transfer and the amount that was taken under that subsection to be the amount of the disposal or disposition of the asset.

final value of trust assets means the value of all of the assets of the trust at the time of the cessation.

initial value of trust assets means the value of all of the assets of the trust at the time of the transfer.

subsection 1209ZA(2) amount means the amount (if any) that was taken under subsection 1209ZA(2) to be the amount of the disposal or disposition of the asset.

- (3) If the special disability trust ceases to exist, or ceases to be a special disability trust, because the principal beneficiary dies, the value of the asset at the time of the transfer is taken for the purposes of this section to be the value of so much (if any) of the
-

asset as has not been returned to the person who had transferred the asset to the trust.

- (4) This section does not affect the application of section 1209Z, 1209ZA or 1209ZC to the transfer prior to the cessation.

1209ZE Effect of this Division

- (1) For a trust created before 20 September 2006, a failure to comply with a requirement of Division 1 of Part 3.18A of the *Social Security Act 1991* concerning a particular matter does not prevent the trust being a special disability trust if:
- (a) the Secretary, by written notice (an *exemption notice*) to the trustees, exempts the trust from the requirement as it concerns that matter; and
 - (b) in a case where the exemption notice requires the trustees to comply with any conditions relating to the matter—the trustees comply with those conditions within the period (if any) stated in the exemption notice.

52ZZZWH Waiver of contravention of this Division

- (1) A contravention of a requirement of this Division concerning a particular matter, in relation to a trust that would be a special

Note 1: For *income amount*, see section 5H.

Note 2: For *special disability trust*, see section 52ZZZW.

Subdivision C—Assets of special disability trusts

52ZZZWK Attribution of assets

- (3) The *asset value limit* of a special disability trust is \$500,000.

Note: This amount is indexed annually on 1 July (see sections 59B to 59E).

Note: For *principal home*, see subsections 5L(5) to (7).

- (5) This section has effect despite Subdivision H of Division 11A of Part IIIB and any other provisions of this Act.

Subdivision D—Transfers to special disability trusts

52ZZZWL Effect of certain transfers to special disability trusts

- (1) If a person transfers an asset (the *transferred asset*) to a special disability trust, the transfer is taken not to be a disposal of the asset (within the meaning of section 52E) if:
 - (a) the person is an immediate family member of the principal beneficiary of the trust; and
 - (b) the person, or the person's partner:

- (i) is receiving a service pension and has reached pension age; or
 - (ii) is receiving income support supplement and has reached qualifying age within the meaning of subsection 45A(2); or
 - (iii) is receiving a social security pension and has reached pension age within the meaning of the Social Security Act; and
- (c) the person receives no consideration, and is not entitled to any consideration, for the transfer; and
- (d) the transfer is unconditional; and
- (e) the value of the transferred asset does not exceed \$500,000; and
- (f) in a case where there has already been a transfer to which this section has applied (an *exempt transfer*), by that person or any other person, to the trust or any other special disability trust that had the same principal beneficiary—the sum of:
- (i) the values of all of the assets transferred, by exempt transfers that have already been made, to the trust or any other special disability trust that had the same principal beneficiary; and
 - (ii) the value of the transferred asset;
- does not exceed \$500,000.

Note 1: For *special disability trust*, see section 52ZZZW.

(2) This section has effect subject to sections 52ZZZWM and 52ZZZWP.

(3) In this section:

other special disability trust includes a special disability trust within the meaning of the Social Security Act.

value, of an asset transferred to a special disability trust, means the market value of the asset at the time of the transfer.

52ZZZW M The effect of exceeding the \$500,000 limit

- (1) If section 52ZZZW L would apply to a transfer of an asset except for the fact that the value of the transferred asset exceeds \$500,000, that section does not prevent the transfer from being a disposal of the asset, but the amount of the disposal or disposition is taken to be the amount of the excess.
- (2) If:
 - (a) section 52ZZZW L would apply to a transfer of an asset but for the fact that the sum of:
 - (i) the values of all of the exempt transfers that have already been made to the trust or any other special disability trust that had the same principal beneficiary; and
 - (ii) the value of the transferred asset; exceeds \$500,000; and
 - (b) that sum would not exceed \$500,000 if the value of the transferred asset were disregarded;that section does not prevent the transfer from being a disposal or disposition of the asset, but the amount of the disposal or disposition is taken to be the amount of the excess referred to in paragraph (a).
- (3) This section has effect subject to section 52ZZZW P.
- (4) In this section:

other special disability trust includes a special disability trust within the meaning of the Social Security Act.

value, of an asset transferred to a special disability trust, means the market value of the asset at the time of the transfer.

52ZZZW N Transfers by the immediate family members prior to reaching pension age etc.

- (1) If:
 - (a) an immediate family member of the principal beneficiary of a special disability trust transfers an asset to the trust; and

(b) at the time of the transfer, neither the immediate family member nor the partner of the immediate family member is a person who:

- (i) is receiving a service pension and has reached pension age; or
- (ii) is receiving income support supplement and has reached qualifying age within the meaning of subsection 45A(2); or
- (iii) is receiving a social security pension and has reached pension age within the meaning of the Social Security Act;

the immediate family member is taken for the purposes of this Division only to transfer the asset to the trust at the earliest time at which subparagraph (b)(i), (ii) or (iii) applies to the immediate family member or partner.

Note 1: For *special disability trust*, see section 52ZZZW.

Note 2: For *immediate family member*, see subsection 5Q(1).

Note 3: For *pension age* (except for the purposes of subparagraph (1)(b)(iii) of this section), see subsection 5Q(1).

Note 4: For *service pension* and *social security pension*, see subsection 5Q(1).

Note 5: Part IIIA deals with income support supplement.

(2) However, if under subsection (1) transfers of assets to the trust by different immediate family members are taken to have been made on the same day, the transfers are taken to have been made on that day in the order in which they would have been taken to be made but for this Division.

Note: For *immediate family member*, see subsection 5Q(1).

(3) This section does not affect the operation of Division 11 of Part IIIB or any other provision of this Act outside of this Division.

52ZZZWO Transfers by principal beneficiaries or partners

(1) If a person transfers an asset to a special disability trust, the transfer is taken not to be a disposal of the asset (within the meaning of section 52E) if:

- (a) the person is the principal beneficiary of the trust, or the principal beneficiary's partner; and

- (b) the person receives no consideration, and is not entitled to any consideration, for the transfer; and
- (c) the transfer is unconditional.

Note 1: For *special disability trust*, see section 52ZZZW.

Note 2: Section 52ZZZWE limits the circumstances in which the principal beneficiary or the principal beneficiary's partner can transfer assets to the trust.

- (2) This section has effect subject to section 52ZZZWP.

52ZZZWP Cessation of special disability trusts

- (1) If:

- (a) a special disability trust ceases to exist or ceases to be a special disability trust; and
- (b) a person had transferred an asset to the trust during the period of 5 years immediately preceding the cessation; and
- (c) section 52ZZZWL, 52ZZZWM or 52ZZZWO applied to the transfer;

then the transfer is taken, after the cessation, to be a disposal or disposition of the asset that occurred at the time of the transfer.

- (2) The amount of the disposal or disposition is taken to be the amount worked out using the formula:

$$\left(\text{Asset value} \times \frac{\text{Final value of trust assets}}{\text{Initial value of trust assets}} \right) + \text{Subsection 52ZZZWM(2) amount}$$

where:

asset value means:

- (a) if section 52ZZZWL or 52ZZZWO applied to the transfer—the value of the asset at the time of the transfer; or
- (b) if subsection 52ZZZWM(1) applied to the transfer—\$500,000; or
- (c) if subsection 52ZZZWM(2) applied to the transfer—the difference between the value of the asset at the time of the transfer and the amount that was taken under that subsection to be the amount of the disposal or disposition of the asset.

final value of trust assets means the value of all of the assets of the trust at the time of the cessation.

initial value of trust assets means the value of all of the assets of the trust at the time of the transfer.

subsection 52ZZZW(2) amount means the amount (if any) that was taken under subsection 52ZZZW(2) to be the amount of the disposal or disposition of the asset.

- (3) If the special disability trust ceases to exist, or ceases to be a special disability trust, because the principal beneficiary dies, the value of the asset at the time of the transfer is taken for the purposes of this section to be the value of so much (if any) of the asset as has not been returned to the person who had transferred the asset to the trust.
- (4) This section does not affect the application of section 52ZZZWL, 52ZZZWM or 52ZZZWO to the transfer prior to the cessation.

52ZZZWQ Effect of this Subdivision
