Add:

Expenditure by trustee of deceased estate

(8) If:

(a) after you die, the trustee of your deceased estate incurs expenditure; and

(b) had you incurred the expenditure before you died, you could have deducted it under subsection (1);

for the purposes of assessing the trustee for the income year in which you died, the expenditure is an allowable deduction under that subsection.

660 After section 25-60

Insert:

25-65 Local government election expenses

(1) You can deduct expenditure you incur in contesting an election for membership of a *local governing body, but you cannot deduct more than \$1,000 per election. You deduct the expenditure for the income year in which you incur it.

(2) However, you can deduct more than the \$1,000 limit if:

- (a) you have received an amount as *recoupment of the expenditure; and
- (b) some or all of that amount is included in your assessable income for an income year; and
- (c) the total of your deductions for the election would be less than the \$1,000 limit if you disregarded so much (the ***assessed recoupment***) of the expenditure as equals the amount so included in your assessable income.

In that case:

- (d) the assessed recoupment is disregarded in applying the \$1,000 limit; and
- (e) the further amount that you can deduct because of paragraph (d) is deducted for the income year referred to in paragraph (b).

Example: Chris is elected to the Bunyip Shire Council. In the 2007-08 income year he incurs expenditure of \$1,200 in contesting the election, of which he deducts \$1,000 (the limit under subsection (1)).

In 2008-09, Chris receives \$360 as an assessable recoupment of the expenditure. \$300 of that is included in his assessable income by section 20-35 (as extended by section 20-50).

Because of the assessable recoupment, \$300 of the expenditure is disregarded under paragraph (2)(d) in applying the \$1,000 limit. As a result, Chris's deductions are treated as being only \$700, which is less than the limit. This does not affect his original deduction for 2007-2008, but it means he can deduct the previously undeducted \$200, for 2008-09 (see paragraph (2)(e)).

This triggers a further application of section 20-35 (as extended by section 20-50) to include the remaining \$60 of the assessable recoupment in Chris's assessable income for 2008-09. His total deductions (net of recoupment included in assessable income) come to \$840, which is the same as his original expenditure (net of recoupment).

Note: An amount you receive as recoupment of expenditure may be included in your assessable income as an assessable recoupment under Subdivision 20-A, as ordinary income under section 6-5 or as statutory income under some other provision.

Such an outcome is prevented by subsection 40-25(2) (including as applied by section 73BC for the purposes of section 73BA) and subsections 73B(20) and 73BA(7).

12-150 Limited application of section 12-140 to payment under financial arrangement

(1) This section limits the extent to which section 12-140 applies to a payment in respect of a *Part VA investment if the investment is a qualifying security (within the meaning of Division 16E of Part III of the *Income Tax Assessment Act 1936* (about gains accruing on securities)) and:

- (a) is of a kind mentioned in item 1 or 2 of the table in subsection 202D(1) of that Act; or
- (b) is of a kind mentioned in item 3 of that table and is non-transferable.

Note: Section 202D of the *Income Tax Assessment Act 1936* lists the investments in connection with which tax file numbers are to be quoted.

(2) Section 12-140 applies to the payment only to the extent that is covered by one or both of these paragraphs:

- (a) so much of the payment as consists of periodic interest (within the meaning of Division 16E of Part III of the *Income Tax Assessment Act 1936*);
- (b) if the payment became payable at the end of the term (within the meaning of that Division) of the investment—so much of the payment as does *not* exceed what section 159GQ of that Act would include in the *investor’s assessable income for the income year in which that term ended.

Note: This limitation ensures that an amount is not withheld from payment of an amount in respect of which TFN withholding tax is payable. See Subdivision 14-B.

(3) The adoption (under section 18 of the *Income Tax Assessment Act 1936*) of an accounting period ending on a day other than 30 June is disregarded for the purposes of:

Omit “this Division”, substitute “this Subdivision”.

955 At the end of Division 14 in Schedule 1

Add:

Subdivision 14-B—Accruing gains

14-50 Object of this Subdivision

The object of this Subdivision is to put the parties to a *Part VA investment with an accruing gain in a position similar to what would have been their position under Subdivision 12-E (Payments where TFN or ABN not quoted) if the *investment body had paid the gain in money to the *investor at the end of the income year.

14-55 Liability for TFN withholding tax

- (1) *TFN withholding tax is payable if:
 - (a) in relation to a *Part VA investment, an amount (the *accrued gain*) is included in the *investor's assessable income for an income year under section 159GQ of the *Income Tax Assessment Act 1936* (about gains accruing on securities); and
 - (b) the investment:
 - (i) is of a kind mentioned in item 1 or 2 of the table in subsection 202D(1) of that Act; or
 - (ii) is of a kind mentioned in item 3 of that table and is non-transferable; and
 - (c) the term of the investment does not end during the income year; and
 - (d) section 12-140 would have required the *investment body to withhold an amount (the *TFN withholding amount*) from a payment of the accrued gain to the investor, if the investment body had made the payment at the end of the income year and section 12-150 had not been enacted.

Note: Section 202D of the *Income Tax Assessment Act 1936* lists the investments in connection with which tax file numbers are to be quoted.
- (2) The amount of *TFN withholding tax is equal to the TFN withholding amount.
- (3) The *TFN withholding tax is payable jointly and severally by the *investor and the *investment body.
- (4) However, if the *investment body is the Commonwealth or an *untaxable Commonwealth entity:

- (a) the *TFN withholding tax is payable by the *investor; and
 - (b) the investor is taken to have authorised the investment body to pay the TFN withholding tax on the investor's behalf.
- (5) The *TFN withholding tax is due and payable at the end of 21 days after the end of the income year referred to in paragraph (1)(a).
- Note 1: When it is due and payable, the TFN withholding tax is payable to the Commissioner: see paragraph 255-5(1)(b).
- Note 2: An entity by whom it is payable must pay it to the Commissioner in accordance with Subdivision 16-B: see subsection 16-70(3). If any of it remains unpaid, the entity is liable to pay general interest charge: see section 16-80.
- Note 3: The Commissioner may defer the time at which TFN withholding tax becomes due and payable: see section 255-10.
- (6) The adoption (under section 18 of the *Income Tax Assessment Act 1936*) of an accounting period ending on a day other than 30 June is disregarded for the purposes of:
- (a) this section; and
 - (b) the application of Division 16E of Part III of that Act for the purposes of this section.

14-60 Investment body may recover TFN withholding tax from investor

- (1) The *investment body may recover from the *investor as a debt any of the *TFN withholding tax that it pays.
- (2) The *investment body is entitled to set off an amount that it can recover from the *investor under this section against:
 - (a) a debt due by it to the investor; or
 - (b) an amount that is accruing to the investor, or stands to the investor's credit, in respect of the *Part VA investment, even if the amount is not yet due.

14-65 Application of rules in Division 18

These provisions:

- (a) subsection 18-15(1) and sections 18-20 and 18-25 (about credits for amounts withheld from withholding payments); and

(b) section 18-80 (about refunds when exemption declaration not given);

apply as if any of the *TFN withholding tax that has been paid were an amount withheld under subsection 12-140(1) from a *withholding payment covered by that subsection and made to the *investor during:

(c) unless the *investor has adopted (under section 18 of the *Income Tax Assessment Act 1936*) an accounting period ending on a day other than 30 June—the income year referred to in paragraph 14-55(1)(a); or

(d) if the investor has adopted such an accounting period—the income year in which the TFN withholding tax is paid.

Note: Unless the investor has adopted such an accounting period, the credit under section 18-15, 18-20 or 18-25 will be in respect of the income year before the one in which the TFN withholding tax is paid.

14-75 Overpayment of TFN withholding tax

If *TFN withholding tax has been overpaid:

- (a) the Commissioner must refund the amount overpaid; and
- (b) the *investor is not entitled to a credit under section 18-15, 18-20 or 18-25 in respect of the amount overpaid.

14-85 Other laws do not exempt from TFN withholding tax

- (1) A provision of a law passed before the commencement of this section that purports to exempt an entity from liability to pay *TFN withholding tax, or to pay taxes that include TFN withholding tax, does not exempt that entity from liability to pay TFN withholding tax.
- (2) A provision of a law passed at or after the commencement of this section that purports to exempt an entity from liability to pay taxes under the laws of the Commonwealth, or to pay certain taxes under those laws that include *TFN withholding tax, is not to be interpreted as exempting the entity from liability to pay TFN withholding tax, unless it specifically mentions TFN withholding tax.

Repeal the subsection, substitute:

- (2) An entity that must pay an amount to the Commissioner under Division 13 or Subdivision 14-A must do so in accordance with section 16-85.

Schedule 6—Application and saving provisions

Part 1—Application provisions

1 Application of Schedule 1 and 2 amendments

Except as mentioned in items 2 and 3, the repeals and amendments made by Schedules 1 and 2 apply:

- (a) so far as they affect assessments—to assessments for the 2006-07 income year and all later income years; and
- (b) otherwise—to acts done or omitted to be done, or states of affairs existing, after the commencement of the repeals and amendments.

2 Application of Schedule 2 withholding tax amendments

The amendments made by items 337, 343 and 344 of Schedule 2 apply to income derived in the 2006-07 income year and later income years.

3 Application of TFN withholding tax amendments

- (1) The amendment made by item 949 of Schedule 2 applies to payments made on or after the day on which this Act receives the Royal Assent.
- (2) The repeal of Subdivision C of Division 3B of Part VI of the *Income Tax Assessment Act 1936* by item 163 of Schedule 1 to this Act, and the insertion of section 14-55 in Schedule 1 to the *Taxation Administration Act 1953* by item 955 of Schedule 2 to this Act, apply to the 2006-07 income year and later income years.
- (3) The insertion of sections 14-50, 14-60, 14-65, 14-75 and 14-85 in Schedule 1 to the *Taxation Administration Act 1953* by item 955 of Schedule 2 to this Act applies to tax payable in accordance with former section 221YHZR of the *Income Tax Assessment Act 1936* as if:
 - (a) the tax were TFN withholding tax (payable under section 14-55 in that Schedule); and
 - (b) section 14-55 in that Schedule applied to the income year in respect of which the tax is payable.

4 Application of Schedule 3 and 4 amendments

The repeals and amendments made by Schedules 3 and 4 apply:

- (a) so far as they affect assessments—to assessments for the 2007-08 income year and all later income years; and
- (b) otherwise—to acts done or omitted to be done, or states of affairs existing, after the commencement of the amendments.

5 Application of Schedule 5 amendments

The repeals and amendments made by Schedule 5 apply to acts done or omitted to be done, or states of affairs existing, after the commencement of the amendments.

Part 2—General saving provisions

6 Object

The object of this Part is to ensure that, despite the repeals and amendments made by this Act, the full legal and administrative consequences of:

- (a) any act done or omitted to be done; or
- (b) any state of affairs existing; or
- (c) any period ending;

before such a repeal or amendment applies, can continue to arise and be carried out, directly or indirectly through an indefinite number of steps, even if some or all of those steps are taken after the repeal or amendment applies.

7 Making and amending assessments, and doing other things, in relation to past matters

Even though an Act is repealed or amended by this Act, the repeal or amendment is disregarded for the purpose of doing any of the following under any Act or legislative instrument (within the meaning of the *Legislative Instruments Act 2003*):

- (a) making or amending an assessment (including under a provision that is itself repealed or amended);
- (b) exercising any right or power, performing any obligation or duty or doing any other thing (including under a provision that is itself repealed or amended);

in relation to any act done or omitted to be done, any state of affairs existing, or any period ending, before the repeal or amendment applies.

Example 1: On 31 July 1999, Greg Ltd lodged its annual return under former section 160ARE of the *Income Tax Assessment Act 1936*. The return stated that the company had a credit on its franking account and that no franking deficit tax was payable for the 1998-99 franking year. Under former section 160ARH of that Act, the Commissioner was taken to have made an assessment consistent with the return.

Following an audit undertaken after the repeal of Part IIIAA of that Act, the Commissioner concludes that Greg Ltd fraudulently overfranked dividends it paid during the 1998-99 franking year, and had a franking account deficit for that franking year. As a result, the Commissioner considers that franking deficit tax and a penalty by way of additional tax are payable.

The Commissioner can amend the assessment under former section 160ARN of that Act, because item 7 of this Schedule disregards the repeal of that section for the purposes of making an assessment in relation to the 1998-99 franking year. Item 7 will also disregard the repeal of Division 11 of former Part IIIAA to the extent necessary for the Commissioner to assess Greg Ltd's liability to a penalty by way of additional tax.

Despite the repeal of sections 160ARU and 160ARV, item 9 will ensure that the general interest charge will accrue on the unpaid franking deficit tax and penalty until they are paid.

Item 7 will also preserve Greg Ltd's right, under former section 160ART of that Act, to object against the Commissioner's amended assessment (including the penalty), since the objection is the exercise of a right in relation to a franking year that ended before the repeal of Part IIIAA.

Example 2: During the 1997-98 income year, Duffy Property Ltd withheld amounts from its employees' wages as required by former Divisions 1AAA and 2 of Part VI of the *Income Tax Assessment Act 1936*. The company failed to notify the Commissioner of those amounts, and failed to remit them to the Commissioner.

Following an audit undertaken after the repeal of those Divisions, the Commissioner discovers that the withheld amounts have not been remitted. The company's records are incomplete and the Commissioner is unable to completely ascertain the extent of its liability for the withheld amounts. Under section 222AGA of that Act, the Commissioner makes an estimate of the liability.

Item 7 will disregard the repeal of section 220AAZA of that Act (which empowered the Commissioner to recover the amount of the estimate). Even though the estimate is made after the repeal, it relates to amounts withheld before the repeal.

8 Saving of provisions about effect of assessments

If a provision or part of a provision that is repealed or amended by this Act deals with the effect of an assessment, the repeal or amendment is disregarded in relation to assessments made, before or after the repeal or amendment applies, in relation to any act done or omitted to be done, any state of affairs existing, or any period ending, before the repeal or amendment applies.

9 Saving of provisions about general interest charge, failure to notify penalty or late reconciliation statement penalty

If:

- (a) a provision or part of a provision that is repealed or amended by this Act provides for the payment of:

- (i) general interest charge, failure to notify penalty or late reconciliation statement penalty (all within the meaning of the *Income Tax Assessment Act 1936*); or
 - (ii) interest under the *Taxation (Interest on Overpayments and Early Payments) Act 1983*; and
- (b) in a particular case, the period in respect of which the charge, penalty or interest is payable (whether under the provision or under the *Taxation Administration Act 1953*) has not begun, or has begun but not ended, when the provision is repealed or amended;

then, despite the repeal or amendment, the provision or part continues to apply in the particular case until the end of the period.

10 Repeals disregarded for the purposes of dependent provisions

If the operation of a provision (the *subject provision*) of any Act or legislative instrument (within the meaning of the *Legislative Instruments Act 2003*) made under any Act depends to any extent on an Act, or a provision of an Act, that is repealed by this Act, the repeal is disregarded so far as it affects the operation of the subject provision.

11 Schedule does not limit operation of section 8 of the Acts Interpretation Act 1901

This Schedule does not limit the operation of section 8 of the *Acts Interpretation Act 1901*.

Part 3—Other saving provisions and transitional provisions

12 Continued operation of repealed section 215 of the *Income Tax Assessment Act 1936*

If, just before the repeal of section 215 of the *Income Tax Assessment Act 1936* by Schedule 1 to this Act, that section applied to:

- (a) a liquidator of a company that was being wound up; or
- (b) a receiver for debenture holders who had taken possession of assets of a company; or
- (c) an agent for a non-resident who had been required by the agent's principal to wind up the business or realise the assets of the principal;

the section continues so to apply in spite of the repeal.

13 Continued operation of repealed sections 216 and 220 of the *Income Tax Assessment Act 1936*

If, just before the repeal of section 216 or 220 of the *Income Tax Assessment Act 1936* by Schedule 1 to this Act, that section applied to a deceased taxpayer, the section continues so to apply in spite of the repeal.

14 Resolutions to which section 221B of the *Income Tax Assessment Act 1936* applies

If a resolution to which section 221B of the *Income Tax Assessment Act 1936* applied was in force just before the repeal of that section by Schedule 1 to this Act, section 446-5 in Schedule 1 to the *Taxation Administration Act 1953* (as inserted by item 970 of Schedule 2 to this Act) applies to the resolution after the repeal.

15 Extended operation of subsection 265-45(2) in Schedule 1 to the *Taxation Administration Act 1953*

Schedule 6 Application and saving provisions

Part 3 Other saving provisions and transitional provisions

In addition to the operation that it has apart from this item, subsection 265-45(2) in Schedule 1 to the *Taxation Administration Act 1953* also applies to an amount of a liability (within the meaning of that subsection) that a person pays after the repeal of section 259 of the *Income Tax Assessment Act 1936* by item 166 of Schedule 1 to this Act, if the liability arose before 1 July 2000.
