22-32 Determination retaining approval as a provider in respect of existing students following suspension of approval

- (1) The Minister may determine, in writing, that a suspension of a body's approval as a higher education provider under section 22-30 is of no effect for the purposes of:
 - (a) grants to the body under this Chapter; and
 - (b) assistance payable to the body's students under Chapter 3; to the extent that the grants or assistance relate to students of the body who have not completed the *courses of study in which they were enrolled with the body on the day specified for the purposes of paragraph 22-30(4)(a).
- (2) A copy of the determination must be given to the body concerned.
- (3) The body is taken, for the purposes of this Act, to continue to be a higher education provider, but only to the extent referred to in subsection (1).
- (4) Subsection (3) does not prevent the Minister subsequently revoking the body's approval as a higher education provider under this Division.
- (5) A determination made under subsection (1) is not a legislative instrument.

7 Section 104-15

Repeal the section, substitute:

104-15 A person's FEE-HELP balance

- (1) A person's *FEE-HELP balance* at a particular time is:
 - (a) if the *FEE-HELP limit in relation to the person at the time exceeds the sum of all of the amounts of *FEE-HELP assistance and *VET FEE-HELP assistance that have previously been payable to the person, being that sum as reduced by any amounts previously re-credited under this Subdivision or Subdivision 7-B of Schedule 1A—that excess; and
 - (b) otherwise—zero.

Note: If an amount is to be re-credited to a FEE-HELP balance, the balance that is to be re-credited is worked out immediately before that re-crediting. The balance is worked out after the re-crediting by taking account of the amount re-credited. If a person's FEE-HELP limit has been reduced, the balance might not increase, or might not increase by the same amount as the amount re-credited.

- (2) To avoid doubt, the sum referred to in paragraph (1)(a) includes amounts of *FEE-HELP assistance and *VET FEE-HELP assistance that have been repaid.

8 Section 107-10

Repeal the section, substitute:

107-10 Amounts of FEE-HELP assistance and VET FEE-HELP assistance must not exceed the FEE-HELP balance

Amount of FEE-HELP assistance for one unit

- (1) The amount of *FEE-HELP assistance to which a student is entitled for a unit of study is an amount equal to the student's *FEE-HELP balance on the *census date for the unit if:
- (a) there is no other:
 - (i) unit of study, with the same census date, for which the student is entitled to FEE-HELP assistance; or
 - (ii) *VET unit of study, with the same census date, for which the student is entitled to *VET FEE-HELP assistance; and
 - (b) the amount of FEE-HELP assistance to which the student would be entitled under section 107-1 for the unit would exceed that FEE-HELP balance.

Amount of FEE-HELP assistance for more than one unit

- (2) If the sum of:
- (a) the amount of *FEE-HELP assistance to which a student would be entitled under section 107-1 for a unit of study; and
 - (b) any other amounts of:
 - (i) FEE-HELP assistance to which the student would be entitled under that section for other units that have the same *census date as that unit; and

(ii) *VET FEE-HELP assistance to which the student would be entitled under clause 52 of Schedule 1A for other units that have the same census date as that unit; would exceed the student's *FEE-HELP balance on the census date for the unit, then, despite subsection (1) of this section, the total amount of FEE-HELP assistance and VET FEE-HELP assistance to which the student is entitled for all of those units is an amount equal to that FEE-HELP balance.

Example: Kath has a FEE-HELP balance of \$2,000, and is enrolled in 4 units with the same census date. Kath's tuition fee for each unit is \$600. The total amount of FEE-HELP assistance to which Kath is entitled for the units is \$2,000, even though the total amount of her tuition fees for the units is \$2,400.

- (3) If the student has enrolled in the units with more than one higher education provider or *VET provider, and access to none of the units was provided by *Open Universities Australia, the student must notify each provider of the proportion of the total amount of *FEE-HELP assistance or *VET FEE-HELP assistance that is to be payable in relation to the units in which the student has enrolled with that provider.
- (4) If access to some, but not all, of the units of study was provided by *Open Universities Australia, the student must:
- (a) notify Open Universities Australia of the proportion of the total amount of *FEE-HELP assistance that is to be payable in relation to units access to which was provided by Open Universities Australia; and
 - (b) notify each higher education provider or *VET provider at which the student is enrolled in a unit, access to which was not provided by Open Universities Australia, of the proportion of the total amount of FEE-HELP assistance or *VET FEE-HELP assistance that is to be payable in relation to that unit.

9 Section 129-1

Repeal the section, substitute:

129-1 What this Chapter is about

Loans that the Commonwealth makes to students under Chapter 3 are repayable under this Chapter. Loans that the Commonwealth makes to students under Schedule 1A are also repayable under this Chapter.

Each loan is incorporated into the person's accumulated HELP debt (see Part 4-1).

Under Part 4-2, the accumulated debts can be repaid in 2 ways:

- a person may make voluntary repayments (which may attract a repayment bonus); or
- compulsory repayments (based on a person's income) are made using the system for payment of income tax.

10 Section 134-1

Repeal the section, substitute:

134-1 What this Part is about

A person incurs a HELP debt if he or she receives, as HECS-HELP assistance, FEE-HELP assistance or OS-HELP assistance, a loan from the Commonwealth under Chapter 3.

A person also incurs a HELP debt if he or she receives, as VET FEE-HELP assistance, a loan from the Commonwealth under Schedule 1A.

HELP debts are incorporated into the person's accumulated HELP debt. This accumulated debt forms the basis of working out the amounts that the person is obliged to repay (see Part 4-2).

11 At the end of section 137-1

Add:

; (d) *VET FEE-HELP debts.

12 After section 137-15

Insert:

137-18 VET FEE-HELP debts

Incurring VET FEE-HELP debts

- (1) A person incurs a debt to the Commonwealth if, under clause 55 of Schedule 1A, the Commonwealth:
 - (a) makes a loan to the person; and
 - (b) uses the amount lent to make a payment in discharge of the person's liability to pay his or her *VET tuition fee for a *VET unit of study.

The debt is a *VET FEE-HELP debt*.

- (2) The amount of the *VET FEE-HELP debt is the amount equal to 120% of the loan.

When VET FEE-HELP debts are incurred

- (3) A *VET FEE-HELP debt is taken to have been incurred by a person immediately after the *census date for the unit, whether or not the Commonwealth has made a payment in respect of the person's *VET tuition fee for the unit.

Remission of VET FEE-HELP debts

- (4) A person's *VET FEE-HELP debt in relation to a *VET unit of study is taken to be remitted if the person's *FEE-HELP balance is re-credited under clause 46, 47 or 51 of Schedule 1A in relation to the unit.

Note: The debt is taken to be remitted even if the person's FEE-HELP balance is not increased by an amount equal to the amount re-credited.

13 Subsection 140-5(1) (method statement, step 2)

Repeal the step, substitute:

<p><i>Step 2.</i> Take the HELP debts (if any) that the person incurred during the last 6 months of the immediately preceding</p>

- (f) units undertaken with a *VET provider that formed part of one particular *VET course of study with that provider; or
- (g) units undertaken with a VET provider that formed part of one particular VET course of study with another VET provider.

Note: There will be more than one group of debts under paragraph (a) if the person incurred debts in relation to more than one course of study with a provider. Similarly, there could be more than one group of debts under paragraph (b), (c), (e), (f) or (g).

14 Subsection 140-25(1A) (method statement, step 1)

Repeal the step, substitute:

Step 1. Take the HELP debts (if any) that the person incurred during the first 6 months of the financial year. Group them according to whether the debts are in relation to:

Part 2—VET FEE-HELP assistance

Division 6—Introduction

40 What this Part is about

A student may be entitled to VET FEE-HELP assistance for VET units of study if certain requirements are met.

The amount of assistance to which the student may be entitled is based on his or her VET tuition fees for the units, but there is a limit on the total amount of assistance that the student can receive. The assistance is paid to a VET provider to discharge the student's liability to pay his or her VET tuition fees.

Note: Amounts of assistance under this Part may form part of a person's HELP debts that the Commonwealth recovers under Chapter 4.

41 The VET FEE-HELP Guidelines

*VET FEE-HELP assistance is also dealt with in the *VET FEE-HELP Guidelines. The provisions of this Part indicate when a particular matter is or may be dealt with in these Guidelines.

Note: The VET FEE-HELP Guidelines are made by the Minister under clause 99.

42 The VET Tuition Fee Guidelines

*VET tuition fees are also dealt with in the *VET Tuition Fee Guidelines.

Note: The VET Tuition Fee Guidelines are made by the Minister under clause 99.

Division 7—Who is entitled to VET FEE-HELP assistance?

Subdivision 7-A—Basic rules

43 Entitlement to VET FEE-HELP assistance

A student is entitled to *VET FEE-HELP assistance for a *VET unit of study if:

- (a) the student meets the citizenship or residency requirements under clause 44; and
- (b) the student's *FEE-HELP balance is greater than zero; and
- (c) the *census date for the unit is on or after 1 January 2008; and
- (d) the unit meets the course requirements under clause 45; and
- (e) the unit is, or is to be, undertaken as part of a *VET course of study; and
- (f) the student:
 - (i) enrolled in the unit on or before the census date for the unit; and
 - (ii) at the end of the census date, remained so enrolled; and
- (g) the student *meets the tax file number requirements (see clause 80); and
- (h) the student has, on or before the census date, completed, signed and given to an *appropriate officer of the *VET

provider a *request for Commonwealth assistance in relation to the unit or, where the VET course of study of which the unit forms a part is, or is to be, undertaken with the provider, in relation to the VET course of study.

44 Citizenship or residency requirements

- (1) The citizenship or residency requirements for *VET FEE-HELP assistance for a *VET unit of study are that the student in question is:
 - (a) an Australian citizen; or
 - (b) a *permanent humanitarian visa holder who will be resident in Australia for the duration of the unit.
- (2) In determining, for the purpose of paragraph (1)(b), whether the student will be resident in Australia for the duration of the unit, disregard any period of residence outside Australia that:
 - (a) cannot reasonably be regarded as indicating an intention to reside outside Australia for the duration of the unit; or
 - (b) is required for the purpose of completing a requirement of that unit.

45 Course requirements

- (1) The course requirements for *VET FEE-HELP assistance for a *VET unit of study are that the unit is not being undertaken as part of a *VET course of study that:

 - (b) all courses provided by a specified VET provider are courses in relation to which VET FEE-HELP assistance is unavailable.

- (3) In deciding whether to make a determination under subclause (2), the Minister must have regard to the effect of the determination on students undertaking the course or courses.
- (4) A determination of the Minister under subclause (2) must not be made later than 6 months before the day that students are able next to commence the specified course, or courses, with the provider.

Subdivision 7-B—FEE-HELP balances

46 Main case of re-crediting a person's FEE-HELP balance

- (1) If clause 51 applies to re-credit a person's *FEE-HELP balance with an amount equal to the amounts of *VET FEE-HELP assistance that the person has received for a *VET unit of study, then this clause does not apply in relation to that unit.

Note: For *FEE-HELP balance*, see section 104-15, and for *FEE-HELP limit*, see section 104-20.

- (2) A *VET provider must, on the *Secretary's behalf, re-credit a person's *FEE-HELP balance with an amount equal to the amounts of *VET FEE-HELP assistance that the person received for a *VET unit of study if:
 - (a) the person has been enrolled in the unit with the provider; and
 - (b) the person has not completed the requirements for the unit during the period during which the person undertook, or was to undertake, the unit; and
 - (c) the provider is satisfied that special circumstances apply to the person (see clause 48); and
 - (d) the person applies in writing to the provider for re-crediting of the FEE-HELP balance; and
 - (e) either:
 - (i) the application is made before the end of the application period under clause 49; or
 - (ii) the provider waives the requirement that the application be made before the end of that period, on the ground that it would not be, or was not, possible for the application to be made before the end of that period.

Note: A VET FEE-HELP debt relating to a VET unit of study will be remitted if the FEE-HELP balance in relation to the unit is re-credited: see section 137-18.

- (3) If the provider is unable to act for one or more of the purposes of subclause (2), or clause 48, 49 or 50, the *Secretary may act as if one or more of the references in those provisions to the provider were a reference to the Secretary.

47 Re-crediting a person's FEE-HELP balance—no tax file number

- (1) A *VET provider must, on the *Secretary's behalf, re-credit a person's *FEE-HELP balance with an amount equal to the amounts of *VET FEE-HELP assistance that the person received for a *VET unit of study if:
- (a) the person has been enrolled in the unit with the provider; and
 - (b) subclause 89(1) applies to the person in relation to the unit.

Note: A VET FEE-HELP debt relating to a VET unit of study will be remitted if the FEE-HELP balance in relation to the unit is re-credited: see section 137-18.

- (2) The *Secretary may re-credit the person's *FEE-HELP balance under subclause (1) if the provider is unable to do so.

48 Special circumstances

For the purposes of paragraph 46(2)(c), special circumstances apply to the person if and only if the *VET provider receiving the application is satisfied that circumstances apply to the person that:

- (a) are beyond the person's control; and
- (b) do not make their full impact on the person until on or after the *census date for the *VET unit of study in question; and
- (c) make it impracticable for the person to complete the requirements for the unit in the period during which the person undertook, or was to undertake, the unit.

49 Application period

- (1) If:
- (a) the person applying under paragraph 46(2)(d) for the re-crediting of the person's *FEE-HELP balance in relation to
-

- a *VET unit of study has withdrawn his or her enrolment in the unit; and
 - (b) the *VET provider gives notice to the person that the withdrawal has taken effect;
- the application period for the application is the period of 12 months after the day specified in the notice as the day the withdrawal takes effect.
- (2) If subclause (1) does not apply, the application period for the application is the period of 12 months after the period during which the person undertook, or was to undertake, the unit.

50 Dealing with applications

- (1) If:
 - (a) the application is made under paragraph 46(2)(d) before the end of the relevant application period; or
 - (b) the *VET provider waives the requirement that the application be made before the end of that period, on the ground that it would not be, or was not, possible for the application to be made before the end of that period;the provider must, as soon as practicable, consider the matter to which the application relates and notify the applicant of the decision on the application.
 - (2) The notice must include a statement of the reasons for the decision.
- Note: Refusals of applications are reviewable under Division 16.

51 Re-crediting a person's FEE-HELP balance if provider ceases to provide course of which unit forms part

- (1) A *VET provider must, on the *Secretary's behalf, re-credit a person's *FEE-HELP balance with an amount equal to the amounts of *VET FEE-HELP assistance that the person received for a *VET unit of study if:
 - (a) the person has been enrolled in the unit with the provider; and
 - (b) the person has not completed the requirements for the unit during the period during which the person undertook, or was to undertake, the unit because the provider ceased to provide

the unit as a result of ceasing to provide the course of which the unit formed part; and

- (c) the *VET tuition assurance requirements applied to the provider at the time the provider ceased to provide the unit; and
- (d) the person chose the option designated under the VET tuition assurance requirements as VET tuition fee repayment in relation to the unit.

Note: A VET FEE-HELP debt relating to a VET unit of study will be remitted if the FEE-HELP balance in relation to the unit is re-credited: see subsection 137-18(4).

- (2) The *Secretary may re-credit the person's *FEE-HELP balance under subclause (1) if the provider is unable to do so.

Division 8—How are amounts of VET FEE-HELP assistance worked out?

52 The amount of VET FEE-HELP assistance for a VET unit of study

The amount of *VET FEE-HELP assistance to which a student is entitled for a *VET unit of study is the difference between:

- (a) the student's *VET tuition fee for the unit; and
- (b) the sum of any *up-front VET payments made in relation to the unit.

Note: A lesser amount may be payable because of clause 54.

53 Up-front payments

- (1) An *up-front VET payment*, in relation to a *VET unit of study for which a student is liable to pay a *VET tuition fee, is a payment of all or part of the student's VET tuition fee for the unit, other than a payment of *VET FEE-HELP assistance under this Part.
- (2) The payment must be made on or before the *census date for the unit.

54 Amounts of VET FEE-HELP assistance and FEE-HELP assistance must not exceed the FEE-HELP balance

Amount of VET FEE-HELP assistance for one unit

- (1) The amount of *VET FEE-HELP assistance to which a student is entitled for a *VET unit of study is an amount equal to the student's *FEE-HELP balance on the *census date for the unit if:
- (a) there is no other:
 - (i) VET unit of study, with the same census date, for which the student is entitled to VET FEE-HELP assistance; or
 - (ii) unit of study, with the same census date, for which the student is entitled to *FEE-HELP assistance; and
 - (b) the amount of VET FEE-HELP assistance to which the student would be entitled under clause 52 for the unit would exceed that FEE-HELP balance.

Amount of VET FEE-HELP assistance for more than one unit

- (2) If the sum of:
- (a) the amount of *VET FEE-HELP assistance to which a student would be entitled under clause 52 for a *VET unit of study; and
 - (b) any other amounts of:
 - (i) VET FEE-HELP assistance to which the student would be entitled under that clause for other units that have the same *census date as that unit; and
 - (ii) *FEE-HELP assistance to which the student would be entitled under clause 52 for other units that have the same census date as that unit;
- would exceed the student's *FEE-HELP balance on the census date for the unit, then, despite subclause (1) of this clause, the total amount of VET FEE-HELP assistance and FEE-HELP assistance to which the student is entitled for all of those units is an amount equal to that FEE-HELP balance.

Example: Kath has a FEE-HELP balance of \$2,000, and is enrolled in 4 units with the same census date. Kath's VET tuition fee for each unit is \$600. The total amount of VET FEE-HELP assistance to which Kath is entitled for the units is \$2,000, even though the total amount of her VET tuition fees for the units is \$2,400.

- (3) If the student has enrolled in the units with more than one *VET provider or higher education provider, the student must notify each provider of the proportion of the total amount of *VET FEE-HELP assistance or *FEE-HELP assistance that is to be payable in relation to the units in which the student has enrolled with that provider.

Division 9—How are amounts of VET FEE-HELP assistance paid?

Note: Division 11 also deals with payments by the Commonwealth under this Schedule.

55 Payments

If a student is entitled to an amount of *VET FEE-HELP assistance for a *VET unit of study with a *VET provider, the Commonwealth must:

- (a) as a benefit to the student, lend to the student the amount of VET FEE-HELP assistance; and
- (b) pay the amount lent to the provider in discharge of the student's liability to pay his or her *VET tuition fee for the unit.

Note: Amounts of assistance under this Part may form part of a person's HELP debts that the Commonwealth recovers under Chapter 4.

56 Effect of FEE-HELP balance being re-credited

- (1) If, under subclause 46(2) or 47(1), or clause 51, a person's *FEE-HELP balance is re-credited with an amount relating to *VET FEE-HELP assistance for a *VET unit of study, the provider must pay to the Commonwealth an amount equal to the amount of VET FEE-HELP assistance to which the person was entitled for the unit.

Note: The provider must repay the amount under subclause (1) even if the person's FEE-HELP balance is not increased by an amount equal to the amount re-credited.

- (2) Subclause (1) does not apply to the provider if:
- (a) the person's *FEE-HELP balance was re-credited under subclause 46(2) (main case of re-crediting a person's FEE-HELP balance); and

- (b) the person enrolled in the unit in circumstances that make it a replacement unit within the meaning of the *VET tuition assurance requirements.
- (3) The *VET Provider Guidelines may, in setting out the *VET tuition assurance requirements, specify, in relation to the re-crediting of a person's *FEE-HELP balance in circumstances to which subclause (2) applies:
- (a) the amount (if any) that is to be paid to the Commonwealth; and
- (b) the person (if any) who is to pay the amounts.

61 Advances

- (1) The *Secretary may determine that an advance is to be made to a *VET provider on account of an amount that is expected to become payable under a provision of this Schedule to the provider.
- (2) If the advance exceeds the amount that becomes payable, an amount equal to the excess may be:
 - (a) deducted from any amount that is payable, or to be paid, to the provider under this Schedule; or
 - (b) recovered by the Commonwealth from the provider as a debt due to the Commonwealth.

- (3) If the provider uses the advance for a purpose other than that for which it was given, an amount equal to the advance may be:
 - (a) deducted from any amount that is payable, or to be paid, to the provider under this Schedule; or
 - (b) recovered by the Commonwealth from the provider as a debt due to the Commonwealth.
- (4) The conditions that would be applicable to a payment of the amount on account of which the advance is made are applicable to the advance.

62 Rounding of amounts

If an amount payable by the Commonwealth under this Schedule is an amount made up of dollars and cents, round the amount down to the nearest dollar.

Division 12—Administrative requirements on VET providers

63 What this Division is about

This Division imposes a number of administrative requirements on VET providers.

Person may request correction of notice

- (2) A person who receives a notice from a *VET provider under clause 64 may give to the provider a written request for the notice to be corrected in respect of a material particular if the person considers that the notice was not, or has ceased to be, correct in that particular.

A *VET provider must not require a *domestic student who is enrolling in a unit in circumstances that make it a replacement unit within the meaning of the *VET tuition assurance requirements to pay to the provider the student's *VET tuition fee for the unit.

67 Determining census dates

- (1) A *VET provider must, for each *VET unit of study it provides or proposes to provide during a period ascertained in accordance with the *VET Administration Guidelines, determine for that period a particular date to be the *census date for the unit.

Note: If a VET provider provides the same unit over different periods, the unit is taken to be a different VET unit of study in respect of each period. Therefore the provider will have to determine a separate census date in respect of each period.

- (2) A date determined under subclause (1) must not occur less than 20% of the way through the period during which the unit is undertaken.
- (3) The provider must publish the *census date for the unit by the date ascertained in accordance with, and in the manner specified in, the *VET Administration Guidelines.

Variations

- (4) The provider must not vary the *census date for the unit after publication under subclause (3), unless the provider:
