(1) You can deduct an amount if:

Note 1: The amount applicable to you under subsection 40-300(2) or 40-305(1) may be the market value of an asset or of a non-cash benefit.

Note 2: If you receive an amount as recoupment of the amount misappropriated, the amount may be included in your assessable income: see Subdivision 20-A.

- (2) The amount you can deduct is so much of the amount misappropriated as represents an amount applicable to you under item 8 of the table in subsection 40-300(2) or item 1, 3, 4 or 6 of the table in subsection 40-305(1) in relation to the *balancing adjustment event.
- (3) You can deduct the amount for the income year in which the misappropriation happens.
- (4) You must reduce the amount you can deduct under this section if your deductions for the asset have been reduced under section 40-25 because of use for a purpose other than a *taxable purpose.  - (b) the amendment is made at any time during the period of 4 years starting immediately after you discover the misappropriation.

4 At the end of subsections 40-285(1) and (2)

7 At the end of section 104-240

Add:

- (3) In applying subsection (1) or (2), reduce the *termination value of the *depreciating asset by so much of an amount misappropriated by your employee or *agent (whether by theft, embezzlement, larceny or otherwise) as represents an amount applicable to you under:

 - (b) item 1, 3, 4 or 6 of the table in subsection 40-305(1);in relation to the *balancing adjustment event.
- (4) If you later receive an amount as *recoupment of all or part of the amount misappropriated, the amount applicable under subsection (3) is increased by the amount received.
- (5) Section 170 of the *Income Tax Assessment Act 1936* does not prevent the amendment of an assessment for the purposes of giving effect to this section for an income year if:
 - (a) you discover the misappropriation, or you receive an amount as *recoupment of all or part of the amount misappropriated, after you lodged your *income tax return for the income year; and

- (b) the amendment is made at any time during the period of 4 years starting immediately after you discover the misappropriation or receive the amount.

8 At the end of section 104-245

Add:

- (3) In applying subsection (1) or (2), reduce the *termination value of the *depreciating asset by so much of an amount misappropriated by your employee or *agent (whether by theft, embezzlement, larceny or otherwise) as represents an amount applicable to you under:

 - (a) you discover the misappropriation, or you receive an amount as *recoupment of all or part of the amount misappropriated, after you lodged your *income tax return for the income year; and

10 At the end of section 116-10 (before the note)

After “, 4”, insert “, 6”.

18 After section 116-55

Insert:

116-60 Misappropriation rule: modification 6

- (1) The *capital proceeds from a *CGT event are reduced if your employee or *agent misappropriates (whether by theft, embezzlement, larceny or otherwise) all or part of those proceeds.

Note: This rule exists because the general rules treat you as having received an amount when you are entitled to receive it.

- (2) The *capital proceeds are reduced by the amount misappropriated.
- (3) There is a further consequence if:
 - (a) those proceeds are reduced by the amount misappropriated;
and
 - (b) you later receive an amount as *recoupment of all or part of the amount misappropriated.
Those proceeds are increased by the amount received.
- (4) This Part and Part 3-3 apply to the debt owed to you (the amount misappropriated) as if it were not a *CGT asset.
- (5) Section 170 of the *Income Tax Assessment Act 1936* does not prevent the amendment of an assessment for the purposes of giving effect to this section for an income year if:
 - (a) you discover the misappropriation, or you receive an amount as *recoupment of all or part of the amount misappropriated, after you lodged your *income tax return for the income year;
and
 - (b) the amendment is made at any time during the period of 4 years starting immediately after you discover the misappropriation or receive the amount.

Part 3—Application

19 Application

The amendments made by this Schedule apply to amounts misappropriated in the 2007-08 income year and later income years.

Schedule 2—Late payment offset for superannuation guarantee contributions

Superannuation Guarantee (Administration) Act 1992

1 Paragraph 23A(1)(a)

Repeal the paragraph, substitute:

- (a) the contribution is made after the end of the period of 28 days after the end of a quarter; and

2 Subsection 23A(2)

Repeal the subsection, substitute:

- (2) The election must be made:
 - (a) in a statement having effect under section 35 as the employer's assessment for the quarter; or
 - (b) within 4 years after the employer's superannuation guarantee charge for the quarter became payable.

The election cannot be revoked.

3 After subsection 23A(4)

Insert:

- (4A) If the election happens after the employer's assessment for the quarter is made, then, for the offset to take effect, the assessment must be amended accordingly under section 37.

4 Subsection 49(1)

After "unpaid amount", insert "(the *original unpaid amount*)".

5 Subsection 49(1) (note)

Repeal the note, substitute:

- Note 1: The general interest charge is worked out under Part IIA of the *Taxation Administration Act 1953*.
- Note 2: Subsections (2) and (3A) deal with reducing the original unpaid amount.

6 Subsection 49(2)

Before “unpaid amount”, insert “original”.

7 After subsection 49(3)

Insert:

(3A) For the purposes of this section and subsection 8AAC(3) of the *Taxation Administration Act 1953*, if:

- (a) the employer gives the Commissioner an election under section 23A at a time (the *election time*) after the time the superannuation guarantee charge is due to be paid; and
- (b) the effect of the election is to reduce the employer’s liability to pay the superannuation guarantee charge by an amount (the *offset amount*);

then, from the election time, the proportion of the original unpaid amount that remains unpaid immediately before that time is taken to be reduced by the offset amount.

Note: The original unpaid amount will not be reduced by the offset amount during the period when the charge is payable before the election time.

8 Transitional—charge remaining payable at commencement

(1) If, for the purposes of the *Superannuation Guarantee (Administration) Act 1992*, superannuation guarantee charge:

- (a) became payable under an assessment before the commencement of this Schedule; and
- (b) was not fully paid before that commencement;

this item applies in relation to the employer’s liability to pay the proportion of the charge (the *remaining charge*) remaining payable at that commencement.

(2) After that commencement, subsection 23A(2) of that Act applies as if the remaining charge became payable at that commencement.

(3) If it is proposed to amend the assessment to effect a reduction, as a result of an offset under section 23A of that Act, in the employer’s liability to pay the remaining charge, then:

- (a) subsection 37(3) of that Act applies as if the assessment were made at that commencement; and

(b) paragraph 37(5)(a) of that Act applies as if the remaining charge became payable under the assessment at that commencement.

- (4) If the assessment was of superannuation guarantee charge payable in relation to a year (instead of a quarter), then that Act also applies as if references in that Act to a quarter were references to a year.

9 Transitional—charge for a year that becomes payable after commencement

If, for the purposes of the *Superannuation Guarantee (Administration) Act 1992*, superannuation guarantee charge:

- (a) is payable in relation to a year (instead of a quarter) happening before the commencement of this Schedule; and
(b) does not become payable until after that commencement;

then that Act applies, in relation to the employer's liability to pay the charge, as if references in that Act to a quarter were references to a year.

Schedule 3—CGT market value substitution rule for interests in widely held entities

Income Tax Assessment Act 1997

1 After subsection 116-30(2A)

Insert:

(2B) Despite paragraph (2)(b), subsection (2) does not apply if the *CGT event is *CGT event C2 (about cancellation, surrender and similar endings) and the *CGT asset that is the subject of the event is:

- (a) a *share in a company that has at least 300 *members and is not a company that is covered by section 116-35; or
- (b) a unit in a unit trust that has at least 300 unit holders and is not a trust that is covered by section 116-35.

Note: So, for one of these assets, the capital proceeds for the cancellation will be what you actually received.

Insert:

 - (b) if unit holders of the trust have a right to vote in respect of activities of the trust—carrying at least 75% of the voting power in the trust.

Possible variation of rights

- (5) This subsection applies to a company or trust if, because of:
 - (a) any provision in the entity's constituent document, or in any contract, agreement or instrument:
 - (i) authorising the variation or abrogation of rights attaching to any of the *shares or units in the entity; or
 - (ii) relating to the conversion, cancellation, extinguishment or redemption of any of those shares or units; or
 - (b) any contract, *arrangement, option or instrument under which a person has power to acquire any of those shares or units; or
 - (c) any power, authority or discretion in a person in relation to the rights attaching to any of those shares or units;

it is reasonable to conclude that the rights attaching to any of those shares or units are capable of being varied or abrogated in such a way (even if they are not in fact varied or abrogated in that way) that, directly or indirectly, subsection (3) or (4) would apply to the entity.
